Equal Opportunity Policy

Lynn University is committed to and actively supports the spirit and the letter of equal opportunity as defined by federal, state and local laws. It is the policy of Lynn University to ensure equal opportunity in administration of its educational policies, admissions policies and employment policies without discrimination on the basis of race, color, religion, sex, sexual orientation, age, national origin, ancestry, citizenship, disability, pregnancy, genetic disposition, veteran or military status, marital status, familial status or any other legally protected characteristic in accordance with federal and Florida State law.

Lynn University administers all human resource policies and practices, including recruitment, advertising, hiring, selection for training, compensation, promotion, discipline, and termination, without regard to race, color, religion, sex, sexual orientation, age, national origin, ancestry, citizenship, disability, pregnancy, genetic disposition, veteran or military status, marital status, familial status or any other legally protected characteristic in accordance with federal and Florida State law.

Lynn University does not discriminate on the basis of race, color, gender, national origin, disability or age in its programs and activities. In accordance with Title IX of the Education Amendments of 1972, Lynn University does not discriminate on the basis of sex. Inquiries concerning the application of the non-discrimination policy may be directed to the University Compliance Officer/Title IX Coordinator at 3601 N. Military Trail, Boca Raton, FL 33431; via email at titleixcoordinator@lynn.edu; by phone at +1 561-237-7727 or to the U.S. Dept. of Education OCR.

Message from President Ross

Dear Student:

Welcome to the 2017-2018 academic year at Lynn University. Our long-held mission is to provide the education, support and environment that enable individual students to realize their full potential and to prepare for success in the world.

Through our innovative Dialogues curriculum, student-centric technology features and campus design, we have reimagined the college experience and delivered on it. We are proud of our programs and people, from our diverse student body to our faculty and staff dedicated to student success.

In recognition for our willingness to work with students on how they live and learn today, Lynn has twice been named an Apple Distinguished School. Our university has also been ranked as one of the most innovative schools in the country for two consecutive years by *U.S. News & World Report* for our whole new style of teaching and learning.

A Lynn education stands apart from all others, and your time here will be filled with dynamic courses, unique learning experiences, and countless opportunities for intellectual and personal growth. By studying at our university, you are making one of the most important investments in your life, your education, and whether you are just beginning your undergraduate career or completing studies for an advanced degree, we are happy to have you as a member of the Lynn family.

I hope you have a wonderful and successful academic year, and please remember that we are all here to support you as you pursue your academic goals.

Sincerely,

Kevin M. Ross
President

Chapter I.

Overview and Introduction to Lynn University

General Information

Lynn University is an independent, innovative college based in Boca Raton, Florida. With more than 2,500 students almost 100 countries and nearly all 50 U.S. states, the school is consistently ranked among the top five most international schools by *U.S. News and World Report's* "Best Colleges." Lynn's NCAA Division II Fighting Knights have won 23 national titles, and its Conservatory of Music features a world-renowned faculty of performers and scholars. The school's Dialogues of Learning curriculum, award-winning iPad program and international student base help Lynn graduates gain the intellectual flexibility and global experience to fulfill their potential in an ever-changing world. For more information, visit www.lynn.edu.

Academic Programs

Lynn University is focused on one thing: student success. Our merit-based structure ensures that our professors concentrate on the art of teaching—making good students great and great students remarkable. Lynn undergraduate, graduate and certificate programs emphasize career preparation and intellectual exploration through dialogue and experience. Our flexible degree programs are designed to fit how students learn and live ... whether they are embarking on a career path for the very first time, continuing education to fulfill a lifelong dream, or brushing up on skills to become a more valuable employee.

The university is comprised of four colleges—College of Arts and Sciences, College of Business and Management, College of Education, and College of International Communication—plus the School of Aeronautics and the Conservatory of Music. Lynn's Institute for Achievement and Learning offers internationally recognized programs to help students with learning differences become independent learners.

Location

Lynn University is located in residential Boca Raton on South Florida's Gold Coast. Geographically, the city and its surroundings are a center of international trade, linking multi-national companies that serve the world marketplace. Lynn is surrounded by innumerable hotels, clubs, resorts and professional sports teams, offering incredible opportunities for students. The university's location in this hub provides a dynamic medium for educational exchange and learning, including excellent internship opportunities. Boca Raton is located halfway between Palm Beach and Fort Lauderdale and only three miles from the Atlantic Ocean. Accessible from major roadways, Boca Raton is within easy travel distance of three major airports. Nearly 50 percent of Lynn's undergraduate students, including all freshmen, live on campus.

Mission

The mission of Lynn University is to provide the education, support and environment that enable individual students to realize their full potential and to prepare for success in the world.

Vision

Lynn's vision is to be recognized as one of the most innovative, international and individualized small universities in America. Lynn University will capitalize on its youth, location and close student and faculty bonds to become a forerunner institution, a different kind of learning center, an independent, innovative 21st-century university that is unusually devoted to preparing young persons for America's and the world's future. To do so, Lynn will:

1. Remain relatively small, with approximately 2,400 undergraduate and 600 graduate students, and 500 or more adults enrolled annually in continuing education courses and institutes. Lynn will also remain a multi-faceted, coeducational, primarily residential university with a small-college atmosphere.
2. Admit a wide array of diverse students, from those with learning differences to the gifted, and those from many countries of the world and states across the nation.
3. Be grounded in the liberal arts but contain a collection of colleges oriented toward emerging professional opportunities, each of which feature superior teaching, applied learning, international focus and experiences.
4. Contain a hallmark student development program that discerns each student's strengths, shortcomings, and special needs and works to develop his or her full capabilities.

(Approved by the Board of Trustees Oct. 12, 2005)

History

When the university was founded in the early 1960s, the campus was surrounded by bean farms, strawberry fields and orchards. Today, the institution has grown to 115 acres in a county of close to 1.37 million residents. The university's South Florida home has become one of the most strategic international gateways to America and an important center of finance, commerce, culture and international trade.

Originally named Marymount College, later the College of Boca Raton, and then renamed Lynn University in 1991, it began as a two-year college from 1962 to 1986. Lynn celebrated the 50th anniversary of its founding in 2012-2013.

Kevin M. Ross became Lynn University's president on July 1, 2006. He succeeded Donald E. Ross, who saved Marymount College from closing, and served as president from 1971 to 2006.

On March 16, 2012, Lynn dedicated the Remembrance Plaza, to honor the legacies of the four students and two faculty members who died in the 2010 Haiti earthquake while performing community service. The Keith C. and Elaine Johnson Wold Performing Arts Center opened in spring 2010 and hosted the Oct. 22, 2012 presidential debate.

Lynn's growth continued with the addition of The Mohammed Indimi International Business Center, Central Energy Plant and Bobby Campbell Stadium in 2014, and the Snyder Sanctuary and Perper Intramural Field in 2015

Chapter II.

Campus Life

Every phase of Lynn University life provides a learning situation wherein the student is guided toward wise decision making. While the university primarily emphasizes formal learning through instruction and study, it clearly recognizes a student's personal and social needs. To serve these needs, the university offers an Office of Student Affairs.

Student organizations covering a wide range of interests offer the opportunity to develop many talents and skills. By participating in these activities, the student is exposed to situations that challenge initiative and leadership. The Division of Student Affairs includes the Vice President for Student Affairs, Dean of Students, Associate Dean of Students, Campus Recreation, Counseling Center, Women's Center, Housing and Residence Life, Health Center, Campus Safety, Student Conduct, Assistant Dean for Student Involvement, and the Center for Student Involvement. The Office of the Dean of Students provides assistance in securing advice on university-related concerns. The dean is also responsible for maintaining an open line of communication between staff, students and parents.

Student Involvement

The Center for Student Involvement is committed to providing a variety of activities that complement the university's academic program. Students can choose activities that will contribute to their personal development and enjoyment: student government, service clubs, Greek life and participation in any number of special interest organizations. Social activities include game shows, dances, comedy acts, live music, cultural events, international festivals, films, pool parties, sports days, award dinners, and novelty entertainment.

Campus Recreation

Students are encouraged to participate in a wide range of intramural programs, including basketball, flag football, soccer, volleyball, kickball, softball, tennis, billiards, ping pong, and others. The Fitness center is available to all enrolled students which includes fitness classes and other programs.

Club Sports

The university currently offers a number of club sports; including soccer and hockey. Depending on student interest, other club sports can be established. Uniforms, coaches and schedules are provided for the club sports teams. There is a club sports fee for each student who chooses to participate in a club sport.

Residence Halls

Lynn University's six residence halls (Lynn, Trinity, de Hoernle, Freiburger and E. M. Lynn, and Perper) provide living accommodations for more than half of the university's students. All room accessories (bedspreads, lamps, etc.) are provided by the student. Computer Internet access and cable television connections are provided. The Office of Housing and Residence Life assigns new students rooms and roommates. Returning

students must choose their rooms and roommates during select dates during the spring term.

A resident assistant is a para-professional staff member and student whose primary responsibility is to build a community atmosphere among students in each hall. They also have the authority to refer to the Office of Student Conduct and Community Standards any student who is suspected of violating campus policies.

Room and Board Schedules

Day Division full-time undergraduate resident students are required to be on a meal plan. The Elmore Dining Commons is open 24/7, and all residential students have unlimited meals as part of their assigned meal plan.

Students with less than 60 academic credits and students who are under 21 years of age are required to reside on campus. Exceptions include students who live with their parents within commuting distance and those who are married or have children.

Counseling Center

Counseling at Lynn University aims to further the total development of each student. This accent on the complete individual implies a very definite interest in all phases of the life of the student whose academic, personal and social welfare are of primary concern. Counseling is provided on an individual basis, and records are maintained in strict confidence by the director of counseling. In addition, alcohol and substance abuse prevention literature and referral services are continually available through the Counseling Center.

Health Center

During scheduled hours, the Health Center staff provides limited medical services to members of the Lynn community. If a serious health problem arises, the staff may refer a student to the services of qualified off-campus medical personnel.

Every student living on campus is required to submit a complete immunization record before being allowed to enroll.

Residential students:

The following health documentation will be required for all students residing on campus: Health History and Authorization for Treatment forms, physical exam within past 12 months, and a record or exemption of immunizations for: MMR (2 doses), Meningococcal Meningitis, and Hepatitis B.

Non-residential students:

Health forms will not be required at the time of enrollment for students not residing on campus. However, those students will be required to sign a Health History, Authorization for Treatment and/or any immunization exemption forms if/when seen in the Health Center for medical treatment.

The university assumes no financial responsibility for medical services performed other than the university nurse's official services, nor does it pay any hospitalization costs, including deductibles.

Students who refuse treatment or hospital admission do so at their own risk. If a student is ill, it is the student's responsibility to report the illness to the Health Center, residence hall staff and/or Student Affairs.

If a student requires medication on a regular basis, he or she is advised to establish a relationship with a local pharmacy. Parents or guardians may be contacted by the university in cases involving students who are transported to the hospital.

Insurance

All students are required to carry medical insurance. Students are required to provide proof of insurance before enrolling at the university or sign up for the university plan. Information about student medical insurance is available from the Office of Student Financial Services.

Medical/Mental Health Readmission Requirements

Inherent in the policies outlined here regarding the care and concern of students with medical and/or mental health issues is the encouragement of receiving proper treatment and professional services. For students who are voluntarily or involuntarily required to withdraw from Lynn University for medical and/or mental health reasons, the university's predominant concern is that the students receive the appropriate professional treatment. Lynn University wishes to provide sufficient time away from academic concerns to adequately address the issues that necessitated a leave. Failure to seek ongoing appropriate treatment will seriously infringe upon the readiness to resume student status, and the university will withhold readmission until appropriate treatment has been received and documented.

Prior to readmission, a student on medical/mental health leave must provide documentation from the attending medical/mental health professional to the Dean of Students or his or her designee one month prior to the anticipated return date. The documentation MUST include: reasons for treatment, frequency and duration of treatment, full assessment of medical and/or psychological status including history and diagnostic impression, and recommendations/treatment plan for continued recovery. The university also requires that the attending professional assesses whether the student is intellectually, physically and psychologically able to handle academic demands and a return to the university community. If the preceding information is not included, the university reserves the right to delay readmission until proper treatment/documentation has been received. All responsibility for providing the required documentation rests solely on the student who desires readmission.

Once all required documentation is provided, this information will then be reviewed by the appropriate Lynn University health care professionals and by the Dean of Students or his or her designee. During the period of readmission consideration, the student may be required to permit the Dean of Students or his or her designee to communicate with the student's health care provider. The purpose of this communication will be to gather additional information pertaining to the student's readiness to return to the rigors of academic life. If the student is permitted to return, the university may at that time set forth special conditions or requirements, such as meetings with the Dean of Students or other university medical/professional personnel to monitor the student's progress. In addition, the student may be required to establish an ongoing professional relationship with

Counseling Center or Health Center staff. The decision to allow a student to return from a medical leave of absence may be reversed if the student fails to abide by the special conditions for return or if the student fails to be a responsible member of the Lynn University community.

Substance Abuse

Lynn University strives to maintain a drug-free environment of any drug as defined by local, state and/or federal law, including marijuana is expected. Any student found in possession of or involved with any type of drug will be sanctioned by the university's conduct review board. A university representative will communicate with the parents if the student is found responsible for a violation of the university drug policy.

Students of legal age are permitted to have alcohol in the privacy of their rooms. Students who choose to drink alcoholic beverages must do so in a responsible manner. Students are not permitted to have alcoholic beverages in public areas (i.e., hallways, lounges, pool, etc.). Students who violate the alcohol policy will be sanctioned by the university's conduct review system.

Substance Abuse Prevention Program

The university recognizes the problems that exist in today's society with regard to alcohol and substance abuse. As such, alcohol and substance abuse literature, counseling and referral services are available through the Counseling Center. Lynn University is in compliance with the Drug-Free Workplace Act.

General Student Life Regulations and Policies

The university regards its students as responsible young adults and allows them considerable personal freedom. Specific rules, regulations and procedures are found in University Policies, Volume VI, Student Life Policies.

Policies are created to help promote a community atmosphere that is conducive to the pursuit of an academic program. Violation of the university code of conduct may lead to disciplinary action.

Upon dismissal or suspension from the university, the student's tuition and fees will not be refunded. Further, in the event that there has been only a partial payment of fees and tuition, the university will consider the balance due. There will be no refund of tuition, fees, charges or any other payments made to the university in the event that the operation of the university is suspended at any time as a result of any act of God, strike, riot, disruption or for any other reason beyond the control of the university. Admission of a Lynn University student for any academic year does not imply that such student will be reenrolled in any succeeding academic year.

Automobiles

Automobiles are allowed on campus, but must be registered with Campus Safety. Speeding and driving and/or parking on the grass and similar violations will result in fines, towing and/or loss of the privilege of having a car on campus.

Dismissal

The university reserves the right to dismiss any student who fails to meet the required standard of scholarship and to dismiss or suspend any student for violation of university rules or for any other reasonable cause. In view of the foregoing and since the university must make its financial commitments for the

entire academic year, no reduction or refund of fees will be made in instances of student dismissal or suspension.

Property Damage Responsibility

Lynn University does not assume responsibility for loss or damage to students' personal property and effects. Insurance protection for personal effects should be obtained from an independent source in conjunction with parents' insurance or students' insurance. Resident students are responsible for their residence hall rooms. Damage to residence hall rooms and public areas on campus are assessed based on individual, joint or group responsibility. The university attempts to identify individuals responsible for damage or vandalism. When such identification is impossible in a residence hall, all students who reside in the particular area must bear an equal portion of the cost and responsibility.

Public Access to the University Campus

Individuals wishing to enter the campus of this private institution for the purpose of meeting or visiting with students, faculty or staff must check in at a security gate and state their business on campus. This includes the news media and anyone who may have business with students, faculty or staff members.

Access to campus is restricted from 9 p.m. - 7 a.m. All persons, student or non-student entering campus after 9 p.m., must provide a valid form of photo identification (Lynn ID card or driver's license). This requirement also pertains to all passengers and guests in a vehicle. This policy is intended to safeguard the privacy of the university community and to help ensure a safe and secure campus environment. Students must assume full responsibility for their guests.

Athletics

Lynn University holds membership in the National Collegiate Association (NCAA) Division II and the Sunshine State Athletic Conference.

Intercollegiate athletic programs are open to all students in accordance with NCAA, Sunshine State Conference and institutional eligibility standards. Currently active intercollegiate teams include men's soccer, basketball, baseball, lacrosse, golf and tennis, and women's golf, soccer, basketball, tennis, volleyball, swimming, cross country, track and softball.

The Higher Education Amendments of 1992 necessitated the development of the Equity in Athletics Disclosure Act of 1994. This disclosure of data on participation rates and financing of men's and women's sports in intercollegiate athletic programs at Lynn University is available in the Office of Student Financial Services.

The Student Right-to-Know Act of 1990 requires disclosure of graduation or completion rates and transfer-out rates for: (1) the general population of full-time degree program undergraduate students and (2) students who receive athletically-related student aid, broken down by race and gender within sports. This information is available in the Student Financial Services office.

Student-Athlete Substance Abuse Prevention Policy

Lynn University seeks to promote the development of each student-athlete's intellectual, emotional and social capabilities. The university has established a drug education and testing program in compliance with National Collegiate Athletic Association (NCAA) recommendations. This program includes random drug testing by the university and the NCAA.

All student-athletes representing Lynn University are required to sign a form of consent regarding this policy. The university's goal is to better educate its student-athletes on the hazards of substance abuse and the value of prevention programs.

Chapter III.

Lynn University Campus

Lynn University's picturesque 123-acre campus is landscaped with a variety of tropical and semi-tropical plants and trees. Five lakes reflect the natural beauty of the setting and enhance the harmonious design of the architecture.

Campus Resources

The **Ronald and Kathleen Assaf Academic Center** provides classrooms, science labs and art studios. Rooms in this two-story structure open onto a scenic courtyard and the Sensormatic Wing. Faculty offices are located on both floors of the building.

The **Central Energy Plant**, adjacent to the de Hoernle Sports and Cultural Center, provides chilled water to the entire campus for the university's air conditioning needs. The two-story building, dedicated in February 2014, utilizes reclaimed water (IRIS) in its cooling tower system, dramatically reducing potable water consumption and supporting Lynn's Going Green initiatives. Color-coded piping in the plant aids in educating visitors on the different

systems in the building, which include sewer, water, electric power, chemical supply and building controls.

The **Count and Countess de Hoernle International Center** is home to the Conservatory of Music. The 35,000-square-foot center comprises two wings, the Doyle Wing and the Gordon and Mary Henke Wing, as well as the Amarnick-Goldstein Concert Hall; the Benjamin Olewine III Culinary Institute and John and Barbara Fox Laboratory Kitchen.

The **Louis and Anne Green Center for the Expressive Arts** includes the Institute for Achievement and Learning, Student Financial Services, Office of the Registrar, General Counsel, Employee Services, Information Technology, Purchasing and Accounts Payable, and the Office of the Vice President for Finance.

The **Hannifan Center for Career Connections**, located in the Eugene M. and Christine E. Lynn Library, provides comprehensive career services to all enrolled students and alumni of Lynn University.

free of charge. Career Services aims to: 1) assist students and alumni in making sound career plans based on their beliefs and values, skills and aptitudes, interests, personality traits, and knowledge of the world of work, 2) facilitate career opportunities, 3) provide students and alumni access to state-of-the-art technologies, and 4) promote continuous professional and personal growth opportunities for students and alumni. The center partners with Lynn University faculty and staff to create career programs that meet the needs of our diverse student population. Students and alumni are encouraged to make a private consultation appointment to discuss their education and career planning by calling the center directly at 561-237-7286.

The **Mohammed Indimi International Business Center** is the home of the College of Business and Management. This 32,000-square-foot facility includes 10 classrooms, 10 study rooms, an Idea Lab, Investment Center and 32 staff and faculty offices. The center features state-of-the-art technology for video-conferencing and collaborative spaces that complement the teaching pedagogies at Lynn. The flexible design allows for efficient and effective styles of teaching and learning. Focused study and group study as well as traditional classroom learning promote the values of entrepreneurship in global business. The building is the first Leadership in Energy and Environmental Design (LEED) Platinum certified building on campus. This is the highest level of certification awarded by the United States Green Building Council (USGBC).

The **Eugene M. and Christine E. Lynn Library**, completed in 1996, is the center of Lynn's academic community with many resources and services that support learning.

The library's learning resources include a collection of approximately 100,000 physical items, including books, journals, magazines, CDs, music scores and DVDs. The library's electronic resources are vast. A carefully selected collection of research databases contains more than 100,000 e-journal titles, biographical information, market and company research, reference e-books, statistics, images, and more, and is accessible through the library Web site. The library also has more than 170,000 e-books that are accessible via the Web. All e-resources are available on- or off-campus, 24 hours a day.

The library has about 70 PC and Mac workstations, several high-speed scanner/printers, and wireless access is available throughout the building. The music library has 2 computer workstations equipped with a MIDI ready keyboard to accommodate musical composition activities. The Perper Coffee House, located just inside the main entrance to the right, is open seven days a week and offers a variety of refreshments and snacks.

In addition to the library's services and learning resources, the building is home to the offices of the President Emeritus, the Vice President for Academic Affairs, the Chief Information Officer, Information Technology Support Services Desk, the Hannifan Center for Career Connections, the Eugene and Christine E. Lynn College of International Communication and the Center for Instructional Innovation.

The **Lynn Student Center** includes Christine's, as well as the Elmore Dining Commons, Landgren Chapel, auditorium, the Office of Residence Life and Housing, and the Office of Student Involvement offices and student meeting room.

The **Landgren Chapel** is dedicated to the memory of Harold and Agnes Landgren. Liturgy is celebrated at 12:05 p.m. Monday through Friday and at 7 p.m. on Sundays. The chapel is available for all faiths and denominations that find the space appropriate for their use.

The **Perper Plaza**, named for Mary and Harold Perper, is located in the front courtyard of the Lynn Student Center, and serves as a gathering place for students, staff and faculty.

The **Lynn University Remembrance Plaza** honors the legacies of the four students and two faculty members who died in the 2010

earthquake in Haiti while performing community service. Dedicated in March 2012, the memorial is a place of contemplation, hope and inspiration for the campus community. It features a continuous, cascading waterfall, a free-flowing water curtain, prisms shimmering with light, a wall of iridescent imported granite, a viewing platform overlooking the lake, an embedded fragment of the Hotel Montana where our students and faculty were at the time of the earthquake, memorial plaques, and benches for reflection and meditation.

The **Burton D. Morgan School of Aeronautics**, a 2,700-square-foot facility located at the Boca Raton Airport, houses a state-of-the-art Frasca flight training device and is home to the university's fleet of Cessna 172 and Cirrus SR-20 aircrafts.

The **Benjamin Olewine III Preserve** is a 11.59-acre pine scrub preserve. One of the oldest plant communities in Florida, it stretches along the western boundary of the campus. The preserve provides a habitat for many plants and animals, and enhances the local community's biodiversity and animal habitat connectivity. It is home to several endangered species, which include the Florida gopher tortoise, the Florida mouse, the eastern indigo snake, scrub rosemary plant, blazing star plant and the nodding pinweed plant.

The **Charles E. and Dorothy F. Schmidt College Center**, at the university's main entrance off Military Trail, includes the Office of the President, Office of Admission, Office of Development and Alumni Affairs, and Office of Marketing and Communication.

The **Snyder Sanctuary** is designed for meditation, music, celebration and dialogue. It is unaffiliated with any religion and is a place where students are encouraged to explore different beliefs and shared values. Its outdoor labyrinth provides ancient ritual patterns for meditation. A 2,142-square-foot wing includes a lobby, lounge, classroom and preparatory room. The sanctuary's seating capacity is 140.

St. Joseph Hall includes the Perper Mailroom, a coin-operated laundry facility and the Campus Store, which sells supplies, clothing, snacks and gifts. The store also provides check-cashing services. The building also houses the Enrollment Center.

The **Keith C. and Elaine Johnson Wold Performing Arts Center** at Lynn University, designed by noted architect Herbert S. Newman, is a state-of-the-art performance facility. Dedicated in March 2010, the 750-seat theatre features superb acoustics and a modern lighting system. The studio provides the traditional "black box" environment for smaller or more avant-garde drama productions or musical performances.

Backstage accommodations include men's and women's dressing rooms, the requisite green room, two star dressing rooms and three administrative offices. Other amenities include the on-site box office, refreshment area and a salon with terrace. Additional facilities house the costume room, theatre prop storage and the scenery shop.

"Through Poppied Fields," a sculpture by Seward Johnson, is located on the grounds of the Wold Performing Arts Center.

Athletics Facilities

Bobby Campbell Stadium is home to men's and women's soccer and the new men's lacrosse program. The 7,000-square-foot stadium includes a lighted Bermuda sod field, men's and women's soccer locker rooms, men's lacrosse locker room, storage room for uniforms and equipment, laundry facility, training room, coaches offices and public restrooms for fans. The stadium seats 500 spectators and features a central landscaped plaza where fans can gather.

The **Count and Countess de Hoernle Sports and Cultural Center** is a 33,000-square-foot multipurpose facility. The building houses a gymnasium, locker rooms, meeting rooms, a conference room and athletic department offices.

The **McCusker Sports Complex** includes two outdoor pools for year-round use, recreational tennis courts, basketball courts, soccer, softball and baseball fields; and space for volleyball and similar sports. Golf, polo, horseback riding and bowling are available near the campus.

The **Perper Tennis Complex** contains a total of six courts, covered chair-back stadium seating, an electronic scoreboard and is the first outdoor, lighted athletic facility on the Lynn campus.

Residence Halls

The **Count and Countess de Hoernle Residence Hall** is a coed building divided into four wings. Predominately first-year students reside in this residence hall. It is equipped with community-style bathrooms. A resident assistant coordinates community development opportunities for the residents. Basic cable television and wireless service is provided in each room.

The **Betsey H. Freiburger Residence Hall** is a coed building divided into four wings. Predominately first-year students reside in this residence hall. It is equipped with community-style bathrooms. Basic cable television and wireless service is provided in each room. A resident assistant coordinates community development

opportunities for the residents. The faculty offices of the College of Arts and Sciences are located on the first floor.

The **E. M. Lynn Residence Center** is a five-story coed building which opened in 2002. It is equipped with television lounges, entertainment rooms including pool and table tennis, and computer labs. Rooms are spacious with walk-in closets and private bathrooms. This building consists of triple occupancy accommodations. A resident assistant coordinates community development opportunities for the residents. The building also houses the offices of student life and the Health Center.

The **Eugene M. and Christine E. Lynn Residence Center** is a coed building. Rooms are spacious with walk-in closets and private bathrooms. Resident assistants coordinate community development opportunities for the residents. Basic cable television and wireless service is provided in each room. This building consists of all triple occupancy rooms. The building includes Lynn Fitness Center, Intramural Office and television lounge.

Trinity Residence Hall is a three-story, coed residence hall. It is equipped with a television lounge and community-style bathrooms. Basic cable television and wireless service is provided in each room. An area coordinator coordinates community development opportunities for the residents. This residence hall also house College of Arts and Sciences offices.

Chapter IV.

Admission

General Information

Lynn University welcomes and evaluates applications for enrollment from qualified students. Utilizing a holistic review process, the Office of Admission takes into consideration all information submitted on the application and supporting documents. The following is an overview of general admission policies. Further questions concerning enrollment procedures should be directed to the Office of Admission at +1 561-237-7900 or admission@lynn.edu. Lynn University does not discriminate on the basis of race, color, religion, sex, sexual orientation, age, national origin, ancestry, citizenship, disability, pregnancy, genetic disposition, veteran or military status, marital status, familial status or any other legally protected characteristic in its educational and admission policies, scholarship and loan programs, athletic and/or other school-administered programs.

Visitors Are Welcome

All prospective students and their parents, guardians, families and friends are encouraged to visit Lynn University. It is recommended that visits be scheduled while the university is in session and students are on campus, although visitors are welcome throughout the year. Campus interviews are not required, but are available upon request. Campus visits may be scheduled online by visiting www.lynn.edu/visit. Individual visits are available Monday through Friday, along with select Saturdays. Preview days are scheduled throughout the year. Education

professionals and large groups are also welcome to visit campus. Please contact campusvisit@lynn.edu with any questions to schedule your visit.

I. UNDERGRADUATE DAY DIVISION

First-Year Students

Application Procedures

Lynn University encourages high school students to apply during or before the fall semester of their senior year. Applicants should submit the following:

- Submitted application form (www.lynn.edu/applynow). In addition to the Lynn University application, the Common Application and the Universal College Application are also accepted.
- Personal statement
- Official transcripts indicating all secondary school course work and graduation dates or GED score report.
- Official SAT or ACT scores. Lynn University's school code for the SAT is 5437; the school code for the ACT is 0706. Students applying as test optional are not required to submit standardized test scores. (If you're a first-year

student and you are home-schooled, then you are required to submit standardized test scores.)

- Letter of recommendation from a school guidance counselor or teacher. The recommender should comment on the student's academic performance, determination and motivation.
- \$45 non-refundable application fee. (waived if application is submitted electronically).

Important Deadlines

November 15 – Early Action

- Students who wish to apply early action should complete their application and supporting documents by November 15 and are notified of a decision by December 15.
- Early action is a nonbinding application for first-year students. Students admitted early action are not required to withdraw other applications.

December 1 – Spring Semester

- Students who wish to apply for the spring semester should complete their application and supporting documents by December 1 and are notified of a decision on a rolling basis.
- Applications completed after December 1 are reviewed on a space available basis.

February 1 – Presidential Scholarship

- Students who wish to be considered for the Presidential Scholarship should complete their application and supporting documents by February 1. Students are notified by April 15.

March 1 – Regular Decision

- Students who wish to apply regular decision should complete their application and supporting documents between November 16 and March 1. Admission decisions are made on a rolling basis with notifications sent by March 15.
- Applications completed after March 1 will be reviewed on a space available basis.

May 1 – Deposit

- All enrollment deposits are due.

Admitted applicants should submit a deposit to reserve a place in the class. This deposit is credited to the student's account and is non-refundable after May 1 for fall semester applicants. Admission to the university is contingent upon a student's successful graduation from high school. A final transcript with proof of graduation is required.

Transfer Students

Application Procedures

A transfer student is someone who has attended another college or university after graduating from high school. Transfer students are welcome at Lynn University, and every effort is made to make the transfer of credits and completion of the degree requirements as easy as possible. Students with fewer than 12 transferable credits need to follow the application procedures outlined for first-year students. Transfer applicants should submit the following:

- Submitted application form (www.lynn.edu/transfer). In addition to the Lynn University application, the Common Application and the Universal College Application are also accepted.

- Personal statement
- Official transcripts from the candidate's current college and from all previous colleges/universities attended.
- Dean of students certification and recommendation form signed by the dean of students at candidate's current or most recent college/university attended.
- \$45 non-refundable application fee (waived if application is submitted electronically).
- High school transcripts and SAT or ACT scores are *not* necessary if 12 or more transferable college credits have been successfully completed.

Important Deadlines

December 1 – Spring Semester

- Transfer students who wish to apply for the spring semester should submit their application and supporting documents by December 1 and are notified of a decision on a rolling basis.
- Applications submitted after December 1 are reviewed on a space available basis.

July 1 – Fall Semester

- Transfer students are encouraged to apply as early as possible. The application and supporting documents should be submitted by July 1. Admission decisions are made on a rolling basis.
- Applications submitted after July 1 are reviewed on a space available basis.

Upon admission to Lynn University, students will receive an evaluation of transfer credits provided by the Office of the Registrar. Admitted applicants should submit a deposit to reserve a place in the class. This deposit is credited to the student's account and is non-refundable after May 1 for fall semester applicants.

Transfer credit is awarded for courses successfully completed at a regionally accredited institution or an institution whose accrediting organization is recognized by the Council for Higher Education Accreditation (CHEA).

Official transcripts from each institution attended must be submitted in order for the Office of the Registrar to complete a formal transfer evaluation. Courses completed outside of the United States require students to submit an official foreign credential evaluation and translation along with their official transcripts. Each transfer evaluation is reviewed by the Office of Academic Affairs and/or appropriate college faculty.

A course evaluated as equivalent to a Lynn course is accepted as that course. A course evaluated as inequivalent is accepted as an elective. If a preliminary evaluation is completed for a student based on an unofficial transcript, that evaluation will not be considered final until official documentation is received and reviewed for accuracy.

Although credits transfer in from other institutions, grades do not. Transfer courses are listed on the transcript with a grade of "T." A student's Lynn grade point average is based solely on courses completed at Lynn University. Transfer students must complete a minimum of 30 credit hours at Lynn University.

International Students

International students are important and vital members of the Lynn community; they comprise approximately 25 percent of the student body.

You are considered an undergraduate international student if one of the following statements applies to you:

- You're a citizen of a country other than the U.S. and your passport is from that country
- You're a U.S. citizen and your home address, high school or university is outside of the U.S.
- You're a permanent resident of the U.S. and your home address, high school or university is outside of the U.S.

International First-Year Students

Application Procedures

Applicants should submit the following:

- Submitted application form (www.lynn.edu/international). In addition to the Lynn University application, the Common Application and the Universal College Application are also accepted.
- Personal statement
- Official transcripts from each secondary school attended and official report of scores from all national school leaving examinations, if applicable. All educational documents must be accompanied by certified English translations, and documents submitted must carry the seal or stamp of the issuing educational institution. Uncertified photocopies are not acceptable.
- Official SAT or ACT scores. Lynn University's school code for the SAT is 5437; the school code for the ACT is 0706. Students applying as test optional are not required to submit standardized test scores. (If you're a first-year student and you are home-schooled, then you are required to submit standardized test scores.)
- Letter of recommendation from a school guidance counselor or teacher. The recommender should comment on the student's academic performance, determination and motivation.
- Official TOEFL, IELTS or PTE Academic test scores if English is not the applicant's first language. Applicants with a minimum TOEFL score of 71 (Internet-based), a minimum IELTS score of 6.0 or a minimum PTE Academic score of 50 will be considered for admission. To register, contact TOEFL (www.toefl.org), IELTS (www.ielts.org) or PTE (www.pearsonpte.com). Lynn University's school code for TOEFL is 5437. Consideration for acceptance to Lynn University or the Pathway Program may be given to students who fall slightly below Lynn University's TOEFL/IELTS/SAT/PTE English requirement. These cases will be reviewed on an individual basis by the Office of Admission.
- \$45 non-refundable application fee (waived if application is submitted electronically).

Important Deadlines

Final acceptance is contingent upon successful graduation from high school. A final transcript with proof of graduation is required.

International Transfer Students

Application Procedures

A transfer student is someone who has attended another college or university after graduating from high school. Students with fewer than 12 transferable credits need to follow the application procedures outlined for first-year students. Transfer applicants should submit the following:

- Submitted application form (www.lynn.edu/international). In addition to the Lynn University application, the Common Application and the Universal College Application are also accepted.
- Personal statement
- Official transcripts from each college or university attended. All educational documents must be accompanied by certified English translations, an official evaluation from a NACES approved credential evaluator, and documents submitted must carry the seal or stamp of the issuing educational institution. Uncertified photocopies are not acceptable.
- Dean of students certification and recommendation form signed by the dean of students at candidate's current or most recent college/university attended.
- Official TOEFL or IELTS test scores if English is not the applicant's first language. Applicants with minimum TOEFL score 71 (Internet-based), a minimum IELTS score of 6.0 or a minimum PTE Academic score of 50 will be considered for admission. To register, contact TOEFL (www.toefl.org), IELTS (www.ielts.org) or PTE (www.pearsonpte.com). Lynn University's school code for TOEFL is 5437. Consideration for acceptance to Lynn University or the Pathway Program may be given to students who fall slightly below Lynn University's TOEFL/IELTS/SAT/PTE English requirement. These cases will be reviewed on an individual basis by the Office of Admission.
- \$45 non-refundable application fee (waived if application is submitted electronically).

Important Deadlines

December 1 – Spring Semester

- Transfer students who wish to apply for the spring semester should submit their application and supporting documents by December 1 and are notified of a decision on a rolling basis.
- Applications submitted after December 1 are reviewed on a space available basis.

July 1 – Fall Semester

- Transfer students are encouraged to apply as early as possible. The application and supporting documents should be submitted by July 1. Admission decisions are made on a rolling basis.
- Applications submitted after July 1 are reviewed on a space available basis.

Upon admission to Lynn University, students will receive an evaluation of transfer credits provided by the Office of the Registrar. Admitted applicants should submit a deposit to reserve a place in the class. This deposit is credited to the student's account and is non-refundable after May 1 for fall semester applicants.

Transfer credit is awarded for courses successfully completed at a regionally accredited institution or an institution whose accrediting organization is recognized by the Council for Higher Education Accreditation (CHEA).

Official transcripts from each institution attended must be submitted in order for the Office of the Registrar to complete a formal transfer evaluation. Courses completed outside of the United States require students to submit an official foreign credential evaluation and translation along with their official transcripts. Each transfer evaluation is reviewed by the Office of Academic Affairs and/or appropriate college faculty.

A course evaluated as equivalent to a Lynn course is accepted as that course. A course evaluated as not equivalent is accepted as an elective. If a preliminary evaluation is completed for a student based on an unofficial transcript, that evaluation will not be considered final until official documentation is received and reviewed for accuracy.

Although credits transfer in from other institutions, grades do not. Transfer courses are listed on the transcript with a grade of "T." A student's Lynn grade point average is based solely on courses completed at Lynn University. Transfer students must complete a minimum of 30 credit hours at Lynn University.

The I-20 Form

International students requiring an F-1 student visa must meet all of the requirements outlined above. Once admitted, students must also submit the following documents for the I-20 Form (Certificate of Eligibility) to be issued:

- Completed Certification of Finance form accompanied by a bank letter or bank statement on bank letterhead, signed and dated by a bank representative.
- Copy of the biographical page of the applicant's passport. Note: This requirement does not apply to U.S. Citizens or U.S. Permanent Residents who are required to submit a notarized copy of their Permanent Resident Card (green card).
- Completed Transfer Eligibility Form. All international students who are currently studying in the United States on an F-1 student visa are required to submit this form.

Once all of the necessary documents have been submitted, students will be issued the I-20 Form. This form, as well as a valid passport and financial certification, must be presented at the nearest U.S. Embassy or Consulate in the student's country of residence to obtain the required F-1 student visa for study in the United States.

The Pathway Program

The Pathway Program provides undergraduate students a study program that combines English language training and academic course credits. This approach enables students a smooth transition into American university life. The Pathway Program is designed for applicants who score between 45 and 50 on the TOEFL (internet-based) or between 4.5 and 5.5 on the IELTS, and who meet all other university requirements. Students who are interested in applying for the Pathway Program should contact the Office of International Admission.

Test Optional Admission

First-year students may apply for admission to Lynn University without submitting official SAT or ACT test scores. While the Office of Admission recognizes that standardized tests accurately measure aptitude for many students, tests of this nature may not always reflect a student's true potential. The university welcomes motivated students who will commit to becoming an active participant in their education and who will thrive in a highly individualized learning environment. Students who choose to apply test optional will be evaluated holistically with consideration given to their high school grade point average, strength of curriculum, progression of courses taken, letters of recommendation, and through an interview process if deemed necessary. First-year students who are homeschooled must submit standardized test scores.

Institute for Achievement and Learning

After acceptance to the university, students wishing to enroll in the Institute for Achievement and Learning (IAL) must also submit:

- A current (within three years) psychoeducational testing (such as WISC/WAIS) or educational testing (such as the Woodcock Johnson – WJ). (All testing is housed confidentially by the Institute for Achievement and Learning.)

The Institute for Achievement and Learning offers students with learning differences an extraordinary opportunity to achieve at the college level. The menu of academic support services provides motivated students with learning differences additional academic support while promoting independent learning and academic achievement as students work toward completing a university degree.

For additional information regarding the Institute for Achievement and Learning, please refer to Chapter VII, Academic Support Services.

Conservatory of Music

In addition to the general academic requirements for admission to Lynn University, applicants to the Conservatory of Music are required to audition and fill out a separate Conservatory application through Acceptd (app.getacceptd.com/lynn). The Conservatory application contains audition scheduling information and electronic recommendation forms that can be emailed to recommenders. Contact the Conservatory directly for additional information (music@lynn.edu).

Additional Admission Procedures and Contact Information

Admitted applicants should submit a deposit to reserve a place in the class. This deposit is credited to the student's account and is non-refundable after May 1 for the fall semester. The New Student Enrollment Guide, available online for admitted students, contains valuable information and important materials that will need to be

reviewed carefully. There are several forms that must be filled out and returned to the appropriate university department prior to arrival for orientation. If questions arise prior to their arrival on campus, students are encouraged to contact the appropriate offices at any time.

Placement and Testing

Advanced Placement (AP)

Lynn University welcomes applicants who have taken College Board Advanced Placement examinations. Students with a score of 3 or higher on an official AP exam will be awarded credit upon receipt of official AP score report from the College Board. Actual course equivalency will be assigned by the registrar. Other advanced programs may be considered for credit on an individual basis and with proper documentation. AP information is available on the College Board Web site (www.collegeboard.org).

International Baccalaureate (IB)

Lynn University reviews, evaluates and accepts International Baccalaureate (IB) higher level credentials for possible transfer credit on an individual basis in the context of a student's proposed area of study. The credit amount and placement level are subject to approval. Course credit is generally granted for each higher level (HL) examination passed with a score of 4 or higher in courses comparable to Lynn University courses and appropriate to the degree program. Credit is awarded only for courses at the higher level; no credit is awarded for IB standard level (SL) examinations, regardless of the scores earned. Lynn University recognizes the academic excellence of students participating in the IB program, and students who receive a full IB diploma with a score of 30 or higher may receive 30 credit hours at Lynn University.

Cambridge A-Level Exams

Lynn University reviews, evaluates and accepts Cambridge A-Level and AS-Level exams taken individually or under the umbrella of the AICE Diploma for possible transfer credit on an individual basis in the context of a student's proposed area of study. The credit amount and placement level are subject to approval. Course credit is generally granted for each A and AS level examination passed with a grade of A to E in courses comparable to Lynn University courses and appropriate to the degree program. For more information regarding specific equivalencies to Lynn University courses, visit www.lynn.edu/academics/prior-academic-credits.

College Level Examination Program (CLEP)

University credit also may be earned by taking the College Level Examination Program (CLEP) tests. Students may earn up to 30 credits from the general examination. CLEP information is available on the College Board Web site (www.collegeboard.org).

Music Placement Exams

Placement exams are given in music theory, ear training, secondary piano (non-pianists) and keyboard skills (pianists) to determine placement of students in appropriate classes and to award credit for those courses in which students meet the minimum requirements. Students earn degree credit for successfully passing placement exams. Placement exams are held during fall orientation and at the beginning of the spring semester if needed. Placement exams may be taken only once by each student.

Additional Admission Options

Early Admission

Students who wish to enter Lynn University directly after the 11th grade may apply for Early Admission if their guidance counselor recommends such action and their school permits. Students wishing to pursue this option should consult with the Office of Admission early in the 11th grade.

Dual Enrollment

Lynn University's Dual Enrollment Program offers high school juniors and seniors an opportunity to take undergraduate day courses for college credit. Admission requirements include: high school junior or senior status, a GPA of 3.0 or higher, recommendation by the high school principal or his/her designee and a Dual Enrollment Program application. Students may earn up to seven credit hours per semester and must maintain a minimum GPA of 2.0. Students in the program have access to Lynn University resources, including the library. Students' grades will be posted to official Lynn University transcripts and be available for transfer to other colleges and universities. Tuition for this program is offered at a reduced rate.

3-Year Bachelor's Degree

Students who demonstrate a high level of academic achievement during their high school career and are highly motivated may be invited to enter Lynn's accelerated bachelor's degree program. Students enrolled in this program will take part in an accelerated bachelor's degree program and graduate with an undergraduate degree in three years. This program is available to all majors except music and education.

3+1 + Master's Degree

Students who successfully complete the accelerated bachelor's degree program are encouraged to apply for the graduate program and complete a master's degree in their fourth year. This program enables students and their families to save money on the cost of tuition while obtaining both an undergraduate and graduate degree in the time it takes to complete a traditional 4-year undergraduate degree. Please note: music and applied psychology clinical track are two-year graduate degree programs.

II. iLYNN DIVISION

General Information

The iLynn program serves adult students who are seeking to complete a bachelor's degree in a format that fits their life and schedule. The iLynn program operates on an accelerated schedule of six alternating seven- and eight-week terms throughout the year, taught online.

To validate professional competencies working adults accumulate outside the classroom, these students may earn up to 30 credits for work experience through the portfolio credit process. Students pursuing portfolio credits can meet with the assigned academic advisor or enroll in CAEL 100 to develop a

portfolio demonstrating the required learning outcomes for the course in which the student is seeking to receive portfolio credit. Approved general education courses from Straighterline will also be accepted for transfer credit.

Credit hours are earned through distance learning instruction and transfer credits. At the bachelor's level, certain military service course credits (DANTES), CLEP (College Level Examination Program), ACE (American Council on Education), FDLE (Florida Department of Law Enforcement), Series 7 License and other professional certifications may qualify for academic credit. Students with transfer credits will receive a credit evaluation prior to enrolling.

Application Procedures

Applicants should submit the following:

- Submitted application form. (www.lynn.edu/apply)
- Official transcripts from all institutions of higher learning (for transfer students) or official high school transcripts or GED score report.
- Personal statement.
- \$45 non-refundable application fee.

Upon admission to Lynn University, transfer students will receive an evaluation of transfer credits provided by the Office of the Registrar. Transfer credit is awarded for courses successfully completed at a regionally accredited institution or an institution whose accrediting organization is recognized by the Council for Higher Education Accreditation (CHEA).

Official transcripts from each institution attended must be submitted in order for the Office of the Registrar to complete a formal transfer evaluation. Courses completed outside of the United States require students to submit an official foreign credential evaluation and translation along with their official transcripts. Each transfer evaluation is reviewed by the Office of Academic Affairs and/or appropriate college faculty.

A course evaluated as equivalent to a Lynn course is accepted as that course. A course evaluated as not equivalent is accepted as an elective. If a preliminary evaluation is completed for a student based on an unofficial transcript, that evaluation will not be considered final until official documentation is received and reviewed for accuracy.

Although credits transfer in from other institutions, grades do not. Transfer courses are listed on the transcript with a grade of "T." A student's Lynn grade point average is based solely on courses completed at Lynn University. Transfer students must complete a minimum of 30 credit hours at Lynn University.

International applicants must also provide:

- Official TOEFL/IELTS/PTE Academic scores if English is not the applicant's first language. Applicants with a minimum TOEFL score of 71 (Internet-based), a minimum IELTS score of 6.0 or a minimum PTE Academic score of 50 will be considered for admission. To register, contact TOEFL (www.teofl.org), IELTS (www.ielts.org) or PTE (www.pearsonpte.com). Consideration may be given to students who fall slightly below Lynn University's TOEFL/IELTS/PTE Academic English requirement. These cases will be reviewed on an individual basis by the Office of Admission.
- International Transcript Evaluation and course equivalency report for students who have attended schools outside of the United States.

The I-20 Form

International students requiring an F-1 student visa must meet all of the requirements outlined above. Once admitted,

students must also submit the following documents for the I-20 Form (Certificate of Eligibility) to be issued:

- Completed Certification of Finance form accompanied by a bank letter or bank statement on bank letterhead, signed and dated by a bank representative.
- Copy of the biographical page of the applicant's passport. Note: This requirement does not apply to U.S. Citizens or U.S. Permanent Residents who are required to submit a notarized copy of their Permanent Resident Card (green card).
- Completed Transfer Eligibility Form. All international students who are currently studying in the United States on an F-1 student visa are required to submit this form.

Once all of the necessary documents have been submitted, students will be issued the I-20 Form. This form, as well as a valid passport and financial certification, must be presented at the nearest U.S. Embassy or Consulate in the student's country of residence to obtain the required F-1 student visa for study in the United States.

III. GRADUATE DIVISION

General Information

The graduate programs at Lynn University focus on career and professional development, application of knowledge bases, clarification and development of professional and personal values, and the enhancement of intellectual and professional skills. As such, the graduate programs reflect increasing levels of complexity, requiring students to analyze, examine, question, synthesize and conduct research; to think creatively and problem solve; to develop appropriate communication and information technology skills; and to engage in active, collaborative and individual learning activities.

The graduate programs are organized within several colleges or are interdisciplinary. Each college is headed by a dean and has a program coordinator. The various graduate units cooperatively seek students whose maturity, academic ability, motivation and discipline qualify them for admission into the graduate programs of Lynn University.

Admission to a graduate program is based on submission of all required documents, including an application. Each graduate discipline requires specific skills and documents depending upon the focus of the program. Undergraduate prerequisites are required for specific programs, including the M.B.A. and the M.Ed. The Office of Admission or the graduate departments will guide applicants in meeting the requirements for individual graduate degrees (www.lynn.edu/graduate). Also, students should consult the departmental listings in this catalog.

It is the student's responsibility to ensure that all required application materials are forwarded to the Office of Admission in a timely manner. If required, test scores must be received directly from the testing organization. All graduate applicants must submit undergraduate and graduate transcripts of all academic course work attempted. Transcripts must be official and sent directly from the issuing institution. Letters of recommendation will only be accepted if they are written by a supervisor or professor. Doctoral candidates have additional requirements including a personal interview.

Application Procedures

Applicants should submit the following:

- Submitted application form. (www.lynn.edu/apply)
- Current résumé.
- Official transcripts from all institutions of higher learning.

- One letter of recommendation from an employer or professor.
- Personal statement.
- \$45 non-refundable application fee.

For students applying for the Professional MBA program in Delray Beach, the resume must demonstrate at least four years of post-graduate experience. An admission interview in person or via Skype is also required.

International Graduate Students

Application Procedures

In addition to all of the application requirements for graduate certificate, master's and doctoral degree programs, international graduate applicants must also submit:

- Official International Transcript Evaluation and Course Equivalency Report.
- Official TOEFL/IELTS/PTE Academic scores if English is not the applicant's first language. Applicants with a minimum TOEFL score of 550 paper-based, 213 computer-based or 80 internet-based, a minimum IELTS score of 6.5 or a minimum PTE Academic score of 55 will be considered (not required for Professional Performance Certificate applicants). Consideration may be given to students who fall slightly below Lynn University's TOEFL/IELTS/PTE Academic English requirement. These cases will be reviewed on an individual basis by the Office of Admission.

The I-20 Form

International students requiring an F-1 student visa must meet all of the requirements outlined above. Once admitted, students must also submit the following documents for the I-20 Form (Certificate of Eligibility) to be issued:

- Completed Transfer Eligibility Form. All international students who are currently studying in the United States on an F-1 student visa are required to submit this form.

Once all of the necessary documents have been submitted, students will be issued the I-20 Form. This form, as well as a valid passport and financial certification, must be presented at the nearest U.S. Embassy or Consulate in the student's country of residence to obtain the required F-1 student visa for study in the United States.

The Pathway Program

The Pathway Program provides graduate students a study program that combines English language training and academic course credits. This approach enables students a smooth transition into American university life. The Pathway Program is designed for applicants who score a 71 on the TOEFL (internet-based) or a 6.0 on the IELTS, and who meet all other university requirements. Students who are interested in applying for the Pathway Program should contact the Office of International Admission.

Graduate Financial Aid

- U.S. citizens and resident aliens may apply for all U.S. subsidized financial aid programs by visiting

www.fafsa.ed.gov. Lynn University's FAFSA Code is 001505. Questions regarding financial aid may be directed to the Student Financial Services Office at 561-237-7185 or financialaid@lynn.edu.

- International students are *not* eligible for U.S. federal or state aid.
- A limited number of graduate assistantships are available, and the selection process is very competitive. Visit www.lynn.edu/studentjobs to apply.

Non-Degree-Seeking Students

Application Procedures

Applicants should submit the following:

- Completed graduate application form and \$45 non-refundable application fee.
- Official transcripts with proof of an earned bachelor's degree from an accredited or internationally listed university.
- Additional documents may be required, and the applicant will be notified accordingly.

Note: Non-degree enrollment is limited to a maximum of nine credit hours, with the exception of those individuals seeking an ESOL endorsement.

Graduate Re-enrollment

Please refer to page 58 for information regarding re-enrollment.

IV. ADDITIONAL ADMISSION INFORMATION

As a learning centered institution, Lynn University welcomes students from a variety of academic backgrounds and abilities.

Note: Please see page 49 for specific academic policies regarding ADA policies and procedures.

Reservation Agreements

Students enrolling at Lynn University do so with the understanding that they are in agreement with, and subject to, the following reservations by the university:

- Lynn University reserves the right of final decision in accepting candidates for admission. The student is subject to dismissal for submitting false or misleading information.
- The university reserves the right of final decision regarding course requirements for any degree program offered by the university and the content of individual courses.
- Enrolled students will abide by all Lynn University regulations and comply with all local, state and federal laws. The university reserves the right to suspend or dismiss students for violations of regulations. In such instances, tuition and fees paid to the university will not be refunded.
- Attendance at Lynn is a privilege granted solely by the university. The university reserves the right to withdraw, dismiss or suspend at any time a student whose conduct is deemed inconsistent with the standards, policies, rules and regulations of the university.

Notice: Lynn University makes every effort to assure completeness and accuracy in the catalog. However, due to the inevitable changing nature of listings and policies from year to year, possible errors, misprints or omissions may occur, for which the university shall not be held liable.

The provisions of this catalog are not to be regarded as an irrevocable contract between the student and the university. The university reserves the right to change any provision or

requirement, including fees, contained in this catalog at any time with or without notice.

Chapter V.

Financial Information

UNDERGRADUATE INFORMATION

All student charges must be paid in full before the student is allowed to register or attend classes. ALL STATEMENTS OF ACCOUNT ARE DUE AND PAYABLE IN FULL ON OR BEFORE THE DATE SHOWN ON THE STATEMENT. Since the university incurs many expenses of a continuing nature, such as salaries and maintenance, it is essential that the annual income from tuition and fees be assured in order to plan and maintain these services over the entire academic year. For this reason, it is understood that students are enrolled for the entire academic year or such portion as remains after the date of entrance. Furthermore, the university will not issue a diploma or transcript until all financial obligations have been satisfied. The university reserves the right to change, with or without notice, any of the fees printed in this catalog, and increases should be expected in subsequent years.

Financial aid from third parties will not arrive before the expiration of prepayment deadlines. Therefore, individuals who would like to receive the tuition discount must pay the full tuition within the specified time frame and wait for a refund that will be generated by the receipt of financial aid. Institutional aid awarded by Lynn University will not be considered prepayment of tuition when computing the tuition discount.

Lynn University Payment Arrangements

Discount Plans

Family Discount—Applies to immediate family members who are enrolled in credit-bearing classes during the same term. Two family members—10 percent discount for each for on campus courses and 5% discount for online evening undergraduate courses. Three family members—15 percent discount for each. The discount is calculated after any institutional aid is applied. It is applied against the balance of payable tuition. This is available for the day and iLynn programs.

Early Payment Discount—Applies to iLynn students who have paid in full 30 days before the term commences. Registered for one 3 credit class—\$50 discount. Registered for two 3 credit classes—\$100 discount.

Corporate Reimbursement—All students on a corporate reimbursement program can enroll in the Installment Payment Plan, pay upfront out of pocket or utilize federal loans if eligible. Regardless of the method of payment, students must submit their company's educational reimbursement policy to the SFS office each year and payment must be made within 30 days from the last day of the current term.

iLynn Criminal Justice Discount - iLynn degree seeking undergraduate students majoring in Criminal Justice may qualify for a discount of 15% per credit hour. The applicant must meet one of the following criteria: is sworn as a law enforcement officer for a municipal, state, or federal agency or is employed in the administration of police or security work at the municipal, state, or federal level or through a private agency engaged in the protection of life or property. For discount approval, the student must submit a current employment verification letter to the Office of Student Financial Services each year.

Corporate Partner Discount - iLynn or graduate students employed full-time at a corporation that is a Lynn Corporate Partner may be eligible for a discount. The University will provide a twenty (20%) percent tuition reduction per credit hour for on campus courses and 5% for online undergraduate courses and waive the admission application fee for any employees of a corporate partner who meets the university's criteria for admission, and who enroll in a graduate or evening degree or certificate program. The reduction will apply against the then current tuition price in effect for each credit. The reduction applies to course tuition only. All other cost (labs, books, CLEP exams) and charges will be billed, at the full rate, to the employee of the organization as applicable. University reserves the right to change tuition, program, costs, curriculum, regulations, program dates and eligibility, and to make additional charges for special features and services whenever such actions are deemed advisable.

Educations Partner Tuition Discount - Graduate students that are alumni of institutions that are an Education Partner of Lynn University may be eligible for a discount. The University will offer alumni of an Educational Partner a ten (10%) percent tuition reduction, per credit hour for on campus courses and 5% for online undergraduate courses, on Adult/Graduate programs, and waive admission application fee, for students who meet the University's criteria for admission. The reduction will apply against the then current tuition price in effect for each credit. The reduction applies to course tuition only. All other costs (labs, books, CLEP exams) and charges will be billed at the full rate to the student as applicable. The University reserves the right to change tuition, costs, programs, curriculum, regulations, program dates and eligibility requirements, and to make additional charges for special features and services whenever such actions are deemed advisable.

Statement of Accounts

No paper statements are mailed to the student. Students will receive an e-mail to their Lynn e-mail address when their statement is available for viewing. Students may authorize their parents or bill payer to receive the e-mail by setting them up with a username and password under the MyLynn Student Finances tab. Once signed into MyLynn, go to Student Finances, select My Account on the left hand side and then "go to CashNet" link go to "Your Account" link to add new authorized user or go to "view bills" link to view statement of account ebill.

Submitting Payments

Payments are accepted in cash, check, money order, credit card or electronic wire transfers in U.S. dollars only. Credit cards that are accepted: MASTERCARD, AMERICAN EXPRESS, VISA and DISCOVER. Please include the student's Lynn University identification number with all payments. Certain foreign currencies are accepted online at www.lynn.edu/ebill. Payments may be submitted by:

By Mail:

Cashier
Lynn University
3601 North Military Trail
Boca Raton, FL 33431

On Line: www.lynn.edu/ebill

By Wire: See the wiring instructions at www.lynn.edu/waystopay

To help ensure that the appropriate student's account is credited on a timely basis, include the student's name and Lynn University student identification number on wiring instructions please fax confirmation to the Office of Student Financial Services at 561-237-7189 or hand deliver to the Cashier's Office.

Credit Card Payments

Payments made using a domestic credit card are only available online and will incur a 2.75 percent convenience fee. Payments made by an international credit card will incur a 4.25 percent convenience fee. This will appear as a separate charge on your credit card statement. These convenience fees are non-refundable, in the event of an over payment.

Wire Payments

Funds received through a wire must be for the amount due on the student account. If payment is received that exceeds the amount due, these funds will be credited to a future semester to cover anticipated tuition and related fees. If a refund is requested by the family, it will be refunded only to the issuing party, using the same wire instructions as the original disbursement. If the payment received at the University is less due to bank fees, the student is responsible to pay the shortage to the university. Any request for a credit balance refund will only be processed for a maximum amount that is estimated for books, room and board and costs for the current term for a commuter student.

Monthly Payment Program

Parents/students who prefer to pay educational costs out of their monthly income may do so through Higher One Installment Payment Plan.

There are 5 plans. Two plans for daytime students and three plans for iLynn and graduate program students. There is a \$35 enrollment fee per plan. Students may apply by logging into myLynn, click Student Finances, click on My Account, select Go to Cashnet link and then click Installment Payment Plans section. Students will need to set up authorized users for anyone to have access to ebill or the Installment Payment Plan sections. Plans will open at least one month prior to plan start dates. See the Lynn website for specific dates.

Tuition Refund Plan

Lynn University has arranged with A.W.G. Dewar, Inc. to offer the Tuition Refund Plan to day students and parents to minimize the financial burden of losses incurred when a student suffers a serious illness or accident and has to leave Lynn before completing the semester. These circumstances usually mean the loss of time invested in studies and the loss of the semester's costs. This insurance program provides full coverage for tuition and room and board charges.

The plan's coverage is designed to extend the university's published refund policy. If a student withdraws because of a medical/physical illness or accident, medical or psychological illness the plan returns 75 percent of the insured semester tuition as well as room and board, provided the student has completely withdrawn from all classes for any condition whose diagnosis is found in the DSM-IV Manual.

Note: This plan is only available for day students.

The cost for the year is a one-time payment of \$331 for a resident student and \$247 for a commuter student. All students will be billed through the Lynn University Student Accounts office. Special fees, such as Institute Achievement Program fee or mandatory fees such as technology and student services fees are not covered under this plan.

Students who wish to waive out of this plan must complete a waiver form prior to September 1, 2017.

Further information is available at www.collegerefund.com. If you have any questions, contact A.W.G. Dewar directly at 617-774-1555.

Student Course Load

Undergraduate Day Semester students can enroll each semester in a minimum of nine credit hours to a maximum of 16 credit hours. There is a charge for the additional credit hours (overload) at a tuition rate of \$1,020 per credit hour. Approval from the Vice President for Academic Affairs is required for more than 18 credits for the semester.

Students requesting a special exception to enroll in the Day Division for less than 12 credit hours must file a part-time approval form in the Student Financial Services Office. A student enrolling in day terms and iLynn terms simultaneously will be assessed the full-time daytime rate if the combination of credit hours add up to 9-16 undergraduate credit hours. Graduate level courses are assessed additional costs and are above the undergraduate costs. Graduate credit hours cannot be combined with the undergraduate hours for billing purposes. The full-time tuition rate is \$17,630 per semester.

Drop/Add Process/Overload

Students are permitted to drop/add prior to the beginning of the term without any penalty toward the regular daytime tuition charge. Once the term has begun, fees will be assessed. Additional changes will be determined by the end of drop/add process by the following dates:

Day Students:	September 1, 2017
	January 26, 2017
	May 15, 2017

By the above dates, students will be billed for the credits as of this date for the remainder of the semester. Any courses added subsequently will be assessed at the full rate. Drops will not be permitted after these dates for that term, but the student may wish to withdraw from the course. In those instances, there will not be any credit assessed on fees for course withdrawals.

iLynn and Graduate Students:

On the first day of the term, the tuition is fully charged for all courses enrolled. If the course is subsequently dropped during the drop/add period, the student will be entitled to a 90 percent credit

on tuition on the dropped course. After the drop/add period, all tuition remains as assessed. There will not be any credit assessed on fees for course withdrawals.

J-Term:

The cost of J-Term is included in the full time undergraduate day tuition rate for spring semester only. Students who do not attend/enroll as a full time undergraduate day student during the spring semester, but attend J-Term, will be charged separately for the J-Term. The J-Term will be billed at a per credit hour rate of \$1,020. Students who do not attend/enroll as a full time undergraduate day student during the spring semester but live on campus during J-Term will also be billed a housing fee of \$1,140 for J-Term.

Technology Fee

(Mandatory)

New Resident Student: \$375 per semester
Returning Resident Student: \$475 per semester
New Day Student (Commuter): \$200 per semester
Returning Commuter Student: \$300 per semester

This fee is for e-mail address, iPad use and Internet access. E-mail addresses may be obtained from the Information Technology Help Desk located in the Library 2nd Floor.

Student Services Fee (Mandatory)

Resident or Commuter Student: \$500 per semester

This fee is assessed to all students. It covers the use of the library, fitness center and pool. It also pays for intramurals, student activities and student government and provides funds for the Student Finance Committee.

Course Materials Fee (New Student)

This is a one-time charge for new full time undergraduate students for the first semester of attendance that will cover the Lynn-created iBooks and required apps for the Undergraduate Program.

Summer Session 2018

The day program tuition rate is \$1,020 per credit hour. Students may take up to six credit hours. The day program Summer internship rate is also \$400 per credit hour.

Room and Board Fee

The room and board fee covers the room, residence, electricity, water, maintenance of furniture and unlimited meals throughout the week. All resident students are charged a meal plan whether or not they choose to eat. Students have the option to upgrade from silver to gold or platinum at an additional charge. Commuter students wishing to purchase a meal plan may do so at the Cashier's office. Block Plans are available at 25 for \$160 plus sales tax, 50 for \$292 plus sales tax, and 75 for \$410 plus sales tax. Unused meals are non-refundable.

Residence Hall Fees

If a student is locked out of his/her room after the initial lockout, a \$25 charge will be assessed to the student's account for each lockout.

- Any room change without the written approval of the Office of Residence Life will be subject to a fine of \$50 for an improper check-out.
- Any student who is approved by the Director of Housing and Residence Life for release from their housing contract via the Housing Contract Appeal Process or is removed for student conduct reasons is

subject to a \$250 contract release fee. Students who transfer or withdraw from the University after August 1, 2017 for Fall 2017 semester or January 4, 2018 for Spring 2018 semester will be charged the contract release fee. If a student does not claim their assigned Residence Hall space by 5:00 pm on the first (1st) day of classes for the Fall and Spring semesters, per the published dates on the 2017-2018 Academic Calendar and the assigned space will be charged the \$250 contract release fee and the assigned space may be released and reassigned to another individual.

- Academic Calendar, the assigned space may be released and reassigned to another individual. Students who are subject to the two year residency requirement will be charged in full for the space. Students who are no longer subject to the two year residency requirement will be charged the Contract Release Fee.
- Students will be charged replacement costs for the items missing or damaged from their rooms.
- Students may be charged for damages in common areas that occur during the period they are assigned to a room. If damage occurs and the individual responsible will not come forward or cannot be determined, all residents of the affected living unit may share equally in the cost of repairing damages.

Meal Plan Policy and Procedures

1. Lynn University offers three distinct meal plan options:
 - Silver unlimited meals per week with \$0 Lynn Bucks per semester and 3 guest passes
 - Gold unlimited meals per week with \$150 Lynn Bucks per semester and 6 guest passes
 - Platinum unlimited meals per week with \$300 Lynn Bucks per semester and 10 guest passes.
2. All resident students must participate in one of the above identified plans.
3. Students receiving a housing scholarship are required to participate in the Silver program.
4. Lynn Bucks are only redeemable in Perper Library Café, and Christine's.
5. One Lynn Buck is equal to one U.S. dollar.
6. The above Lynn Bucks values are per semester.
7. Unused Lynn Bucks do not carry over from one semester to the next.
8. Lynn Bucks are non-transferable and non-refundable.
9. The above plans are offered only in the fall and spring terms.
10. Matriculated non-residential students can purchase any of the above meal plan options.
11. Meal plans can be suspended by Office of Student Financial Services (SFS) for issues relating to student account balances. Students must contact SFS in regards to suspended meal plans.

Please note: Lynn University reserves the right to alter these terms and conditions as it deems appropriate.

International Students Insurance Fee

International students are required to carry injury/sickness insurance, which is provided by AHP. The estimated cost is \$1,297 per year.

Domestic Students Insurance Fee

All domestic students are required to carry health insurance. All students enrolled must complete the online health insurance verification process each year before the end of the drop/add period of the fall semester. Students who fail to complete the online health insurance verification process by the deadline will automatically be enrolled in the Lynn University Student Health Insurance Plan at a cost of \$1,297 for the academic year. No exceptions will be made.

To waive out, students must go to:

<http://www.studentinsurance.com/schools/FL/lynn>.

Institute For Achievement Program

This program requires the following special accommodations fees for each program component in addition to Day Division Full-Time Undergraduate Program tuition and fees. Entering freshmen students in the Institute for Achievement are required to be enrolled for the full year in Institute A, which includes their first and second semesters.

	Year	Semester
Institute A	\$11,750	\$5,875
Institute B	\$8,450	\$4,225
Institute C (Evening)	\$1,060 per term	

Non-freshmen students required to be in the program for the full year have until the end of the add/drop period to request to be reviewed to be withdrawn from the program in order to receive a full Institute for Achievement Program refund. After the drop/add period ends, there will not be any refund. Students enrolled in six credits or less will be charged one-half the Institute A or B semester rate, depending on their status.

Miscellaneous Fees

Course Audit Fee

The audit fee per course is \$750. A full time day undergraduate student will not be charged for auditing a course. Students not enrolled on a full-time basis will be charged an audit fee.

Laboratory Fees

Laboratory fees are charged for the use of computer labs and certain other lab courses and texts or supplies as listed in course descriptions and semester/term class schedules. Required field trips also are included. Fees per lab range from \$30 to \$750.

Mailbox Key Fee

A mailbox key is assigned to all mailboxes available in the university mailroom. If the mailbox key is not returned to the mailroom, each year at time of departure, a \$70 mailbox key replacement fee will be applied to the student account.

Apple iPad Tablet Fee Schedule

If applicable, the following charges may be applied to the student account as part of the iPad tablet program:

- iPad Pro Warranty Repair: \$50
- iPad Pro Damage (1st & 2nd): \$50
- iPad Pro Damage (3rd): \$500
- iPad Pro Damage (4th or higher): \$1,300
- Lost iPad Pro (1st): \$500
- Lost iPad Pro (2nd or higher): \$1,300
- Stolen iPad Pro (1st): \$500
- Stolen iPad Pro (2nd or higher): \$1,300
- Non-Return iPad Pro Keyboard: \$170
- Non-Return iPad Pro Pencil: \$100
- Non-Return iPad Pro Charging Adapter & Cable: \$50
- Late Returns of iPad Pro \$150 10-30 business days from exiting the University
- Late Returns of iPad Pro after 30 business days: up to \$1,300

Transcript/ Diploma Fees

There is no charge for an official transcript. These costs are covered by the Alumni Fund. Lynn University encourages all students to donate to the fund so that this service can be offered to future students. All student accounts must be paid in full before a transcript can be issued. Any loan exit requirements must be met as well as any loan default

statuses resolved before a transcript can be released. Any outstanding debt paid by other methods besides cash will have a two week waiting period before any official transcripts can be released.

There is no charge for a diploma. There is a \$50 cost for a replacement diploma. Payment for a replacement diploma can be made at lynn.edu/emarket.

Non-IAL Student Tutoring, Coaching, Writing Packages

Non-IAL students may enroll in services throughout the semester for tutoring, coaching, and writing center hours in various packages for additional lump sum fees. Packages vary from \$750 - \$2,950 for the semester. Once enrolled, there are no refunds on fees. Sign up for services is available in the Institute for Achievement and Learning in the Green Center.

Lynn Identification Card

Lynn University requires that all students have an identification card.

The Lynn ID card is required for the following services:

- Meal plans
- Access to Fitness Center
- Self inquiry/identification
- Library card
- Housing access, for those rooms equipped for card entrance
- Access to the campus after hours

All new students will pick up their card at orientation.

The Lynn Identification Card is only for the student. The student is not to give it to anyone else at any time.

To protect cardholders, university and dining staff will examine ID cards when presented to confirm that the card is being used by the person to whom it was issued.

Student's Responsibility

- Students will be responsible for any activity, service, or privilege occurring on their card if it was loaned or given to another person.
- The card must be presented upon request by a university official.
- It is never to be used as collateral.
- Lost or stolen cards need to be reported immediately to the Campus Card Office or Campus Safety Office.

Return Check Fee

All returned checks written to Lynn University or returned electronic checks are subject to a returned payment fee of \$20 per returned item. The student's account will be automatically billed for \$20.

Credit Balance Refunds

Any student account that has a credit balance on the account is eligible to have a refund processed. Families may choose to have the credit placed toward a future term or request that it be sent to their bank account. All refunds will be processed electronically.

Once requested, refunds normally require one to two weeks for approval and processing, from the time the credit is available on the account.

Students must complete a Refund Request form for each refund. The form is located at www.lynn.edu or in the Office of Student Financial Services located in the Green Center.

Lost Identification Card Fee

A lost or damaged card can be replaced with a \$25 fee. Students must go to the cashier to make their payment. If the lost card is found, please return it to the Campus Card office, as it will no longer be valid on campus.

Late Payment Fee for Preregistered Students

All Day Division students who are preregistered for courses must pay their student accounts by Aug. 1, 2017 for the Fall 2017 semester, by Dec. 1, 2017, for the Spring 2018 semester and by May 1, 2018 for the summer 2018 term. If payment is not received by the due date, there will be a late payment fee of \$500 assessed to the account for fall or spring semesters or \$100 for the summer term.

Finance Charges

A finance charge will be computed at the rate of 10 percent per annum on the unpaid balance of each student's account at the end of the preceding month, less any credits applied and payments received during that preceding month.

Financial Policy

If a student's account shows a past due balance of any nature, the university will not issue a transcript, diploma, certificate or recommendation to that student and will not allow the student to enroll for subsequent terms until the student's account is paid in full. Indebtedness is defined as any money or property owed to the university for any reason (i.e., lab fees, library fines, parking fines, unreturned health supplies or athletic equipment, etc.). Students are liable for all additional charges that are applied to the student account bill. Additional fees may include but are not limited to: health charges, club dues, library fines, parking tickets, residence hall fees, study abroad trips, etc. Students are liable for all additional fees accrued and/or elected by the student. Students are responsible for checking with the Office of Student Financial Services on questions of indebtedness.

The university may utilize the services of a collection agency to collect any amount past due and the student will be charged an additional amount equal to the cost of collection including costs and expenses incurred by Lynn University. The collection fee may be based on a percentage at a maximum of 33% of the debt, and all cost and expenses, including reasonable attorney's fees the University incurs in such collection efforts. It is also understood that the student authorizes the University and its respective agents and contractors to contact the student regarding repayment of their account at the current or any future number that the student provides for their cellular phone or other wireless device using automated telephone dialing equipment or artificial or pre-recorded voice or text messages.

Once an account has been turned over to a collection agency, collection activity ceases from Lynn University and the student will need to make any payment arrangements with the third party collection agency. The account may be reported to a credit bureau if balance not resolved immediately. Any payment received by a collection agency will require 5-10 business days for processing and reconciliation. Any financial hold will remain on the student account during this processing period. When payment is confirmed the financial hold will be removed from the student account.

Students who have left Lynn University with an outstanding balance and were turned over to a collection agency will need to contact the Director of Student Accounts, if they wish to re-enroll once the outstanding debt and collection fees have been paid. Lynn University reserves the right to deny payment plans based on previous payment history.

If the indebtedness is paid by other methods besides cash, there is a two week waiting period before any official documents are released.

Academic Transcript Release

Official academic transcripts will be withheld for failure to pay tuition, for default on an education debt, failure to repay an education grant overpayment, or not completing the federal mandatory loan exit counseling session.

In case of a bankruptcy, a student under an automatic stay will be an exception until the case is closed, dismissed, or a discharge is granted or denied.

In the case of withholding status, the university will allow the student to receive a single unofficial copy of the academic transcript. The transcript will be marked "Unofficial" on it.

In cases of payments from collection agencies and or checks, there is a 5-10 business day processing time for financial clearance and release of the official transcript.

Books

Textbooks may be purchased at the Lynn University Online bookstore with a credit card or the Lynn ID card using the Online Bookstore voucher. Students who have an existing credit on their student account or is estimated to have one, once financial aid is received will have a "line of credit" at the online bookstore two weeks prior to the beginning of the term through the drop/add period. Students should complete the Online Bookstore voucher form. This will permit the student to go directly to the Online bookstore to purchase their books and supplies and it will be charged to their student account by the Office of Student Financial Services. A large selection of school and personal supplies are also available at the Campus Store.

Graphics, Films and Video Supplies

Students matriculating in the College of International Communication and majoring in programs in Graphics and Visual Communications as well as Film and Video, may incur additional incidental expenses for production supplies. Normally, those expenses will run approximately \$200 per semester.

Flight Training Expenses

Students who elect the Flight Option will receive their ground school instruction on campus as part of the regular curriculum (i.e., Primary, Instrument and Commercial Flight Theory). Flight training is conducted at the nearby Boca Raton Airport under Part 141 of the CFRs. New students who elect the Flight Option in September will begin flight training approximately two to three weeks into the fall semester. Expenses are paid directly to Lynn University.

Flight training expenses can differ considerably from student to student because of varying proficiency levels. Therefore, estimated flight training costs are based upon what is considered a reasonable average of instructional hours for the majority of flight students. These costs reflect current flight instruction fees and aircraft rental rates, and are subject to change without notice.

Flying Rates are currently based on \$164 per hour for the C-172, \$340 per hour for the DA-42, \$50 per hour for the instructor (C-172), \$55 per hour for the instructor (DA-42), and \$80 per hour in the flight training device. These rates are subject to change at any time.

Private Pilot:	Hours	Per Hour	Total

 (Hours will vary dependent on the student's prior training)

Commercial Pilot Helicopter Add-on:	Hours	Per Hour	Total
Dual Instruction R-22	30	\$385	\$11,550
Pre/Post Flight Briefing	20	\$50	\$1,000
Supplies			\$100

Total for Private Certificate: \$12,650

Add-on Helicopter Training R-44 from 30 to 200 hours at \$565 per hour.
 (Hours will vary dependent on the student's prior training)

Federal Aviation Administration Designated Flight Examiners will administer all check rides. The examiner will collect a fee for the ground and air evaluations and all certificate paperwork.

Please visit www.lynn.edu or call for the current fees.

Flight Training Deposit

Students electing to obtain their flight certificates through the Burton D. Morgan School of Aeronautics must place a \$2,000 deposit on their flight training account specifically for flight training prior to beginning flight training in each certificate. Students may use this deposit to cover flight training costs. The student does not need to keep the full deposit amount on account. Any portion of the flight training deposit not used for flight training is fully refundable.

The curriculum lists the flight theory and related flight training course work in the first two years.

Students are not bound by this schedule and may complete their ratings at any time prior to graduation. However, students should schedule their flight training courses to coincide with the related ground school courses and should note that not all ground school and flight training courses are available every semester.

A new Flight Option student who already has a pilot's certificate and rating(s) can apply for and receive credit for equivalent courses in the curriculum. However, prior to the award of any credit, the chief flight instructor will administer the standard Part 141 diagnostic evaluation to determine whether any review (ground school or flight) is necessary. The flight school director has final authority over all flight-related credit awards. Students enrolling in Lynn University and pursuing pilot certificates and ratings outside the university's flight program will not receive credit for any equivalent flight courses in the curriculum.

Students are required to obtain personal liability coverage to protect them from liability costs that may occur as a result of operating an aircraft. No student will be allowed to fly until proof of liability coverage is placed in the student's record at Lynn University.

Computer Procedural Training Device (CPT Devices)

Students in the Flight Option who are enrolled in any of the three flight training courses may utilize the CPTs as required by the instructor. A lab fee will apply in accordance with the following scale:

Course Lab Fees

AVM 120 Primary Flight Theory and Training, Solo	\$100
AVM 121 Primary Flight Theory and Training, PPL	\$100
AVM 220 Instrument Flight Theory and Training, PPL	\$100
AVM 221 Instrument Flight Theory and Training, Advanced	\$100

Payment of the appropriate lab fee will entitle the flight student to use the CPTs during private pilot training at no additional charge. During instrument training, the student may use the CPTs as required by the syllabus at a discounted rate.

Payment of the appropriate lab fee will entitle the flight student to use the CPTs as required or recommended by the instructor, at no additional charge. If, however, the instructor determines the student needs instruction on the CPT to prepare for the next flight lesson, the appropriate instructor fee will apply. When using an instructor not employed by Lynn University, however, a \$30 per hour fee will apply.

Day Division Refund Policy

In cases of withdrawal from the university, a student must file a Request for Withdrawal form that establishes the date to which the university refund schedule applies. It is also the student's responsibility to make a written refund request to the Office of Student Financial Services before refunds will be made.

REFUNDS ARE CALCULATED ON THE BASIS OF TOTAL SEMESTER CHARGES PAYABLE AFTER DEDUCTIONS FOR NONREFUNDABLE DEPOSITS AND OTHER NONREFUNDABLE FEES SUCH AS LAB FEES, SERVICE AND TECHNOLOGY FEES.

If a student withdraws prior to 60 percent of the term, all Lynn University grants and scholarship funds will be prorated to the university accounts. This policy may result in a financial obligation that is payable to the university at the time of a student's withdrawal.

Return of Title IV Funds Policy

Title IV funds affected by this policy include: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Direct Subsidized Loan, Federal Direct Unsubsidized Loan, Federal Direct PLUS Loan, TEACH Grant and Federal Perkins Loan. Title IV funds are awarded to a student under the assumption the student will attend school for the entire period for which the assistance is awarded. When a student withdraws or when stops attending all of his or her classes for a two-week period, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive.

The university is required to calculate a "Return to Title IV Refund Calculation" if the student has stopped attending or withdrawn prior to completion of 60 percent of the term.

If Title IV financial aid has been used to pay for all or any portion of these charges, financial aid program funds will be reimbursed to the appropriate agency in accordance with a formula required by federal regulations. Unearned Title IV funds will be returned to the Title IV Programs based on the number of days not attended. The order of refunds will be: Federal Direct Unsubsidized Loan, Federal Direct Subsidized Loan, Federal Perkins Loan, Federal Direct PLUS Loan, Federal Pell Grant, Federal SEOG, Federal TEACH Grant and other Title IV aid programs.

This policy may result in a financial obligation that is payable to the university at the time of a student's withdrawal or when the school determines the student has stopped attending classes.

Example: Student receives a Federal Pell Grant for \$2,000 and a Federal Direct Loan for \$1,930 for the semester. Student attends three weeks into the term. This represents only 20 percent attendance of the term. Therefore, a Return to Title IV Calculation must be computed. Student would lose \$1,930 for their Federal Direct Loan and \$1,214 of their Federal Pell Grant. The student will owe this amount to the university as charges would not be adjusted after 25 days into the semester.

Leave of Absence (LOA)

The student may request a medical Leave of Absence from study in an undergraduate degree program. The student must receive approval from the Dean of Students. Each student may request up to one year of leave. Students receiving federal financial aid will be treated as a "withdrawal" for funds recalculations and funds will be returned to the appropriate agencies, if applicable. For financial aid purposes, the Lynn LOA does not meet the federal definition of eligibility and therefore the institutional Leave of Absence will be considered as a withdrawal from the University. This may cause a financial obligation to be due to Lynn upon exiting the University and for the student to go into repayment of their student loans.

Calculation of Refundable Amounts for Day Program

The table below is based on accounts paid in FULL.

	Fall 2017	Spring 2018
Tuition, Board and the Comprehensive Support Program		
Prior to the first day of classes		
100 %	Aug. 25, 2017	Jan. 2, 2018
Within seven days from the first day of classes		
75 %	Sept. 06, 2017	Jan. 11, 2018
Within 14 days from the first day of classes		
50 %	Sept. 15, 2017	Jan. 23, 2018
Within 25 days from the first day of classes		
25 %	Oct. 2, 2017	Feb. 7, 2018
After 25 days from the first day of classes		
NO REFUND	Oct. 3, 2017	Feb. 8, 2018.

J-Term: Students that withdraw from the University at any time during J-Term will be billed an additional \$1,020 per credit plus room & board for the term. Spring semester classes will be dropped and not be billed onto the account.

iLynn and Graduate Refund Policy

Students receive 100 percent of the tuition paid if they drop courses prior to the date publicized as the first day of the term. For courses dropped during the first week of the term (add/drop) period, students receive 90 percent of the tuition. There is no refund after the first week of the term. This is applicable to undergraduate, graduate, graduate day and Ed.D programs.

iLynn and Graduate Withdrawal

Withdrawals from the iLynn and the graduate division programs or classes must be accomplished through the Office of the Registrar and are only permitted through the sixth (6th) week of a 7 week term or the seventh (7th) week of an 8 week term. It is the student's responsibility to submit a Course Withdrawal Form. THERE IS NO REFUND AFTER THE FIRST WEEK OF THE TERM

When a withdrawing student has been awarded financial aid and the student withdraws prior to completing 60 percent of the term, and if Title IV financial aid has been used to pay all or any portion of the charges, the financial aid program funds will be reimbursed to the appropriate agency in accordance with a formula required by federal regulations. Unearned Title IV funds will be returned to the Title IV programs based on the number of days not attended. The order of refunds will be: Federal Direct Unsubsidized Loan, Federal Direct Subsidized Loan, Federal Perkins Loan, Federal Direct PLUS Loan, Federal Pell Grant, Federal SEOG and other Title IV aid programs. Students enrolled in only three credits each in the iLynn or graduate terms will have a Title IV calculation computed on two terms.

If a student withdraws prior to 60 percent of the term, all Lynn University grants and scholarship funds will be prorated to the university accounts. This policy may result in a financial obligation that is payable to the university at the time of a student's withdrawal.

iLynn and Graduate Division Enrollment Requirements for Financial Aid

For undergraduate and graduate degrees, a minimum of three credits hours is required in a given term; however, the student must register for two consecutive terms. A student must stay enrolled in at least three credits each consecutive term thereafter to maintain in-school status for the loan programs. Maintaining in-school status refers to not going into repayment. It does not indicate that a student can be enrolled in three-credit courses and be eligible for a loan. For the Florida Programs (Florida Resident Access Grant), credit hour requirements are as follows:

Spring I	(January - March)	eight weeks	6 credits
Spring II	(March - April)	seven weeks	6 credits
Fall I	(August - October)	eight weeks	6 credits
Fall II	(October - December)	seven weeks	6 credits

Scholarships also are available for iLynn students. Applications are available in the Office of Student Financial Services.

Full-time Classification for Federal Aid Programs

Day Undergraduate	12 credits per term
iLynn	6 credits per term
Day Graduate (Psychology & Music)	9 credits per term
Evening Graduate	3 credits per term
Ed.D.	3 credits per term

Attendance Policy

Per federal regulations, the University is required to verify student's attendance for federal grants and loans, including the Federal Pell Grant and Federal Direct Loans before they can be disbursed. Delays in receiving your federal funds are possible if the University is unable to confirm attendance information from the Office of the Registrar.

Financial Aid

Lynn University participates in most Title IV financial aid programs. The purpose of these programs is to supplement the resources of applicants and their families. Financial aid awards are made on the basis of need, and applicants must file a financial statement reflecting the family's resources. Since financial aid is limited, applicants are encouraged to apply as early as possible (preferably by March 1 for entrance the following academic year). Tentative awards are made when the student has filed all required forms and the analysis of need has been received from the Federal Processing Center. Aid is generally awarded in a combination of loans, employment and/or grants. Students also are encouraged to apply for state grants or loans open to them and to investigate educational loans from local banks.

Standards of Satisfactory Academic Progress for Financial Aid – Day, iLynn and Graduate Divisions

Financial aid is awarded contingent upon the recipient maintaining satisfactory academic standing and progress (SAP) toward a degree. Students on federal financial aid (Title IV) will be evaluated annually, both qualitatively and quantitatively, at the end of the spring semester for Day Division students and at the end of the Spring II term for iLynn and Graduate Division students. To assess the quality of a student's work, Lynn University uses the Fixed Standard. That is at the end of Spring/Spring II, bachelor's students must have a cumulative grade point average of 2.0, master's degree students must have a cumulative grade point average of 3.0 and doctoral students must have a cumulative grade point average of 3.25. For the quantitative measure, a student must complete his/her degree within a specific time frame, as shown below:

Students receiving Title IV funding must complete their degrees within a specific time frame as follows:

Bachelor Degree

Full-time:	12 semesters (6 years)
Part-time:	24 semesters (12 years)

Master's Degree

Full-time:	18 terms (3 years)
Part-time:	36 terms (6 years)

Ed.D.

Full-time:	13.5 terms (4.5 years)
Part-time:	27 terms (9 years)

Ph.D.

Full-time:	30 terms (7.5 years)
Part-time:	60 terms (15 years)

Each Title IV recipient must meet a specific measurement of academic progress within the specified time frame as follows:

Bachelor Degree

Full-time:	20 credits (annually)
Part-time:	10 credits (annually)

Master's Degree

Full-time:	24 credits (annually)
Part-time:	12 credits (annually)

Ed.D.

Full-time: 12 credits (annually)
Part-time: 6 credits (annually)

Ph.D.

Full-time: 8 credits (annually)
Part-time: 4 credits (annually)

A course that receives a grade of “W” for a course withdrawal or a grade of an “I” for an incomplete or a failing grade of a “F” or an “NP” for Not Pass will be evaluated as a non-completed course. These non-completed courses will jeopardize the student to be able to meet the Standard of Satisfactory Academic Progress for Financial Aid.

In summary, all students must meet both criteria; the grade point average requirement and degree time frame completion, in order to continue to receive financial assistance. In essence, at least 67% of the courses attempted must be completed each year with a 2.0 or above grade point average for the bachelor’s program, 3.0 or above grade point average for the master’s program and 3.25 or above grade point average for the doctoral program.

If an undergraduate student falls below 2.0 grade point average or completes less than 67% of their attempted courses, he or she will be placed on financial aid probation for the following semester. This requires a student to complete an appeal process and be approved. This may allow the student to be eligible for federal financial aid reinstatement for the probationary semester. A student is removed from probationary status when his or her cumulative grade point average is 2.0 or better and he or she completes at least 67% of the courses they attempted.

If a student fails to complete their probationary semester successfully, their federal financial aid will be terminated. The student will be eligible for reinstatement of Title IV aid once all satisfactory academic progress standards (course completion and GPA requirement) are met; their eligibility will be reviewed during the next SAP review period which is at the end of spring/spring II.

Repeat courses may not always be evaluated as any other normal course. Lynn University does allow repetition of a course in a student’s enrollment status for a term as long as student has never passed the course. Students can retake a passed course once to improve the initial grade and receive Title IV funds.

Transfer hours accepted toward completion of the student’s program both hours attempted and hours completed may not always be evaluated as any other normal course.

A student may appeal these standards if there has been undue hardship (i.e., medical, death, divorce).

Appeal and Reinstatement

Students that do not meet the Standards of Satisfactory Academic Progress (SAP) by both qualitative and quantitative measures will have an opportunity to appeal their circumstances. An appeal form must be completed by the student, their parent if they are a dependent student, and their academic advisor. It must be submitted to the Financial Aid Committee. The appeal must be provided with supporting documentation within 30 days of receiving the federal financial aid termination letter. Students that do not file an appeal, or who have their appeal denied, will be eligible for reinstatement of Title IV aid once all satisfactory academic progress standards (course completion and GPA requirements) are met; their eligibility will be reviewed during the next SAP review period which is at the end of spring/spring II.

The Standards of Academic progress apply to the following programs:

Federal Pell Grant
Federal Supplemental Educational Opportunity Grant (SEOG)
Federal Perkins Loan
Federal Direct Loans (Subsidized and Unsubsidized)
Federal Parent Loan for undergraduate Students (PLUS)
Federal Graduate PLUS Loan
Federal Work Study program
Federal TEACH Grant

In addition, specific financial aid programs require the following academic achievements for renewals:

Presidential Scholarship, Top Achievers Scholarship and Academic Achievement Scholarship – 3.5 cumulative grade point average at the end of the spring semester.

Dean’s Scholarship– 3.0 cumulative grade point average at the end of the spring semester.

Merit Scholarship, Transfer Scholarship, Academic Grant – 2.8 cumulative grade point average at the end of the spring semester.

Lynn University Grant – 2.75 cumulative grade point average at the end of the spring semester.

Music Scholarship – 2.75 cumulative grade point average, a B or better in Applied Music Instrument lessons, and fulfill requirements set forth in the Conservatory Student Handbook.

Athletic Scholarship – 2.0 cumulative grade point average each semester.

Florida Programs – A renewal student must have a 2.0 cumulative grade point average and have completed 24 credit hours during two semesters (fall and spring). A student is eligible for one probationary year if he or she falls below a 2.0 cumulative grade point average after the end of the end of the spring semester.

Veterans Benefits

Students who fail to achieve the desired level of academic performance after two consecutive semesters of academic probation will be terminated for Veterans Administration pay purposes. GI Bill ® is a registered trademark of the U. S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <http://www.benefits.va.gov/gibill>.

Academic Forgiveness

The forgiveness policy allows a student, who has changed his or her major, specialization or minor to discount up to two courses in the abandoned program. The transcript will reflect the student’s complete record with an added notation of “Academic Forgiveness Declared” by the selected course(s); however, the grade(s) will not be calculated in the cumulative GPA. Neither the grades nor the credits will be counted toward graduation requirements. A forgiveness policy form is available in the registrar’s office and will need the signature of the dean of the school of the newly chosen program, as well as registrar approval. The forgiveness policy may only be used once in a student’s college career. However, student requesting an academic forgiveness at Lynn University are not eligible to change their federal status for meeting the Standards of Satisfactory Academic Progress for financial aid. Therefore, the financial aid must always include all courses attempted and taken in evaluating the student’s satisfactory academic progress for financial aid eligibility.

Academic Bankruptcy

Students requesting an academic bankruptcy at Lynn University are not eligible to change their federal status for standards of satisfactory Academic Progress for Financial Aid. The federal guidelines prohibit the concept of academic bankruptcy. Therefore, the financial aid office must always include all courses attempted and taken in evaluating the student's satisfactory academic progress for financial aid eligibility.

Applying for Financial Aid

1. All applicants for admission are requested to complete a Free Application for Federal Student Aid (FAFSA). This can be done online at www.fafsa.ed.gov. FAFSA should be filed by March 1 each year in order to be considered for all aid the following year.
2. The FAFSA must be returned to the appropriate processing agency. The agency will process this form and send the university a report on what the family can be expected to contribute to the educational costs.
3. Students should make sure that their transcripts and recommendations are on file at the university, because financial aid decisions are not made until students have been accepted to the university.
4. When students have been accepted and the financial analysis has been received from the processing agency, the university determines the financial aid award and notifies the students.
5. Students are notified of their awards through the Electronic Student Aid System (ESAS). The student will have access to their estimated awards, missing documents needed to finalize the awards, and the federal shopping sheet which lists costs and awards. If a student wishes to accept the award, he or she must submit a nonrefundable deposit to the admissions office within 15 days. This deposit is credited to the student's account.
6. Before federal financial aid funds can be credited to a student's account, information submitted on the FAFSA is sometimes verified. The university is responsible for coordinating this federal verification process. In order to clarify the family's financial situation, the Office of Student Financial Services may request a copy of the parents' and student's tax return transcript and other information. All financial aid is awarded on the condition that the above information is provided when requested.

Upon receipt of the information, it is reviewed and compared with the information noted on the need analysis. If this new information changes data previously submitted, a revised financial aid award may be sent. Timely response to requests will avoid delays in an accurate assessment of need.

FAFSA Policy

Lynn University requires all domestic students who receive Federal, and some state aid to complete the Free Application for Federal Student Aid (FAFSA). It is also required for the Federal Parent PLUS Loan.

Dual Major

Dual major students must take courses concurrently in order to be eligible for federal financial aid. Students cannot complete their first major and then decide to take the additional 30 credits for a second major and receive Federal financial aid. Both majors need to be decided prior to the senior year and courses are to be taken concurrently if the student wishes to have federal financial aid cover through the end of the degree program for both majors.

Repeat Course

Federal financial aid funds can be paid for only one repetition of a previously passed course. Passing grades are "A", "B", "C", "D", and "P". A student may repeat a failed course until it is passed and use federal financial aid funds.

Federal & State Eligibility and Drug Policy

A federal or state drug conviction can disqualify a student for Federal Student Financial Aid. The student self-certifies in applying for aid that he/she is eligible for federal funds. The student is not required to provide the documentation of the conviction unless the university has conflicting information in the school records.

Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Federal Student Financial Aid; they do not count if the offense was not during such a period. Also, a conviction that was reversed, set aside or removed from the student's record does not count. One received when he/she was a juvenile does not count unless he/she was tried as an adult.

The chart below illustrates the period of ineligibility for Federal Student Financial Aid, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for sale of drugs includes convictions for conspiring to sell drugs).

Possession of illegal drugs:

First Offense – one year from date of conviction
Second Offense – two years from date of conviction
Third+ Offense – Indefinite period

Sale of illegal drugs:

First Offense – two years from date of conviction
Second Offense – Indefinite period

If the student was convicted of both possessing and selling illegal drugs, and the periods of ineligibility are different, the student will be ineligible for the longer period.

A student regains eligibility the day after the period of ineligibility ends or when he/she successfully completes a qualified drug rehabilitation program. Further drug convictions will make him/her ineligible again.

Students denied eligibility for an indefinite period can regain eligibility for federal assistance only after successfully completing a rehabilitation program as described below or if a conviction is reversed, set aside, or removed from the student's record so that fewer than two conviction for sale or three convictions for possession remain on the record. In such cases, the nature and dates of the remaining convictions will determine when the student regains eligibility. It is the student's responsibility to certify to the university that he/she has successfully completed the rehabilitation program; as with the conviction question on the FAFSA, the student is not required to confirm the reported information unless Lynn has conflicting information in the school records.

When a student regains eligibility during the award year, the university may award Pell, Teach, and Campus-based aid for the current payment period and Direct loans for the period of enrollment.

Standards for a qualified drug rehabilitation program

A qualified drug rehabilitation program must include at least two unannounced drug tests and must satisfy at least one of the following requirements:

- The program must be qualified to receive funds directly or indirectly from a federal, state or local government program, or
- The program must be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company, or
- The program must be administered or recognized by a federal, state, or local government agency or court, or
- The program must be administered or recognized by a federally or state-licensed hospital, health clinic or medical doctor.

A student that undergoes the drug rehabilitation program and is seeking federal aid eligibility must provide a copy of the completed drug rehabilitation program to the financial aid counselor.

Types of Financial Aid

Applicants do not apply for the various types of awards individually. The university determines the types and amounts of awards based on the amount of aid available in the various programs and the family's expected contribution.

Federal Programs

Federal Pell Grant and Federal Supplemental Educational Opportunity Grant (SEOG)

The Pell Grant is a federal aid program for those with substantial need. The grant may be worth up to \$5,920 per year depending on the family's resources and the federal funds actually available. The Pell Grant has a life time eligibility of 600%. This means that a student cannot receive more than 6 years (12 semesters) of Pell Grant awards. The Supplemental Educational Opportunity Grant provides additional assistance to those with severe need who cannot meet college costs with other forms of aid. The average award is \$2,000 per year. The Free Application for Federal Student Aid (FAFSA) is used to determine eligibility for these grants. This is not available to students pursuing a second bachelor's degree.

Federal Perkins Loan

The Perkins Loan program provides low-interest loans to students with demonstrated need. Repayment of the loan begins nine months after the student ceases to be at least a half-time student. The university will allocate these loans to those who are most eligible. Average award is \$2,000 per year. This is not available to students pursuing a second bachelor's degree.

Federal Direct Subsidized Loan

A Direct Subsidized Loan is available to students who demonstrate financial need. The maximum amounts are: \$3,500 for a first year undergraduate student; \$4,500 for a second year student; \$5,500 for a third-year or fourth-year student. For Direct Subsidized Loans first disbursed on or after July 1, 2015, the interest rate is 4.45 percent. The Direct Loan interest rates are subject to change in June 2018. There is also a Direct Loans origination fee of 1.069 percent for loans first disbursed after October 1, 2016 (subject to change after September 30, 2017). The Federal government pays the interest on the loan as long as the student is enrolled at least half-time. New borrower on or after July 1, 2013, may receive Federal Direct Subsidized loans for an aggregate of 150 percent of student's educational program. Once the student has reached the 150% limit, the student may borrow additional funds through the federal direct unsubsidized loans. Interest will begin to accrue on the student's outstanding Subsidized loan at that time.

Eligibility is based on other sources of financial aid received and a parental contribution factor. Students must complete the Federal Direct Loan form and the Master Promissory Note available through the Office of Student Financial Services, or online at www.lynn.edu/loans.

Federal Direct Unsubsidized Loan

This loan is not based on financial need. A student who wishes to apply for the Direct Loan program and is not eligible based on financial need, or is only partially eligible, may apply for the full or balance of his/her eligibility through the unsubsidized loan program. There will be a fixed rate of 4.45 percent. The Direct Loan interest rates are subject to change in June 2018. There is also a Direct Loans origination fee of 1.069 percent for loans first disbursed after to October 1, 2016 (subject to change after September 30, 2017). The student is responsible for all in school interest, which can be capitalized at the end or paid through the enrollment periods.

If an undergraduate student is not eligible for any Direct Subsidized Loan, the maximum amounts available are: \$5,500 for a first-year undergraduate student; \$6,500 for a second-year student; \$7,500 for a third or fourth-year student, and \$20,500 for a graduate student. Independent undergraduate students and dependent undergraduate students whose parents are denied for a PLUS loan are eligible for an additional \$4,000 for the first two years and \$5,000 for the last two years.

Applications for this loan are made online through www.lynn.edu/loans. Students must complete the Federal Direct Loan form and the Federal Master Promissory Note at www.lynn.edu/loans.

Federal Direct Parental Loan for Undergraduate Students (PLUS)

This loan is not based on financial need but must be within the cost of attendance determined by the university. The amount a parent can borrow is the difference between the cost of attendance and financial aid eligibility. For PLUS loans there will be a fixed rate of 7 percent. Repayment begins within 60 days of the full loan disbursement. Direct Plus Loan interest rates are subject to change in June 2018. There is also a Direct Plus origination fee of 4.276 percent for loans first disbursed after October 1, 2016 (subject to change after September 30, 2017). Parents can choose to defer payments until six months after the student ceases to be at least a half-time student. Application forms are available online at: www.lynn.edu/loans.

Student Loan Ombudsman

The FSA Student Loan Ombudsman Group is available to help federal student loan borrowers who need assistance with a loan dispute. The Loan Ombudsman Group should only be contacted when the borrower has already attempted to resolve their loan dispute with their financial aid office or loan servicer. The easiest way to contact the Loan Ombudsman Group is via on-line assistance at <https://studentaid.ed.gov/sa/repay-loans/disputes/prepare> or by phone 877-557-2575 or fax 606-396-4821 or by mail at: FSA Ombudsman Group, P.O. Box 1843, Monticello, KY 46233.

Federal Work Study Program

Under this program, a student is provided with opportunities to work on campus, depending on financial need and the availability of funds. A variety of student job opportunities are posted online, with varying responsibilities and work schedules. To remain eligible for the Federal Work Study program, students are required to attend an online training workshop on preventing workplace harassment and discrimination, maintain a minimum 2.0 GPA, be in good academic

standing and have a clean conduct record. Students usually work eight to 12 hours per week. Pay rates start at \$10 per hour.

Florida Programs

Florida Resident Access Grant

The Florida Resident Access Grant is a state entitlement program, which provides funds to Florida residents attending Lynn University regardless of financial need. The program is open to undergraduate students who have lived in Florida on a permanent basis for 12 months prior to the first day of classes for the academic term for which the award is made. Dependent students' parents must fit this definition. For the purpose of residency, an independent applicant must not be eligible to be claimed as a tax exemption by any person other than a spouse, must be self-supporting for twelve (12) months prior to the first day of classes of the academic term for which assistance is requested, and have the intent, for purposes other than education, that Florida be their legal state of residence. These grants are not repaid. The student should complete the FRAG application, and return it directly to the Student Financial Services office. The amount of the FRAG is approximately \$3,000 per academic year. A student must be enrolled in 12 credit hours each semester. The student must maintain 24 credit hours each academic year and obtain a cumulative 2.0 G.P.A. each year in order to renew this grant.

Florida Student Assistance Grant

Florida Student Assistance Grants awards up to \$2,610 per year are based on financial need and the same residential and academic requirements as the Florida Resident Access Grant. The student must file the Free Application for Federal Student Aid (FAFSA) prior to March 1st to be considered for aid for the next academic year. Funds are awarded after drop/add and priority is given to students with a \$0 EFC.

Bright Futures Programs

Academic Scholars Award

The student must be a graduate of a Florida high school, have obtained a cumulative grade point average of 3.5 in the 15 college preparatory courses as identified by the Florida Board of Regents Rule, have an SAT of 1290 or an ACT of 29 or higher and complete 100 hours of community service. National Merit Scholars or graduates of the International Baccalaureate programs are automatically eligible. The award amount is currently \$103 per credit. Application is submitted directly to the Florida Department of Education. Deadline: Prior to high school graduation. Students may apply online at www.floridastudentfinancialaid.org.

Medallion Scholars Award

The student must be a graduate of a Florida high school, have obtained a cumulative grade point average of 3.0 in the 15 college preparatory courses as identified by the Florida Board of Regents Rule and have an SAT of 1170 or an ACT of 26 or higher and complete 75 hours of community services. National Merit Scholars or graduates of the International Baccalaureate programs are automatically eligible. The award amount is currently \$77 per credit. Application is submitted directly to the Florida Department of Education. Deadline: prior to high school graduation. Students may apply online at www.floridastudentfinancialaid.org.

For more information on the Florida Bright Futures programs, please contact the student's high school or visit the Florida Bright Futures Web site at: www.floridastudentfinancialaid.org.

Institutional Programs

Available for undergraduate Day Division programs only.

Presidential Scholarship

To be considered for this scholarship, students must be an incoming, admitted, first-year full-time student with a high school GPA of 3.6 (on a 4.0 scale) or higher. SAT and ACT scores will be considered if the candidate elected to apply with test scores considered at the time of application. Nominees who are invited to apply for this scholarship will receive an application for consideration by February 20 2017. This scholarship is renewable when a 3.5 GPA is maintained. Full tuition and full room and board (up to 16 credits per semester).

Top Achievers

A student who is a National Merit Scholar or finalist will receive a full tuition (up to 16 credits each semester) scholarship from Lynn University. This award is renewable when a cumulative 3.5 grade point average is maintained. This program is open to international students.

Deans Scholarship

Alternatively, for students who apply test-optional, a GPA of 3.25 or higher is required. This scholarship is renewable when a 3.0 GPA is maintained. A total of 70 percent of this award is applied toward tuition and 30 percent is applied toward room and board. \$12,000 per academic year.

Merit Scholarship

To be considered for this scholarship, students must meet the following criteria: have SATs of 950 or above or ACT scores of 20 or above, and have a grade point average of 2.8 or higher. Alternatively, for students who apply test-optional, a GPA of 3.0 or higher is required. This scholarship is renewable when a 2.8 GPA is maintained. A total of 70 percent of this award is applied toward tuition and 30 percent is applied toward room and board. \$10,000 per academic year.

Academic Grant

To be considered for this scholarship, students must meet the following minimum criteria: have SATs of 1100 or above or ACT scores of 24 or above, and have a grade point average of 2.0 - 2.8.

Alternatively, for students who apply test-optional, a GPA of 2.8 or higher is required. A total of 70 percent of this award is applied toward tuition and 30 percent is applied toward room and board. This grant is renewable when a 2.8 cumulative GPA is maintained. \$6,000 per academic year.

Transfer Scholarship

To be eligible for this scholarship, students must have a minimum of 12 college transferable credits from an accredited institution and a GPA of 2.8 or higher.

This scholarship varies from \$6,000 to \$12,000 per academic year. The scholarship is renewable if a 2.8 cumulative GPA is maintained.

Out-Of-State Grant

To be considered for this scholarship, students must be enrolled full-time and meet one of the following criteria: be a U.S. citizen or be an eligible non-citizen (permanent resident) that is a non-Florida resident who lives in the U.S. This grant is renewable when a 2.0

cumulative GPA is maintained. Students receiving other institutional scholarships do not qualify for this award. \$2,000 per academic year.

Lynn University Loan Program

This loan program is awarded on the basis of financial need as determined by the Office of Student Financial Services. The funds for this program are limited. The loan represents money borrowed by the students and must be repaid with interest after leaving school. The current interest rate is 5 percent. The student must sign a promissory note for this loan, which must be returned to the Office of Student Financial Services prior to registration. Perkins recipients are ineligible for this loan unless prior Perkins Loans are paid off.

University Financial Aid Grant

These grants are awarded to students who demonstrate financial need on the Free Application for Student Federal Assistance application. Awards range from \$1,000 to \$7,000.

Lynn University Grant

Grants are awarded to upperclassmen who are worthy of scholarship consideration and in need of financial assistance. Average award is \$1,000 per year. The grant is renewable if the student maintains a 2.75 cumulative grade point average each year.

Family Discount

A discount is provided to immediate family members who are enrolled in credit-bearing classes during the same term. Two family members receive 10 percent discount each. Three family members receive 15 percent discount each. The discount is applied against the balance of payable tuition. This is available for the day, iLynn and graduate programs. It is 5 percent for online undergraduate evening courses.

Alumni Grant

Lynn will offer any alumnus' dependent children a 10 percent discount on the cost of tuition less any other institutional aid. Anyone who attended Lynn University and earned 24 or more credit hours is considered to be an alumnus.

Athletic Scholarships

These scholarships are available in men's soccer, baseball, tennis, basketball, lacrosse and golf, and in women's soccer, tennis, basketball, volleyball, golf, swimming, cross country and softball. Awards range from \$100 to \$49,980 per year. A 2.0 grade point average is required to maintain an athletic scholarship.

Music Scholarship

These scholarships are awarded to students primarily on the basis of musical ability and artistic talent as demonstrated in their audition. Domestic students must complete the Free Application for Federal Student Aid (FAFSA) if they are U.S. citizens. Applicants are encouraged to apply by the priority deadline of Feb. 15 for entrance the following academic year. The scholarship is renewable if the student maintains a 2.75 minimum cumulative grade point average each semester; earns a B or better in their applied major instrument lessons; and attends classes, lessons, rehearsals, master classes, performance forum, outreach performances, juries, mock auditions and other conservatory performances and activities as required. An evaluation of each student will take place at the end of each academic year by the dean of the Conservatory of Music with the recommendation of the major instrument instructor.

Veterans' Benefits (Available for All Credit Programs)

Veteran's Benefits

For benefit certification purposes, any student receiving VA benefits must submit to the Office of Student Financial Services a copy of their DD 214 and Certificate of Eligibility. Student must report enrollment status changes to the Office of Student Financial Services and to their case manager. Students must be aware they may be liable to repay the VA for course load reductions unless they can establish acceptable mitigating circumstances causing the reduction. SFS will evaluate each Veteran/Veteran dependents' credits each semester and report them to the Veterans Administration. If a veteran/veteran dependent withdraws, it will count toward his/her benefits eligibility. If a veteran/veteran dependent drops a course, they will not receive payment. SFS will monitor all VA students' academic records. Please see the VA Web site for further information on policies and procedures. GI Bill ® is a registered trademark of the U. S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <http://www.benefits.va.gov/gibill>

Yellow Ribbon Program

Lynn University is a participant of the Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program), which is a provision of the Post – 9/11 Veterans Educational Assistance Act of 2008. The institution is in agreement with the U.S. Department of Veterans Affairs (VA) to fund tuition expenses that exceed the highest public in-state undergraduate tuition rate. The institution can contribute up to 50 percent of those expenses, and VA will match the same amount as the institution. For the 2017-2018 academic year, Lynn University's commitment to the Yellow Ribbon program is capped at \$13,000, which means the Veterans Administration (VA) will also commit to \$13,000. The Ch. 33 benefits will already cover \$21,084, so in total the VA benefits can pay is up to \$47,084. Any excess costs beyond \$47,084 will be borne by the student. GI Bill ® is a registered trademark of the U. S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <http://www.benefits.va.gov/gibill>.

Credit for Previous Training

Students who are eligible to receive educational benefits from the U.S. Department of Veterans Affairs with previous post-secondary training/experience must request that official transcript(s) be sent to Lynn University. All transcripts must be received by the end of the first term or the student's educational benefits will be terminated until all transcript(s) are received. Should credits be accepted, the student's training time and total tuition costs will be reduced proportionately. The VA and the student will receive a written notice of allowed credits. This reduction refers to total costs involved in obtaining the degree. Costs are reduced when credits from another institution are applied toward a Lynn University degree. This does not imply a credit reduction allowance for veterans or eligible dependents. GI Bill ® is a registered trademark of the U. S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <http://www.benefits.va.gov/gibill>.

Summer School

There are no institutional or state programs available for the summer terms. The three programs available for the summer terms are Federal Direct Loans, Federal Direct Parent Plus Loan, and private loan programs. Student must be in at least 6 credits for the summer and if the maximum loan limit has been used up for the year then the students must be intending to return for the Fall semester for at least 6 credits to obtain a loan or the loan will be pro-rated.

Lynn Three Year Degree Program

Students invited into the Lynn Three Year Degree Program must enroll in at least 15 credits per semester (Fall and Spring) each of the three years. Lynn Three Year Degree Program participants are allowed to take an additional 24 credits any time during their three years at Lynn (including the first three years of summer sessions and all 3 J-Terms). There is no additional tuition cost for these 24 credit hours. Any overloads that exceed the 24 credit hour maximum will be billed at the overload rate of \$1,020 per credit hour. This excludes graduate level courses not applicable to the undergraduate degree program.

Tax Law (U.S. Citizens and International Students)

Under current Internal Revenue Service regulations, scholarships or grants for room and board must be reported on the student's tax return as taxable income. For any F-1 visa student who resides in a country that does not have a tax treaty with the United States, the university will bill that student 14 percent of the award for room and board.

U.S. Citizens

Please contact your tax advisor on how to report your taxable scholarship income on your U.S. Income Tax Return.

1098-T

Lynn University is required to file to the Internal Revenue Service (IRS) for each student who enrolled and for whom a reportable transaction was made on their student account, a 1098-T, Tuition Statement.

As of tax year 2018, Lynn University will report the amount paid for the calendar year for qualified expenses. Each student is required to verify that their social security number is on file in the Office of the Registrar no later than December 31, 2017, in order for a 1098-T to be produced.

Students have the option to receive their 1098-T electronically or by mail. Students must consent to receiving this form electronically or a paper version will be mailed to the legal home permanent address listed on file with the Office of the Registrar.

In the event that Lynn University does not have the student social security number on file, a blank number will be reported to the IRS when the 1098-T records are submitted to them. Students may be penalized \$50 by the IRS for not submitting the social security number to the University on a timely basis.

Lynn University does not provide the 1098T information to students that are considered to be nonresident aliens (not U.S. citizens). Students with this standing cannot claim the tax credit and would need to use an IRS 1040NR or 1040NREZ form to report their taxes.

Students that provide electronic consent on my Lynn, will have 1098-T's available by January 23, 2018. All other students will have a paper copy mailed by January 31st, 2018.

International Students

All foreign nationals are required to complete a profile on the Foreign National Information System site at: <https://fnis.thomsonreuters.com/Lynn>. All international students will have an FNIS hyperlink sent to their Lynn University email address. Students will also have their initial user ID and password emailed to them. The registration onto this system is required to be updated each year by the student prior to pre-registration of the next year's courses.

Any international student from a treaty country will need to provide a social security or ITIN (individual taxpayer identification number) and complete form W-8BEN to claim a tax treaty exemption for scholarships. Students who do not provide the required documents will have their student account charged the 14% tax rate of any room and board scholarship amount.

Any international student from a non-treaty country receiving a scholarship will have withholding tax assessed and will be responsible for complying with Internal Revenue Service regulations and deadlines.

The university remits this 14 percent to the IRS and report it as federal income tax withheld. It is the student's responsibility to file his/her taxes by the required due date with the IRS.

International Student Loans

Private loan programs are available for international students. The amount that can be borrowed is up to the cost of attendance at our university. Students will need to obtain an American resident as a cosigner. Students may contact the Office of Student Financial Services for further information.

International Students Scholarship Policy

International students who receive scholarships for their education at a U.S. university may be liable for paying taxes to the U.S. government if they meet these criteria:

If the student is from a treaty country, they will usually be exempt for a period not exceeding five years. Once they have provided all required documents. The amount of the award that is not exempt has a withholding of 14 percent.

Currently, the countries that do have a reciprocal scholarship tax treaty with the United States are: Bangladesh, China, Commonwealth of Independent States: Armenia, Azerbaijan, Belarus, Georgia, Kyrgyzstan, Moldova, Tajikistan, Turkmenistan, and Uzbekistan, Cyprus, Czech Republic, Egypt, Estonia, France, Germany, Iceland, Indonesia, Israel, Kazakhstan, Latvia, Lithuania, Morocco, Netherlands, Norway, Pakistan, Philippines, Poland, Portugal, Romania, Russia, Slovak Republic, Slovenia, Spain, South Korea, Thailand, Trinidad and Tobago, Tunisia, Ukraine and Venezuela. Countries are subject to change. Students from any other country will have 14 percent taxes withheld and billed to their school account. If the student is from a non-treaty country, any room and board scholarships will be taxed at the 14 percent rate. Every international student can apply for an Individual Taxpayer Identification Number (ITIN). Applications are available at the Office of Student Financial Services. Students must pay the taxes to Lynn University within 30 days or they will be penalized by the IRS and have to pay additional interest charges. All international students will be required to file an IRS Form 8843 and a 1040NR with the IRS and submit a W-7 form to IRS by April 15, 2018. These tax forms are available in the International Student office. Any student who does not comply with the filing of the tax returns will not have his/her scholarships renewed. The student may contact an international student advisor for more information.

All international students receiving a scholarship must enter onto the FNIS site their Social Security number or Individual Taxpayer Identification Number to be eligible to receive the scholarship.

Remedial Courses

Students who must take remedial classes may have their financial aid reduced if credit course load toward their degree is less than 12 hours for the semester.

Renewal of Financial Aid

To have financial aid renewed for domestic students who receive Federal and some State aid, a new FAFSA must be submitted each year, preferably by March 1. Students must be in good standing at the university, both academically and behaviorally.

Outside Sources

Students who receive financial assistance awards or scholarships from outside sources may not receive funding from such sources that, in combination with University assistance, exceed the direct cost of tuition and fees as determined by the Office of Student Financial Services.

II. GRADUATE INFORMATION

Tuition and Payment Policies

Graduate Tuition and Fees

Fees are determined on an annual basis. The university reserves the right to change, with or without notice, any of the fees printed in this catalog. Increases should be expected in subsequent years. All application fees and tuition deposits are nonrefundable. Room deposits are refundable up to May 1 prior to the start of the academic year if received in writing in the SFS office.

All student charges must be paid in full before a student is allowed to register or attend classes. All statements of account are due and payable in full on or the Friday before the term begins. Statements are sent electronically.

Limited student housing space is available for graduate students. For information on costs of room and board, contact the Office of Student Financial Services.

Request for Course Withdrawal from Graduate Programs

Course withdrawals from graduate programs must be processed through the Office of the Registrar. The student is responsible for properly filing a Course Withdrawal Form. Withdrawals are permitted through the end of the sixth (6th) week of a 7 week term or the seventh (7th) week of an 8 week term. There is no refund after the first week of the term.

Withdrawal from the University

Withdrawal from the university is a formal procedure that requires submission of a Request for Withdrawal form available in the Office of the Dean of Students. Students not enrolled for four consecutive terms will be withdrawn from the university and must apply for readmission.

Leave of Absence

The student may request a Leave of Absence from study in a graduate degree program. A letter requesting the leave with the reasons for the leave should be given to the program coordinator for approval. Each student may request up to one year of leave. Any financial aid student receiving leave of absence status will be reported as not enrolled at Lynn University.

Financial Aid Withdrawal

When a withdrawing student has been awarded financial aid and has withdrawn prior to the completion of 60 percent of the term, and if Title IV financial aid has been used to pay all or any portion of the charges, the financial aid program funds will be reimbursed to the appropriate agency in accordance with a formula required by federal regulations. Unearned Title IV funds will be returned to the Title IV programs based on the number of calendar days not attended. The order of refunds is: Federal Direct Graduate Plus Loan and Federal Direct Unsubsidized Loan. All students who withdraw must report to the Office of Student Financial Services for an exit interview.

Refund Policy for Withdrawals

When withdrawal is made prior to the start of the term, the refund is 100 percent. When withdrawal is made through the first week of the term, the refund is 90 percent. No refunds are granted after the first full week of classes. Refer to the Graduate Academic Calendar for exact dates.

Refund Calculation

Refunds are calculated on the basis of the total term charges payable after deductions for nonrefundable deposits and fees. This policy may result in a financial obligation to the university that is payable at the time of a student's withdrawal.

Submitting Payments

Payments are accepted in cash, check, money order, credit card or electronic wire transfers in U.S. dollars only. Credit cards that are accepted include MasterCard, American Express, Visa and Discover. Please include the student's Lynn University identification number with all payments. Certain foreign currencies are accepted online at www.lynn.edu/ebill.

Payments may be submitted by:

By Mail:

Cashier
Lynn University
3601 North Military Trail
Boca Raton, FL 33431

Online: www.lynn.edu/ebill

By Wire: See instructions on
www.lynn.edu/waystopay

To help ensure that the appropriate student's account is credited in a timely fashion, please include the student's name and Lynn University student identification number on wiring instructions. Confirmation of payments should be faxed to the Office of Student Financial Services at 561-237-7189 or hand delivered to the Cashier's Office. Evening payment options and the university's corporate reimbursement policy are listed in the undergraduate portion of the catalog.

Statement of Accounts

No paper statements are mailed to the student. Students will receive an e-mail to their Lynn e-mail address when their statement is available for viewing. Students may authorize their parent or bill payer to receive the e-mail by setting them up with a password under MyLynn Student Finances tab.

Financial Aid

For all financial aid programs, the Free Application for Federal Student Aid (FAFSA) form must be completed and submitted to the Federal Processing Center. In approximately two weeks a report will be sent to the student and to Lynn University. The university will then determine the student's eligibility for the loan programs. The student will receive an electronic award letter. All verification items (financial and eligibility status) must be completed before loan applications are submitted for processing. International students are not eligible for federal financial aid. Graduates should review the financial aid section of this catalog for specific financial aid loans, policies and university regulations. Certificate programs do not qualify for federal funding. Students can apply at www.fafsa.ed.gov.

Federal loans and Veterans Programs are available for Graduate Students. Please see Federal Loans and Veterans' Benefits sections.

Federal Programs

Federal Direct Unsubsidized Loans

This loan is not based on financial need. A graduate/doctoral student who wishes to apply for the Direct Loan program, may apply for the unsubsidized loan program. There will be a fixed rate of 6 percent. Direct Loan interest rates are subject to change in June, 2018. There is also a Direct Loan origination fee of 1.069 percent for loans first disbursed after October 1, 2016 (subject to change after September 30, 2017). The student is responsible for all in school interest, which can be capitalized at the end or paid through the enrollment periods. The graduate student is eligible for \$20,500 per academic year.

Federal Direct Grad Plus Loan

This loan is based on the cost of attendance determined by the university. The amount a student can borrow is the difference between the cost of attendance and financial aid eligibility. For PLUS loans there will be a fixed of 7 percent, plus interest rates are

subject to change in June, 2018. There is also a Direct Loan origination fee of 4.276 percent for loans first disbursed after October 1, 2016 (subject to change after September 30, 2017). If you are a graduate or professional student, your loan will be placed into deferment while you are enrolled at least half-time. Students are encouraged to apply on line at www.lynn.edu/loans.

Graduate Assistantships

Lynn University's graduate assistant program is designed to offer students financial support and professional experience while pursuing a graduate degree. GAs work under the supervision of a university staff or faculty member. Duties performed in this role must relate to the student's program of study.

Graduate assistants are paid at a rate of \$8.10 per hour, and are also be eligible to receive a scholarship equal to or greater than 70 percent of the cost of graduate tuition. Exact scholarship amount varies based on degree program and is determined by Student Financial Services.

A limited number of graduate assistantships are available each year. Students can view eligible positions on www.lynn.edu/studentjobs or on the Student jobs Lynn app. Applications for graduate assistantships must be submitted through the online posting. Most positions are posted during the spring term for employment starting in the fall term. To be eligible, applicants must have completed the application process with all appropriate documentation, be admitted to the university for enrollment in one of the graduate programs, maintain a 3.0 grade point average or higher, and meet specific qualifications.

Graduate assistants receive hourly pay for all hours worked and are eligible to receive a scholarship equal to or greater than 70 percent of the cost of graduate tuition. Most assistantships require 20 hours of employment per week or 920 hours per year. Students will receive a 1098T for the scholarship portion and a W-2 for the taxable portion.

Graduate Assistants are eligible to buy a refurbished iPad mini for \$100 as an Instructional Materials Fee or may choose to bring their own iPad. Graduate assistantships require a 3.0 grade point average be achieved at the end of each graduate term.

Scholarships

Conservatory of Music

Scholarships are awarded to students primarily on the basis of musical ability and artistic talent as demonstrated in their auditions. To be considered, domestic students must complete the Free Application for Federal Student Aid (FAFSA) form in order to be considered. Applicants are encouraged to apply by the priority deadline of March 1 for entrance the following academic year. The scholarship is renewable if the student maintains the minimum cumulative grade point average each semester; earns a B or better in their Applied Major Instrument lessons; and attends classes, lessons, rehearsals, master classes, performance forum, outreach performances, juries, mock auditions and other conservatory performances and activities as required. An evaluation of each student will take place at the end of each academic year by the dean of the Conservatory of Music with the recommendation of the major instrument instructor.

Ross College of Education Future Leaders Discount

Master's and Ed.D degree seeking students who are active, full-time employees of an educational institution may qualify for an educational discount of 15 percent per credit hour. Development specialists also may be eligible. For discount approval, students must submit a current employment verification letter each year to the Office of Student Financial Services.

Criminal Justice Administration Discount

Graduate students in the M.S. in Administration with Specialization in Criminal Justice Program may qualify for a discount of 15 percent per credit hour. The students in this program must meet one of the following criteria: is sworn as a law enforcement officer for a municipal, state or federal agency or is employed in the administration of police or security work at the municipal, state or federal level or through a private agency engaged in the protection of life or property. For discount approval, the student must submit a current employment verification letter to the Office of Student Financial Services each year.

Emergency Planning Administration Discount

Graduate Students in the M.S. in Administration with Specialization in Emergency Planning and Administration Program may qualify for a discount of 15 percent per credit hour. Student must be employed in an organization in which the job responsibility involves emergency and disaster training and planning. For discount approval, the student must submit a current employment verification letter to the Office of Student Financial Services each year.

Evening Program Alumni Tuition Discount

Alumni that have graduated from Lynn University at least five years ago or longer may be eligible for a 10 percent tuition discount for an eligible graduate program. This discount is not combinable with other discounts.

Veterans' Benefits (Available for All Credit Programs)

For benefit certification purposes, any student receiving VA benefits must submit to the Office of Student Financial Services a copy of their DD 214, and Certificate of Eligibility. Student must report enrollment status changes to the Office of Student Financial Services and to their case manager. Students must be aware they may be liable to repay the VA for course load reductions unless they can establish acceptable mitigating circumstances causing the reduction. SFS will evaluate each Veteran/Veteran dependent's credits each semester and report them to the Veterans Administration. If a veteran/veteran dependent withdraws, it will count toward his/her benefits eligibility. If a veteran/veteran dependent drops a course, they will not receive payment. SFS will monitor all VA students' academic records. Please see the VA Web site for further information on policies and procedures. GI Bill ® is a registered trademark of the U. S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <http://www.benefits.va.gov/gibill>.

Yellow Ribbon Program

Lynn University is a participant of the Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program), which is a provision of the Post – 9/11 Veterans Educational Assistance Act of 2008. The institution is in agreement with the U.S. Department of Veterans Affairs (VA) to fund tuition expenses that exceed the highest public in-state undergraduate tuition rate. The institution can contribute up to 50 percent of those expenses, and VA will match the same amount as the institution. For the 2017-2018 academic year, Lynn University's commitment to the Yellow Ribbon program is capped at \$6,000 for masters programs and at \$5,000 for doctorate programs, which means the veteran benefit of \$21,084 and yellow ribbon will cover all of the student's tuition, if they are enrolled in 6 credits hours per term. Any excess cost will be borne by the student.

Credit for Previous Training

Students who are eligible to receive educational benefits from the U.S. Department of Veterans Affairs with previous post-secondary training/experience must request that official transcript(s) be sent to Lynn University. All transcripts must be received by the end of the first term or the student's educational benefits will be terminated until all transcript(s) are received. Should credits be accepted, the student's training time and total tuition costs will be reduced proportionately. The VA and the student will receive a written notice of allowed credits. This reduction refers to total costs involved in obtaining the degrees. Costs are reduced when credits from another institution are applied toward a Lynn University degree. This does not imply a credit reduction allowance for veterans or eligible dependents. GI Bill ® is a registered trademark of the U. S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <http://www.benefits.va.gov/gibill>.

Standards of Satisfactory Academic Progress for Financial Aid

Financial aid is awarded contingent upon the recipient maintaining satisfactory academic standing and progress toward a degree. Every student on financial aid will have his or her cumulative grade point average evaluated at the end of the Spring II term each academic year. At that point, a GPA below 3.0 places a master's student on financial aid suspension and below 3.25 for a doctoral student. These GPAs are also the GPAs that must be maintained in order to matriculate and graduate from Lynn University.

Students receiving Title IV funding must complete their degrees within a specific time frame as follows:

Master's Degree

Full-time: 18 terms (3 years)
Part-time: 36 terms (6 years)

Ph.D.

Full-time: 30 terms (7.5 years)
Part-time: 60 terms (15 years)

Ed.D.

Full-time: 13.5 terms (4.5 years)
Part-time: 27 terms (9 years)

Each Title IV recipient must meet a specific measurement of academic progress within the specified time frame as follows:

Master's Degree

Full-time: 24 credits (annually)
Part-time: 12 credits (annually)

Ph.D.

Full-time: 8 credits (annually)
Part-time: 4 credits (annually)

Ed.D.

Full-time: 12 credits (annually)
Part-time: 6 credits (annually)

Course withdrawal(s) or incomplete(s) are evaluated as a non-completed course and will not be counted toward the time frame requirement. A repeated course will be counted as a regular course.

Repeat courses may not always be evaluated as any other normal course. Lynn University does allow repetition of a course in a Student's enrollment status for a term as long as student never passed the courses. Student can retake a passed course once to get improve the initial grade and receive Title IV Funds.

Chapter VI.

General Academic Policies and Regulations

Courses, programs and requirements described in this catalog may be suspended, deleted, restricted, supplemented or changed in any manner at any time at the sole discretion of the university.

Three Year Degree Scholars Program

Please refer to Chapter VII.

Academic Accommodations

As a learning-centered community, Lynn University recognizes that all students should be afforded the opportunity to achieve their academic and individual potential. The university recognizes and supports the standards set forth in Section 504 of the Rehabilitation Act and the American with Disabilities Act (ADA). In accordance with our mission and federal and applicable state laws, the university is committed to making reasonable accommodations for qualified applicants for admission and enrolled students with disabilities. It is the policy of the university not to discriminate on the basis of disability in any of its educational services, programs or activities. A disability is a physical or mental impairment that substantially limits one or more of the major life activities of an individual, a record of having such impairment or being regarded as having such impairment. The university has designated Matthew Roche, as the ADA coordinator. Students seeking more information regarding reasonable accommodations or any other related issues should contact Matthew Roche by phone at (561) 237-7728 or via email at mroche@lynn.edu for further information regarding specific policies and procedures.

Note: Issues regarding employment are handled through the Office of Employee Services.

Academic Bankruptcy

Students entering college sometimes perform at an unacceptable academic level. They either drop out or are dismissed. Some individuals with this experience re-evaluate their educational goals and desire to return to college. Their academic record, however, may present an insurmountable obstacle. Undergraduate students in this category who want the opportunity for a fresh start at the University without this handicap may apply for readmission with the request for Academic Bankruptcy.

Application for Reenrollment to the University with Academic Bankruptcy

A Lynn University student who has dropped out or who has been dismissed may request Academic Bankruptcy on meeting these conditions:

1. The student must apply to the Office of the Registrar.
2. At least six months must have elapsed since the end of the semester or term in which the student was last in attendance at Lynn University.
- 3.

Conditions of Approval

1. If Academic Bankruptcy is approved all previous courses will remain on the transcript. However, quality points will no longer be applied to the GPA.
2. Up to 30 selected credits may be forgiven; this would include any credits already forgiven by the Change of Major Forgiveness Policy.
3. Students who have used this policy will not be eligible for: Honor Society, President's Honor Society, Commencement Honors or Commencement Awards. Students may still be eligible for Dean's List.

Academic Bankruptcy can be granted only once for any student.

Caution: Many colleges, universities, and other institutions, such as medical, law, or graduate schools, may not honor another institution's academic bankruptcy policy. At Lynn, the updated GPA may not be applicable for financial aid awards or athletic eligibility.

Academic Grievance Policy

The following Academic Grievance Policy was designed by Lynn University to afford students an opportunity to formally grieve academic related complaints. A student who wishes to file a grievance of a non-academic nature should follow the Grievance Policy outlined in Volume VI, Section 6.8. Lynn University Policy Manual: Volume V – Page 58.

Grade Review Grievances

A student who has reason to believe that a grading error has occurred in any class shall promptly submit the grievance in accordance with the procedures outlined in the University's Grade Review Process.

The procedures outlined in the Grade Review Process should also be followed if the student believes that a grade was determined by standards improperly different from those applied to other students in the course. Student should be aware, however, that evaluation of student performance is the prerogative and responsibility of the course instructor. In questions relating to the quality of that performance, the professional judgment of the faculty member is commonly accepted as authoritative. An appeal is most likely to result in a change of grade for a course or assignment only if it includes documented evidence that there was an error in computing the grade, a posting/clerical error, or that the grade was determined by standards improperly different from those applied to other students in the course.

Grade Review Process

A student's request for review of a final course grade may be submitted during the first three weeks of the following term only on the basis of computational error. The process is as follows:

The student is to request a meeting with the instructor who determined the grade and present the evidence of the error. The instructor may change the grade if deemed appropriate or reaffirm the original grade.

If the student wishes to pursue an additional review, a written request with all supporting documents may be submitted to the college dean. If an agreement cannot be reached, the student and/or the instructor may appeal to the Office of Academic Affairs, where a final decision will be rendered.

For a disputed grade, other than the final grade, the student is to first meet with his/her instructor. Then should the student want to continue in the appeal process, he/she is to meet with the college dean by submitting a written statement within seven working days from the date of the student's notification of the grade.

Note: If a student feels unfairly treated or with bias by an instructor, the student should report the matter to the college dean immediately.

Classroom Procedures and Other Academic Grievances

These procedures should be used to appeal or resolve disputes concerning other academic related decisions considered by a student to be arbitrary or contrary to University policy, including but not limited to, classroom issues (i.e., attendance, failure to

adhere to the Course Syllabus, etc.) or issues pertaining to academic freedom rights. Appeals pertaining to academic dishonesty and satisfactory academic progress follow separate procedures as outlined in the Lynn University's Academic Honesty and Minimum Academic Requirements, respectively.

Students wishing to pursue an appeals or resolve disputed grades under this section should first arrange a conference to discuss the appeal or grievance with the faculty member(s) whose action is believed to have violated University policy. It is expected that all of the parties involved at each step of the appeals/grievance process will make a good faith effort to resolve the issues.

In the event that a student feels he/she has not received adequate satisfaction from the discussion with the faculty member involved, the student may submit a written request with all supporting documents to the college dean.

If an agreement satisfactory to the student and/or instructor cannot be reached as a result of the appeal to the college dean, the student and/or the instructor may appeal the matter in writing to the Office of Academic Affairs, where a final decision will be rendered.

Academic Honesty Policy

Integrity and honesty are essential to Lynn University's mission and community standards. As an academic community, honor, integrity and truthfulness are essential to the pursuit of knowledge and to establishment of mutual respect and trust among faculty, staff and students. Personal and professional integrity are also essential to our mission to educate students to become responsible and ethical citizens within a global community. Violations of the academic honesty policy undermine the fundamental values and standards of our community, and therefore, faculty, staff and students must accept their responsibility to uphold and abide by the highest standards of integrity and honesty.

Definitions

Violations of the Academic Honesty Policy include, but are not limited to, the following:

1. Cheating: Intentionally using or attempting to use unauthorized materials, information or study aids in any academic exercise. Infringing on the academic rights of others, such as defacement or theft of library material.
2. Fabrication: The intentional and unauthorized invention or falsification of any information or citation in an academic exercise.
3. Plagiarism: Intentionally or unintentionally representing the words or ideas of another as one's own in any academic exercise.
4. Facilitation: Intentionally or knowingly helping or attempting to help another to commit an act of academic dishonesty, including unauthorized collaboration on academic assignments.
5. Falsification of Injury: The intentional fabrication or distortion of an injury used as an excuse to miss conservatory rehearsals or concerts.
6. Misrepresentation of External Performances/Commitments: The intentional embellishment of outside commitments used as an excuse to miss conservatory rehearsals, concerts or classes.

Procedures

Faculty members who have evidence of a possible violation of the academic honesty policy must formally report the incident to the Office of Academic Affairs. Under no circumstances is the faculty member permitted to resolve the alleged incident on a unilateral basis. The Office

of Academic Affairs will review the faculty member's report, and if sufficient evidence exists, notify the student(s) of the alleged infraction(s). The allegation can be adjudicated by either the informal or formal process. The formal process must be used if a finding of guilt might result in the suspension of the student, including all cases of second violations.

Informal Resolutions

The Office of Academic Affairs will send the student a formal written notification of the allegations and the possible sanctions. The student will then have ten (10) days to respond in one of the following ways:

- Sign the form and request a meeting with the Office of Academic Affairs to discuss the allegations and or proposed sanctions.
- Sign and return the form to the Office of Academic Affairs accepting responsibility for the violation and agreeing to the recommended sanction(s).

If the student fails to respond within thirty (30) days, a hold will be placed on the student's account and the right to participate in the resolution of the allegation will be forfeited.

Formal Resolutions

If the alleged violation could result in the suspension or dismissal from the university, or if the student or faculty member requests a formal resolution, the Office of Academic Affairs will notify the faculty member and the student(s) that a formal hearing of the Academic Dishonesty Committee will be convened. The committee will be comprised of seven (7) full time faculty members to be appointed by the vice-president for Academic Affairs on an annual basis. The Office of Academic Affairs will serve as chair and will not have voting privileges. The vice-president for student development will serve as an ex officio member of the committee.

The Office of Academic Affairs will schedule a hearing in a timely manner and all parties will be notified of time and location. If the accused student(s) requests, the Office of Academic Affairs will assist the student in securing a member of the university community to advise and assist the student in preparing for the hearing.

All parties will have the opportunity to present his/her evidence to the committee. The documents, testimony and record of the hearings will be confidential. Upon completion of the testimony, the committee will meet in closed chambers and vote on the disposition of the student's status at the university.

Penalties

Depending upon the intent and severity of the violation, a student found responsible for any act of academic dishonesty will be subject to one or more of the following penalties:

The student is placed on academic honor probation until graduation. For any student on academic honor probation, a second violation will result in a minimum sanction of one semester of suspension from the university.

In addition to academic honor probation, a student might also receive a grade of "F" on the assignment or test; an "F" in the course; or be suspended or dismissed from the university. No provision will be made for the student to receive a "W" regardless of whether the professor or student initiate said request.

If the student receives a grade of "F" for the course or is suspended or dismissed from the university, the transcript will indicate the grade with "HF" and/or the notation "Academic Honor Suspension (Dismissal)."

Appeals

A student may submit a written appeal of a guilty finding to the vice-president for Academic Affairs within ten days of receipt of the original decision. Appeals must be based on new evidence, additional

information or procedural errors or misconduct. The vice president's decision is final.

A student can petition to have the grade of "HF" removed during their last semester as long as there are no further incidents of dishonesty.

Add/Drop Period

Course additions or section changes must be made during the official add/drop period as noted on the academic calendar. A student who drops a course during this period will not receive a grade, and the course will not appear on the permanent university record.

ILynn/ Evening students will not receive a full refund if dropping a course after the first day of the term, but an additional course may be added in its place at no charge.

Admission to Classes

Registered students are permitted to enter class only after obtaining financial clearance from Student Financial Services and completing the formal registration process. If a student is withdrawn, this may result in an additional financial obligation to the university.

Advising

The role of a faculty advisor is crucial to the university's educational mission.

As an educational community, the primary relationship for students should and must be with faculty in their roles as teachers and advisors. Faculty design curriculum and therefore are the best sources for guidance and counsel in academic matters. In this context, academic advising is teaching; an ongoing exchange between faculty and students in which faculty explain how and why courses, programs and other educational experiences are related to the needs and aspirations of students. Effective advising involves probing and exploring with students their understanding of themselves as learners and individuals and helping to foster their involvement within our community. Within the academic advising process, faculty educate students on an individual basis about academic programs, policies and strategies for success while also encouraging students to be active, responsible and informed participants in the advising process. Incoming students are assigned a faculty member based upon their academic and/or career interests. The faculty advising program requires that every student meet with his or her advisor on a regular and ongoing basis. The director of academic advising, who is also a member of the faculty, oversees the advising program and provides assistance to faculty and students and serves as a liaison between faculty, students and staff.

Academic advising goes well beyond assisting students with their semester schedule of classes. The role of the academic advisor includes, but is not limited to:

1. helping the student define his or her academic, intellectual, personal and career goals.
2. identifying courses and experiential learning opportunities that will help the student to achieve personal and professional goals.
3. being available and accessible to advisees and working with faculty to monitor students' academic status.

- referring students to appropriate campus resources, including personal counseling when appropriate.
- encouraging awareness of and involvement in cultural and social opportunities on campus for students.
- learning the policies and requirements for graduation and clearly communicating them to advisees so that they will not be deficient in any university, college or departmental requirements.

Advising Process:

Undergraduate Day freshman and sophomore students must meet with and be registered by a designated faculty advisor. Students with 45 or more credits earned can meet with and be registered by their designated advisor or may register online via MyLynn, pending approval by their advisor.

Undergraduate Evening/iLynn students are advised by a designated advisor. After an initial advising meeting and registration, students may register online for the following terms.

Graduate Day students are advised by a designated advisor. After an initial meeting and registration, students may register online via MyLynn, pending approval by their advisor.

Graduate Evening students are advised by a designated advisor. After an initial meeting and registration, students may register online via MyLynn, pending approval by their advisor.

Attendance

Regular and punctual attendance is essential to successful academic achievement. Each student is responsible for all work from the first day of class and must make satisfactory arrangements with the instructor regarding absences. The instructor's absence policy is explained on the course syllabus.

A student who requires an extended absence (greater than three school days) should notify the Dean of Students. The Dean of Students will determine whether the excuse is warranted.

The student's involvement in classroom activities and discussions is encouraged and expected. Therefore, attendance is not only important, but is essential to the learning experience.

Audit

Students who wish to audit a class must receive permission from their faculty advisor and the course instructor. A student who officially audits a course, although not required to take examinations, is expected to attend class regularly and to participate in a manner that is agreeable to the instructor. A grade of AU will be recorded on the official university transcript. Full-time undergraduate day student will not be charged for auditing a course. All other students (part-time undergraduate day, undergraduate evening, graduate day and graduate evening students) will be charged an audit fee (see the Tuition and Fees section for current fee).

Cancellation of Courses

The university reserves the right to cancel any course for which an insufficient number of students has enrolled or for other reasons deemed necessary. No charge is made to a student for a registration change necessitated by such course cancellation. Notification of a cancelled class will be sent to students at their Lynn e-mail address.

Change of Degree Information

To change degree information such as major, minor, advisor or catalog year students must complete a Change of Degree Information Form. The form must be signed by the new advisor. If an undergraduate day student is changing advisors, the form must also be signed by the director of academic advising. The form must be brought to the Office of the Registrar to be processed.

Change of Personal Information

To change personal information such as address or phone number, a student must complete a Change of Personal Information Form which can be found in the Office of the Registrar or on myLynn.

Citizenship Project

During the January Term or J-Term, all first year students will take a course in our inaugural program, The Citizenship Project. Courses in the Citizenship Project focus on a civic issue, problem or topic and will engage in experiential learning opportunities and community service work with local community-based partners. Thematic areas for the course include homelessness, environmental sustainability and urban renewal. Transfer students who begin in the fall, with up to 15.00 transfer credits, are also required to complete The Citizenship Project. Failure to complete this requirement by the end of the student's first year will result in dismissal from the university.

Classification of Students

Matriculated students are those who have met all admission requirements and have declared their intention to obtain a degree.

Non-matriculated students are those who have not been admitted to a degree program but are eligible to enroll as full- or part-time students. Non-matriculated students include those who enroll in courses for self-enrichment and are not following any specific degree program requirements.

Non-matriculated students seeking to matriculate into a degree program must declare their intent with the Office of Admissions.

Classification of Undergraduate Students

Matriculated students are classified according to the following number of semester hours of credit completed toward their degree:

Classification	Credit Hours
First Year	0 to 30
Sophomore	31 to 60
Junior	61 to 90
Senior	At least 91

Closed Class Permission

To register for a closed course that is at its student capacity, a student must submit a Closed Class Permission Form signed by the course instructor, advisor and college dean to the Office of the Registrar. Requests will not be approved if the classroom cannot physically accommodate additional students.

Code of Computing Practice

All Lynn University students and staff are expected to practice responsible and ethical behavior in their computing activities. While most computer users act responsibly, those who do not, either through ignorance or intent, can potentially disrupt others or even steal or damage their work.

To a reasonable and economically feasible degree, the university is responsible for securing its computing systems against unauthorized access and/or abuse while making them accessible for authorized and legitimate uses. This responsibility includes informing users of the expected standards of conduct and the punitive measures for not adhering to them. For specific information on information technology policies, see www.lynn.edu/student.

Combined Bachelor's/Master's Program

Qualified undergraduate students who wish to pursue a master's degree will be allowed to take a maximum of six credits in the Master's program while finishing their undergraduate degree, provided they have completed 90 undergraduate credits, maintain a minimum 3.25 GPA in the last 15 undergraduate credits at Lynn and maintain a 3.0 or higher GPA in their graduate courses.

*The conferral of a master's degree will require the completion of 30 unique graduate credits (credits not used towards the undergraduate degree).

Course Load

For iLynn/evening students the Fall Semester = both the Fall I and Fall II Terms, the Spring Semester=both the Spring I and Spring II Terms.

The academic year consists of the Fall and Spring Semesters. Summer enrollment is optional.

Undergraduate Day Semester

- Full time enrollment = 12 credits per semester
- It is suggested that students register for 15-16 credits per semester in order to complete 120 credits in 4 years.
- Tuition is charged as a flat rate for 9-16 credits. An overload fee will be charged if students register for more than 16 credits.
- If a student wishes to register for more than 18 credits a semester, the Vice President for Academic Affairs must approve.

iLynn Semester

- Full time enrollment = 12 credits per semester.
- It is suggested that students register for 15-16 credits per semester in order to complete 120 credits in 4 years.
- Tuition is charged per credit.
- If a student wishes to register for more than 18 credits a semester, the Vice President for Academic Affairs must approve.

Graduate Day Semester

- Full time enrollment=9 credits per semester for the Psychology and Music programs.
- Full time enrollment=5 credits for the Professional Performance Certificate
- Full time enrollment=6 credits per semester for the Ed.D. program.
- Tuition is charged per credit.

Graduate Evening Semester

- Full time enrollment=6 credits per semester.
- Tuition is charged per credit.

A course passed more than twice cannot count towards financial aid eligibility. However, variable content courses may be taken multiple times towards degree completion. Lists of these courses are outlined in Chapter 8 Sections 1, 2 and 3.

Course Withdrawals

After the add/drop period, students may withdraw from a course by completing the withdrawal form via electronic submission on myLynn. The completed form should be submitted to the Office of the Registrar within the designated time frame. Refer to the academic calendar for deadlines.

Students who withdraw from a course will receive a W on their permanent university record. A student can have no more than eight course withdrawals during his or her undergraduate enrollment in the university or three course withdrawals during each graduate enrollment in the university without the approval of the Office of Academic Affairs.

Credit Hour Definition

Undergraduate Day Semester & Graduate Day Semester

1 credit hour is equal to one hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately 15 weeks for one semester.

iLynn Term & Graduate Evening Term

Courses offered in our accelerated and online programs "mirror" the requirements of traditional courses in outcomes and assessment of learning.

Note: For the purpose of defining credit hours, one hour of classroom or direct faculty instruction is defined as a 50 minute class period. For more details information, see Volume V of the Lynn University Policy Manual.

Dean's List

In order to qualify for Dean's List, a student must have attempted and completed a minimum of 12 credits in the semester with a GPA of 3.5 or higher. The eligible student must have no grades below C.

For iLynn students a semester will include Fall I and II, Spring I and II or Summer I and II.

The Dean's List acknowledgement will be posted on the student's transcript.

Honor's Convocation

Each semester all students who have achieved Dean's List the previous semester will be invited to the Honor's Convocation.

Directed Study and Independent Study

Directed Study (regular courses taken by special arrangement in various formats) involves a one-on-one relationship between the student and the instructor (i.e., frequent conferences regarding the study are needed in order to complete a regularly offered course). Appropriate request forms for Directed Study are available in the Office of the Registrar.

Independent Study involves scholastic or research endeavors apart from regular courses offered at Lynn University. Students should pursue Independent Study with direction from their supervising professor with the approval of the appropriate college dean.

Signatures denoting approval by the instructor, appropriate college dean must be obtained before a student can register for either course of study.

Dual Major

Students must meet the following criteria in order to receive a dual major:

- both majors must be completed simultaneously (a degree will be conferred upon the completion of both major requirements).
- earn a minimum of 30 credit hours beyond those required for the first baccalaureate degree, or a minimum of at least 150 credits.
- notify the Office of the Registrar.

Students will earn only one degree (i.e. if one major is part of a BS degree, and the other major is part of a BA degree, the student will only receive either a BS or a BA). A diploma lists only the one degree earned, and the official transcript will list both majors.

Enrollment Verification Letters

Enrollment verification letters may only be requested by the student, unless their parents are listed on the Buckley Form. Enrollment Verification Forms are available in the Office of the Registrar or via electronic submission on myLynn and take approximately three working days to process.

Falsification of Academic Records

A student who has falsified academic records will be subject to dismissal from the university.

Federal Educational Rights and Privacy Act (FERPA)-Combined With Directory Info

The Family Rights and Privacy Act of 1974 (commonly called the Buckley Amendment) is designed to, with certain exceptions, protect the privacy of education records, establish the rights of students to inspect and review their records, and provide a means of correcting inaccurate and misleading data. Lynn University makes every effort to comply with this legislation.

Certain information is considered public and is released at the University's discretion. Unless a student files written notification to withhold disclosure, the University will release directory information (see list below). This includes announcements of graduation, honors and awards, and verification of the dates of attendance and conferring of degrees. Names, addresses, phone numbers, and other directory information will be released for use within the University community. Only transcripts of academic records and statement of academic status pertaining to Lynn University course work are released to third parties and then only with the written authorization of the student.

Parents of a dependent student have the right of access to educational records.

A student or eligible parent has the right to challenge any content of the student's education record which is considered to be inaccurate, misleading, or in violation of the student's privacy or other rights. Such challenge may be directed to the University Registrar in writing and clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. Please note, however, that Lynn University is not required to consider requests for amendment under FERPA that seek to change a grade, disciplinary decision, or the opinions or reflections of a school official or other person reflected in an education record.

1. If the University decides not to amend the record as requested by the student or eligible parent, the Registrar will notify the student or eligible parent of the decision and advise the student or parent of the right to a hearing regarding the request for amendment.
2. The request shall be in writing and presented to the Vice President for Academic Affairs. A hearing officer appointed by the Vice President for Academic Affairs will conduct the hearing. The hearing will be conducted within a reasonable time frame after the request for the hearing has been received. The hearing officer will notify the student or eligible parent, reasonably in advance, of the date, place, and time of the hearing.
3. The student or eligible parent will be afforded a full and fair opportunity to present evidence relevant to the issue raised. One or more other persons may accompany the student or parent. Such individuals, however, are not permitted to address the hearing officer. The hearing officer will make a decision in writing based upon the evidence presented at the hearing within a reasonable time. The decision will include a summary of the evidence presented and the reasons for the decision.
4. If the hearing officer supports the challenge request, the education record will be amended accordingly and the student or eligible parent will be so informed. If the hearing officer decides not to amend the education record, the student has the right to place in the education record a statement commenting on the challenged information and/or stating the reasons for disagreement with the decision. This statement will be maintained as part of the education record as long as the contested portion of the record is maintained, and whenever a copy of the education record is sent to any party, the student's statement will be included.

A student's permanent record consists of the transcript, application for admittance, and semester grade reports. These are maintained in the Office of the Registrar. All documentation used in the admission and placement processes, while considered nonpermanent, also is maintained in the Office of the Registrar during the period of the student's enrollment.

Directory Information

Lynn University has designated the following information as "Directory Information" and may release this information, without written consent or disclosure:

1. All Addresses;
2. Class;
3. College or school of enrollment;
4. Date and place of birth;
5. Dates of graduation;
6. Dates of attendance;
7. Degrees and/or honors awarded;
8. E-mail;
9. Expected date of graduation;
10. Full/part-time status;
11. ID Photograph;
12. Lynn University ID number;
13. Majors;
14. Merit scholarship;
15. Participation in officially recognized activities and sports;

16. Student's full name;
17. Telephone and Text Message listings;
18. Weight and height;

In order to withhold the release of the above information, the student must present the request to prevent disclosure form or a formal letter to the Registrar's office. This information will be withheld until the student releases it.

Students' Access to Educational Records

All students and former students have access to their educational records upon written request to the Office of the Registrar. Educational records include academic records, applications, high school transcript, letters of recommendation, and judicial files. With respect to former students, the term education records excludes records that are created or received after an individual is no longer a student in attendance at Lynn University and are not directly related to the individual's attendance as a student. An example of a record excluded from the definition would be alumni services. Any student who requests access to any educational record is expected to present valid identification.

There are some records to which the student has no right of access. These are:

1. Professional mental health treatment records to the extent necessary, in the judgment of the attending physician or professional counselor, to avoid detrimental effects to the mental health of the student or of others. These records may, however, be reviewed by a physician or other appropriate professional of the student's choice.
2. Financial information furnished by the student's parents in support of an application for financial aid.
3. Confidential letters of recommendation that were placed in the student's file prior to January 1, 1975.
4. Confidential letters of recommendation concerning admission, employment, or honorary recognition, for which the student has waived access. (Lynn University may not require a student to sign a waiver in order to obtain services, but a person writing a recommendation may insist on a waiver as a condition for writing it).
5. Personal notes made by a faculty member or counselor that are accessible only to that person and are not shared with others.
6. Materials in any admissions files, until the student has been admitted to, and has attended Lynn University.

Release of Confidential Records

The University will not release any confidential records concerning any student or former student unless a written statement authorizing such a release is supplied by the student or former student. Exceptions to this policy are:

1. Faculty and staff members with legitimate educational interests in the record: One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests.
 - a. A school official is a person employed by Lynn University in an administrative, supervisory,

academic or research, or staff position (including Campus Safety and Security personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as disciplinary or grievance committee, or assisting another school official in performing official tasks.

- b. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill the official's professional responsibility.
 - c. Additionally, education records may be released to contractors, consultants, volunteers, and other outside service providers used by the University to perform institutional services and functions, that it would otherwise use employees of the University to perform. The University must use "reasonable methods" to ensure that the school official obtain access to only those education records-paper or electronic-in which they have legitimate educational interests and the burden falls to the institution to justify access if questioned.
2. Authorized federal and state officials in the process of administering educational programs: The regulations clarify that educational agencies and institutions may provide personally identifiable information within education records to federal or state auditors without prior consent without violating FERPA.
 3. Administration requirements of the financial aid program.
 4. Accrediting organizations carrying out their accrediting functions;
 5. Parents of a dependent student: The regulations clarify that the University may disclose educational records to the student's parents without student consent if the student is a dependent for Federal Income Tax purposes.
 6. Organizations conducting studies on educational programs, providing that the identity of the student is not revealed;
 7. Emergency situations involving the health or safety of students or other persons: In making a determination under the health and safety exception, which allows educational institutions to disclose education records in the case of a health or safety emergency, institutions are now allowed to exercise judgment as follows:
 - a. The University may take into account the "totality of the circumstances" pertaining to a threat to the safety or health of a student or other individuals.
 - b. If the University determines there is an "articulable and significant threat" to the health or safety of a student or others, it may disclose information from education records to third parties, whose knowledge of the information is necessary to protect them, including the health and safety of the student or others.

- c. If, based on the information available at the time, there is a rational basis for that determination at the time the decision is made.
 - d. In addition, the University is permitted to allow disclosure of personally identifiable information from an education record to “appropriate parties,” including parents of a student, if knowledge of the information is necessary to protect the health and safety of the student or other individuals.
 - e. The Department of Education will require that the University involved in a disclosure under these circumstances to record the nature of the threat and the parties to whom it disclosed information under the “health and safety” emergency section.
 - f. FERPA also allows disclosure to parents if the student has violated any Federal, State, or local law, or any rule or policy of the institution, governing the use or possession of alcohol or a controlled substance, if the institution determines that the student has committed a disciplinary violation regarding the use or possession and the student is under twenty-one at the time of the disclosure.
8. Disclosure made in compliance with judicial order or lawfully issued subpoena;
 9. Disclosure made pursuant to federal and state law, including **complying with the Campus Sex Crimes Prevention Act**. To conform to the requirements of the Campus Sex Crimes Prevention Act, University officials are permitted to release information they received from a state community notification program about a student registered as a sex offender in the State.
 10. Information designated by the University as directory information.
 11. Disclosure to Other Colleges, Universities and/or schools to which a student is transferring: The authority to disclose or transfer education records to a student’s new school does not cease automatically the moment a student has enrolled in the new school and continues to be enrolled at any future point in time so long as the disclosure is for purposes related to the student’s enrollment or transfer. This means that the University may disclose any records or information, including health and disciplinary records, that the University could have disclosed when the student was seeking or intending to enroll in the new school.
 12. Disclosure made to a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of 34 CFR §99.39(a)(13). The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding.
 13. Disclosure made to the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39(a)(14), if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of

the school’s rules or policies with respect to the allegation made against him or her.

While the University reserves the right under the above stated circumstances to disclose information from a student’s education records without the student’s written consent, the university is under no obligation to do so.

University offices maintaining education records will keep a record of all parties requesting or obtaining access to the contents of student records (except in case of requests by school officials; or by parties requesting directory information). This record of request must identify the legitimate interest the person(s) had in seeking or obtaining information contained in a record and may be available for inspection by the student identified by the record.

Challenges to the Content of Records

A student may challenge the contents of an education record which they consider to be inaccurate, misleading, or otherwise in violation of their privacy rights. Students may initiate a challenge by submitting a written request to the custodian of the particular record in question, who shall attempt to resolve the problem through informal discussions. If a challenge to a record is not satisfactorily resolved by this procedure, the student will be informed of their right to a formal hearing, the procedures to be followed concerning such a hearing, and its composition.

Upon the request of the student, a formal hearing may be held following these guidelines:

1. The hearing shall be conducted and decided within a reasonable period of time following the request for the hearing. The student shall be notified as to the time and place of any hearing;
2. The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised;
3. The University shall be afforded the opportunity to present testimonial and/or documentary evidence in response to any evidence presented by the student;
4. The hearing shall be conducted, and the decision rendered, by a University official or other party who does not have a direct interest in the outcome of the hearing. The appropriate President Cabinet member with oversight over the record in question shall appoint such official or other party;
5. The decision will be rendered in writing within a reasonable period of time after the conclusion of the hearing;
6. The record of the hearing and decision will be preserved in the student’s file.

Annual Notification

Lynn University will annually inform individuals in attendance of their rights under FERPA, including the right to consent to disclosure of personally identifiable information contained in their education records, the right to opt out of the disclosure of “Directory Information,” the right to review and seek correction of education records, and the right to file a complaint with the Department of Education concerning the University’s alleged failure to comply with FERPA.

Parental Notification

The University’s policy regarding disclosure of student information to parents is based both upon legal requirements and

the University's philosophy that students should be treated as adults. The University generally will not share educational records (other than Directory Information) with third parties, including parents or guardians, without student consent, except in limited circumstances where such disclosure is permitted under FERPA (described below) and where the university determines in its discretion that disclosure is appropriate.

- In connection with an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals.

- To the parent or legal guardian of a student under the age of 21, information regarding the student's violation of a University policy governing the use or possession of alcohol or drugs.

- To a person who submits a written affirmation that he or she is the parent or legal guardian of a student and that the student is a dependent within the meaning of Section 152 of the Internal Revenue Code of 1954.

- In other limited circumstances as allowed under FERPA and its implementing regulations, as they may be amended.

In cases involving a health or safety emergency or a violation of a university policy regarding the use or possession of alcohol or drugs, a decision to notify parents or guardians about information contained in an education record - and the actual communications to the parents or guardians - will be made by Student Affairs, in each case after consultation with the student's school office and other appropriate offices. Whenever practicable, a student whose parents or guardians are to be notified will be informed before such notification occurs and given an opportunity to initiate contact with his or her parents or guardians.

Academic Files

Students' permanent academic files, including all official transcripts, are maintained in the Office of the Registrar. Students needing access to their files must contact the Office of the Registrar.

Right to File a Complaint

In addition to the above rights, the act also affords students the right to file a complaint with the U.S. Department of Education concerning alleged failures by Lynn University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, D.C., 20202 8520

For a complete description of FERPA regulations, please visit: <http://www.ed.gov/policy/gen/guid/fpco/index.html>, which is a link to Family Policy Compliance Office in the Department of Education.

Forgiveness Policy

The forgiveness policy allows a student to discount courses in the abandoned major, minor or specialization. It also allows for forgiveness of an elective that does not need to be successfully completed for graduation purposes. The transcript will reflect the student's complete record with an added notation of "Academic Forgiveness Declared" by the selected course(s); however, the grade(s) will not be calculated in the cumulative GPA. A forgiveness policy form is available on myLynn and will need the signature of the dean of the school of the newly chosen program, as well as registrar approval. The forgiveness policy may only be used once in a student's college career and may only be used for a total of two courses.

Grade Notification

At the midterm point each semester, all undergraduate day students will be issued a midterm grade viewable on the Web at www.lynn.edu/mylynn.

At the conclusion of each semester/term, all students will be issued a final grade viewable on the Web at www.lynn.edu/mylynn.

Grade of Incomplete

A. For a student to be eligible to receive an incomplete for a course:

1. The student must provide to the dean of students documentation of the extenuating circumstance(s) that prevent him/her from satisfying the course requirements and learning outcomes of that particular course.
2. The student, at the time of applying for an incomplete, must have completed two-thirds of the term and have a passing grade.

B. The application process:

1. The student will have the option of applying for an incomplete in one or more courses.
2. The student will obtain and complete the incomplete application form and bring it to the dean of students with appropriate documentation. The dean of students will verify that the student's application satisfies the eligibility criteria. If the application satisfies the eligibility criteria then the dean of students will return the approved form to the student who will then take the form to the professor of the course. The professor and student will draw out a contract, which includes but is not limited to: all course work to be completed and the deadline for this material to be submitted. After the student agrees to the terms of the contract and signs the form, the professor will take the contract to the dean of his/her college. The dean will then review the contract and sign the form upon approval. The "I" is now official and the contract is binding. The dean of the college will distribute copies of the contract to the professor, the student, the dean of students and the Registrar. Each recipient will place the copied contract in the appropriate file. The professor will keep one copy and the original will be placed in the student's file in the college of his/her major.

C. The form:

1. Will be available online.
2. Will contain current grade, what specific assignments are to be completed due date for all material (not to exceed one year beyond the original term final grade due date), and state that the final course grade will be a "W" if the student does not complete the requirements.

Note: As of fall 2006 students are limited to eight undergraduate and three graduate course withdrawals.

Grade Point Average

At the end of each semester, a scholarship index (GPA—Grade Point Average) is computed for each student.

A = 4.00 points for each credit
A- = 3.67 points for each credit
B+ = 3.33 points for each credit
B = 3.00 points for each credit
B- = 2.67 points for each credit
C+ = 2.33 points for each credit

C = 2.00 points for each credit
C- = 1.67 points for each credit
D+ = 1.33 points for each credit
D = 1.00 point for each credit
F = 0.00 points
HF (HONOR CODE VIOLATION)
= 0.00 points

Thus, a grade of A in a three-credit course would be assigned 12 points.

The GPA is determined by dividing the total number of earned quality points by the number of hours towards the GPA. Grades of AU, I and W are excluded from the calculations. Other symbols in use (not included in computation of average):

W	Officially Withdrawn from the Course
AU	Audit
I	Incomplete
P	Pass
NP	Not Passed

Grade Scale

A = 93-100	C = 73-76
A- = 90-92	C- = 70-72
B+ = 87-89	D+ = 67-69
B = 83-86	D = 60-66
B- = 80-82	F = 0-59
C+ = 77-79	

Note: The student's final grade average is rounded to the nearest percent before grades are determined.

GRADUATION

General Information

Students may choose to graduate under the catalog in effect at the time of their first enrollment or any subsequent catalog provided that the student graduates within eight years from the date of the first enrollment. If students do not graduate within this eight-year period, they may be subject to fulfilling any new program requirements in effect.

There is one graduation ceremony a year which is held in May; however, degrees are conferred at the end of each term. Students are not eligible to participate in the ceremony if they do not meet the following requirements:

- Undergraduate students must have no more than 3 courses left to complete in the summer
- Graduate students must have no more than 12 credits left to complete in the summer.

Every student must sign and return a Graduation & Diploma Application in order to have their degree conferred, and every student must sign and return a Ceremony Petition in order to participate in the ceremony.

Student Right-to-Know graduation rates are available in the Institutional Research Office and on the Lynn University Web site.

Overall Requirements for the Associate Degree

- complete a minimum of 60 semester hours.
- attain a minimum cumulative grade point average of 2.0.
- earn at least 25 percent of the degree at Lynn University.
- satisfy all Lynn University undergraduate curriculum requirements for the associate degree, including core curriculum requirements.

Overall Requirements for the Baccalaureate Degree

- complete a minimum of 120 semester hours.
- attain a minimum cumulative grade point average of 2.0.
- earn at least a minimum of the last 30 credits at Lynn University.
- satisfy all Lynn University undergraduate curriculum requirements for the baccalaureate degree, including core curriculum requirements.
- complete a minimum of 45 credits that are upper division (300+level).

Commencement Honors

At commencement, baccalaureate degree students attaining the standards designated below will graduate with honors.

Cum Laude	3.50 to 3.64
Magna cum Laude	3.65 to 3.79
Summa cum Laude	3.80 to 4.00

Commencement honors are awarded on the basis of at least 60 credit hours earned at Lynn University. Students who have fewer than 60 credit hours may apply for commencement honors by requesting a petition for commencement honors from the Office of the Registrar.—Provided that the overall GPA earned at previous institutions and at Lynn University meets designated standards, commencement honors will be awarded.

Overall Requirements for Master's Degree

A candidate for a master's degree must:

- attain a minimum cumulative grade point average of 3.0.
- satisfy all Lynn University graduate curriculum requirements for the master's degree, including thesis requirements.
- satisfy the requirements for a major that includes at least 30 unique credits.

Commencement Honors

Master's students are not eligible for honors distinctions as they are expected to maintain high levels of academic excellence.

Overall Requirements for Ed.D. Degree

A candidate for an Ed.D. degree must:

- complete a minimum of 51 semester hours.
- attain a minimum cumulative grade point average of 3.25.
- satisfy all Lynn University graduate curriculum requirements for the Ed.D. degree, including thesis requirements.
- sign and return a graduation application to the Office of the Registrar

Commencement Honors

Ed.D. students are not eligible for honors distinctions as they are expected to maintain high levels of academic excellence.

Honor Societies

Honor Society

Full-time students who have earned 48 or more credits at Lynn University and have a cumulative GPA of 3.5 or higher are eligible for the Honor Society.

President's Honor Society

Full-time students who have earned 48 or more credits at Lynn University and have a cumulative GPA of 3.75 or higher are eligible for the President's Honor Society.

* Members of the Honor Society and the President's Honor Society will receive a certificate in recognition of their accomplishments.

Honor's Convocation

Each semester all members of the Honor Society and the President's Honor Society will be invited to the Honor's Convocation and receive a certificate in recognition of their accomplishments.

The Institutional Review Board

All human subject research and research-related activities involving human subjects conducted within or under the auspices of Lynn University by any faculty, employees or students, is subject to the Institutional Review Board for the Protection of Human Subjects in Research (IRB) review, recommendations if warranted, and final approval.

The purpose of the IRB is to safeguard the safety, privacy, health and welfare of the human subjects involved in research and research-related activities. The IRB reviews three categories of research: new projects periodic review on a continuing project and procedural revision to a previously approved project. IRB members are selected for their experience, expertise, diversity and breadth in backgrounds and represent individuals with primary concerns in both scientific and non-scientific areas. Under no conditions can proposed research begin prior to IRB review and written approval.

Investigators have many obligations, including designing the study so that the incidence of risk and stress are minimized to the greatest degree possible and that these risks are accurately described in the protocol. Moreover, the investigator bears responsibility for terminating the study when hazards or risks to the subjects become apparent or may be incompatible with the study's benefits; further, investigators must report any adverse reactions associated with the study to the IRB.

Information regarding the IRB Policies is available in the appropriate college and the IRB Web site (contact the IRB for the URL to this site). These procedures are briefly summarized as follows:

- The investigator and the advisor of the project must take and complete the National Institutes of Health "Human Participants [Subjects] Protection Education for Research Teams" **On-Line Course**. The course can be found at <http://phrp.nihtraining.com/users/login.php>. Certificates of completion must be provided to the IRB prior to in the initiation of data collection.
- Prior to submission to the IRB, a research proposal must be approved by an advisor in the case of student research

or by the supervisory vice president in the case of a university employee.

- Completed IRB application including the research protocol, certifications and signatures, and curriculum vitae of principal investigator is submitted to the IRB. Reviews may be by convened full board review, expedited review, or request for exempt status.
- Submission of material is done electronically and is rolling. Information regarding submission can be found at the IRB blackboard site. If the IRB has any special concerns or questions, the researcher may be asked to attend the meeting.
- The IRB notifies the investigator and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and provide the investigator an opportunity to respond in person or in writing. Institutional notification for employees is sent to the investigator's supervisory vice president and to the research advisor in the case of students. For students, once approved, a copy of the approval letter is sent to the Office of the Registrar for the student's permanent file.
- Currently approved protocols must be reviewed annually.
- For more detailed information on Research Policies please see Volume V of the Lynn University Policy Manual.

Leave of Absence

If a student wants to request a Leave of Absence (LOA) they must see the dean of students to fill out the LOA form.

A LOA form is not required in order for a student to withdraw from all of their classes; however, a student must indicate on the LOA form if they want to withdraw from all of their current courses and be dropped from all of their future courses, or just be dropped from all of their future courses.

The dean of students will place any conditions of return on the LOA form and forward the form to the Office of the Registrar, the Office of Student Financial Services and the dean of students, and then place the form in the student's file.

Once the form is received in the Office of the Registrar, the following will be done:

- Student will be issued grades of W for each course in the current semester (if applicable).
- Student will be dropped from all future courses.

Once the student is ready to return they must complete a reenrollment form and meet with the dean of students. Once they have determined that the student has met all of their conditions of return the Office of the Registrar and Student Financial Services will be notified.

Observance of Religious Holidays

Lynn University respects the rights of all individuals to observe customarily recognized religious holidays throughout the academic year. If a student intends to be absent from classes as a result of any such observance, the student should notify his/her professors in writing prior to the specific holiday.

Pre-requisite Overrides

A student may register for a course, which has a prerequisite that has not yet been met at the discretion of the student's faculty advisor.

Probation

Undergraduate Day Probation

After the first semester with a career GPA below 2.0, students will be sent notification of their probation status.

After the second semester with a career GPA below 2.0, the director of academic advising (ddicerbo@lynn.edu) will review each student's transcript and determine if the student will be dismissed or be granted one final probationary semester.

- If given one probationary semester, the director of academic advising will provide a list of specific conditions to be met. Failure to meet these conditions will result in automatic dismissal at the conclusion of the following semester.

Students who have already been placed on probation should check their grades on MyLynn before returning to campus. Students are not guaranteed a probationary semester, so this should be taken into consideration before travel arrangements are made.

Note: All correspondence for probation will be emailed to the student's Lynn email address and mailed to the local address and legal home/permanent address on file. Dismissal letters will be emailed to the student's Lynn email address and be sent via FedEx to both the local and legal home/permanent addresses on file.

Appeal Process

A student has a right to appeal a decision of academic dismissal and must do so in writing. Extraordinary circumstances beyond the control of the student or significant academic progress are the only reasons for considering an appeal.

Undergraduate Day Students should direct their appeal to the director of academic advising (ddicerbo@lynn.edu) by July 15th for the fall semester or by December 31st for the spring semester.

Undergraduate Evening/iLynn Probation

Students with a career GPA below 2.0 for four consecutive terms may be academically dismissed from the university. Notification of probation status will be sent to the student's local address on file. Should you fail, or receive a grade of D, in a course that is not able to be repeated before the completion of the four consecutive terms, a term GPA of 2.0 must be achieved for each of the consecutive terms.

Please note the following: probation status is calculated on career GPA, not term GPA, and repeating courses you have previously failed is the quickest way to improve your GPA.

iLynn Students should direct their appeal to the Director of evening, online and graduate advising (arogers@lynn.edu) by the end of add/drop period for the following term.

Graduate Day Probation

After the first semester with a career GPA below 3.0, students will be sent notification of their probation status to their local address.

The director of evening online and graduate advising (arogers@lynn.edu) will review each student's transcript and determine if the student will be dismissed or be granted probationary semesters until the course(s) can be repeated and successfully completed (most courses are offered only once a year).

Appeal Process

A student has a right to appeal a decision of academic dismissal and must do so in writing. Extraordinary circumstances beyond the control of the student or significant academic progress are the only reasons for considering an appeal.

Graduate day students should direct their appeal to the Director of evening, online and graduate advising (arogers@lynn.edu) prior to the add/drop deadline of the following semester/term.

Graduate Evening Probation

A student who falls below the minimum career GPA requirement of 3.0 will be placed on academic probation. Students on academic probation after the completion of 6 courses may be academically dismissed from the university. Notification of probation status will be sent to the student's local address on file.

Please note the following: probation status is calculated on career GPA, not term GPA, and repeating courses you have previously failed is the quickest way to improve your GPA

Appeal Process

A student has a right to appeal a decision of academic dismissal and must do so in writing. Extraordinary circumstances beyond the control of the student or significant academic progress are the only reasons for considering an appeal.

Graduate evening students should direct their appeal to the director of evening, online and graduate advising (arogers@lynn.edu) prior to the add/drop deadline of the following semester/term.

Ed.D. Probation

Students in the EdD program are expected to maintain a career GPA of at least 3.25, as well as a minimum grade requirement of B- for each course. Students in the doctoral program will have their mid-program review during their fifth semester. Students may be strongly encouraged to continue in the program, recommended to remain in the program, placed on probation, or asked to leave the program as a consequence of this review. This review considers the whole of the student's work to date, including attendance, participation, comprehension, and writing as well as any other factors deemed important by the faculty. The review assesses the student's potential for success at the dissertation in practice stage.

Students who are placed on probation will engage in a formal improvement process. The improvement process includes the following steps:

1. The student should develop a performance improvement plan with their identified mentor. This plan must include steps and a time line for achieving satisfactory progress over the remaining four semesters.
2. The performance improvement plan should be submitted to the Director of the Ed.D. Program in Educational Leadership.
3. After the performance improvement plan is approved by the Director of the Ed.D. Program in Educational Leadership, the student and mentor will meet with the Director of the Ed.D. Program in Educational Leadership

and the Dean of the College of Education to discuss the student's performance and the plans for improving it.

4. The Dean of the College of Education will decide whether and when all tasks in the improvement plan have been successfully completed. The recommendation by the mentor will be taken into account for this decision.

Conservatory of Music Probation

Students accepted into the Conservatory of Music are required to conduct themselves in a manner appropriate to a member of a productive musical community as well as meet the following academic standards in order to remain in good standing and retain his/her music scholarship each year:

- Maintain a minimum semester GPA (2.75 undergraduate, 3.0 graduate).
- Earn a minimum grade of "C" in Applied lessons, juries, mock auditions, recitals, graduate performance requirements and all performing ensembles.
- Attend classes, lessons, rehearsals, master classes, performance forum, Showcase
- Concerts, outreach performances, juries, mock auditions and other Conservatory performances and activities as assigned.

Students who fail to maintain these minimum requirements shall be placed on academic probation within the Conservatory of Music. Students who fail to meet the Conservatory's minimum academic requirements for two consecutive semesters shall be dismissed from the Conservatory with an option to appeal to the Dean.

Re-enrollment

If a student left the university in good standing and wants to return to complete their degree, first he or she must contact the Office of the Registrar.

If the student left because of academic suspension, he or she must contact the appropriate director of academic advising to receive permission to return. For undergraduate day students contact ddicerbo@lynn.edu and for graduate and iLynn students contact arogers@lynn.edu

If the student left because of behavioral or social suspension, he or she must contact the dean of students (gmartin@lynn.edu) to receive permission to return.

If the student left Lynn University with an outstanding balance and were turned over to a collection agency, he/she will need to contact the Director of Student Accounts (studentfinancialservices@lynn.edu), if they wish to re-enroll once the outstanding debt and collection fees have been paid.

Once a student is approved or denied, the director of academic advising or the dean of students will notify the Office of the Registrar and the Office of the Registrar will send written notification to the student.

If a student wants to return to Lynn to complete a second degree, they must apply through the Office of Admission.

Registration

Course registrations for undergraduate day, graduate day and graduate evening students are processed by their academic advisor while course registrations for undergraduate evening students can be processed online.

Repeat Courses

In order to improve their knowledge of a subject and cumulative grade point average, students may elect to repeat a course in which they have earned a less than satisfactory grade, especially a "D" or an "F." The higher grade will be the grade that contributes toward the cumulative grade point average. In situations where the course needed to be repeated is no longer available or offered, a similar course may be substituted with the approval of the dean of the college. A course in which a grade of "F" was earned at Lynn University can be repeated only at Lynn University.

Residency Requirement

Undergraduate Students

Students must complete must complete at least 25 percent of the degree at Lynn University. Any exception must be approved by the Vice President for Academic Affairs.

Second Bachelor's Degree

Students who wish to complete a second Bachelor's degree must meet the following criteria:

- seek a second degree that is significantly different from the first degree.
- receive approval from the Office of Academic Affairs.
- complete all requirements for the second degree, which must be a minimum of 30 credits.

Second Master's Degree

Students who have already earned a master's degree from Lynn and wish to pursue a second master's degree must meet the following criteria:

- Apply and be accepted by the Office of Admission
- Seek a second degree that is significantly different from the first degree
- Complete a minimum of 24 unique credits
- Complete all degree requirements for the second degree

Students new to Lynn, who wish to pursue a second master's degree, must meet the following criteria:

- Apply and be accepted by the Office of Admission
- Complete all degree requirements for the second degree
- Speak to the college dean to see if transfer credit can be awarded for any previous graduate degree work, no more than 6 credits can be transferred.

Special Student Status

Graduate students who wish to take courses for the purposes of continuing education, teacher certification or transfer of credits to another institution may register as Special Students. Special Students are classified as non-degree seeking students and must show evidence of graduation from an accredited college or university in order to be eligible for this classification and take graduate courses at Lynn University. Special Students must complete a Special Student form available in the Office of Admissions and may be limited to six credit hours, except under the following circumstances:

- Educators seeking ESOL certification or taking courses for certification or recertification purposes are limited to 15 credit hours (five three-credit courses).

Those interested in enrolling as non-degree seeking students should contact the Office of Admissions for a Special Student form and

registration materials. Term schedules of classes are available on the university's Web site.

Financial aid is not available to Special Students. Because of immigration regulations, a foreign student with either an F-1 or J-1 Visa may not register as a Special Student and must be degree seeking. Students who would like to change their status to degree seeking must complete a graduate application, provide all necessary documentation, including entrance testing if appropriate, and meet all admission requirements. Enrollment as a Special Student in no way implies a right for future admission to the university or a graduate program.

Credit earned as a Special Student does not automatically count as fulfilling graduate degree requirements unless approved by the program coordinator or dean of the appropriate college. All such proposed courses must have a grade of B or better and meet specific course requirements for the degree. This determination is made after the applicant has been accepted to the university or by the end of his or her first term as a matriculating student.

Student Responsibility

Lynn University encourages its students to take the primary responsibility for their own academic activities and to accept the resulting consequences. No student should behave in a manner that can harm the educational environment or diminish the learning experience of any other member of the academic community. Each student is responsible for a knowledge of and adherence to regulations regarding registration, withdrawal, degree plan, deadlines, curriculum, graduation requirements and payments of tuition and fees.

Lynn University does not grant certification or licensure for the practice of any profession. Regulations governing certification and/or licensure are under the sole control of the appropriate boards in each state authorized to oversee these processes.

It is the student's responsibility to:

- contact the appropriate professional boards in the state(s) in which they intend to practice.
- determine all requirements related to certification and/or licensure.
- determine whether or not the degree program in which they are enrolled at Lynn University meets all program requirements for certification and/or licensure for the state(s) in which they intend to practice.

Transcripts

Transcripts must be requested in writing by the student or alumnus (the form can be found at www.lynn.edu/transcripts or requested electronically (by logging on and going to MyLynn/Academics/Student). Official Transcripts, which bear the signature of the registrar and the Official University Seal are typically processed within one (electronic version) to three (paper version) working days after receipt of the request. During busy times in the office, requests may take up to two weeks to be processed. Lengthier processing periods typically occur at the beginning and end of a semester. For students with a status of "suspended" the transcript will have a notation for that term, until the conditions of the suspension has been satisfied. Please note: Transcripts cannot be faxed.

TRANSFER CREDITS

Transfer Credit Evaluations

Transfer credit is awarded for courses successfully completed at a regionally accredited institution or an institution whose accrediting

organization is recognized by the Council for Higher Education Accreditation (CHEA).

Official transcripts from each institution attended must be submitted in order for the Office of the Registrar to complete a formal transfer evaluation. Courses completed outside of the United States require students to submit an official foreign credential evaluation and translation along with their official transcripts. Each transfer evaluation is reviewed by the Office for Academic Affairs and/or appropriate college faculty.

A course evaluated as equivalent to a Lynn course is accepted as that course. A course evaluated as not equivalent is accepted as an elective. If a preliminary evaluation is completed for a student based on an unofficial transcript, that evaluation will not be considered final until official documentation is received and reviewed for accuracy.

Although credits transfer in from other institutions, grades do not. Transfer courses are listed on the transcript with a grade of "T." A student's Lynn grade point average is based solely on courses completed at Lynn University.

Undergraduate Student Transfer Policy

Any course that was successfully completed at another institution may be accepted. All undergraduate students must complete at least 25 percent of the degree at Lynn in order to receive their degree.

Lynn University also accepts credit for AP, CLEP, International Baccalaureate and University of Cambridge Exam credits. Please submit official transcripts for review.

Graduate Student Transfer Policy

No more than nine transfer credits will be accepted and they must meet the following criteria:

- The course(s) must be at the graduate level;
- The course(s) must have a grade of B or better and be taken no more than four years prior to admission to Lynn University.

Doctoral Student Transfer Policy

No more than thirteen transfer credits will be accepted and they must meet the following criteria:

- The course(s) must be at the doctoral level;
- The course(s) must have a grade of B or better and be taken no more than four years prior to admission to Lynn University.

Transfer of Credit Procedure

Requests for transfer of credits should be directed in writing to the faculty advisor or degree program coordinator. Appropriate documentation should accompany the request and include an official transcript and one or more of the following: a course description, a catalog, a syllabus for the course or completed written assignments for the course.

Permission to Study at Other Institutions

Students who desire to attend another collegiate institution while enrolled at Lynn University and want to ensure that those credits will apply to their Lynn University degree program must complete the Transient Form and obtain the appropriate signatures. Only credit hours transfer, not grades.

Chapter VII.

Academic Support Services

Institute for Achievement and Learning

The Institute for Achievement and Learning provides innovative academic support services that creatively link all aspects of Lynn University with academic achievement to become independent learners. To ensure positive opportunities that embrace, engage and empower students, the Institute offers diagnostic information and assessments, and a menu of comprehensive, and diverse support services. The Institute also provides professional development and training with opportunities for educational research that extend from faculty workshops to seminars designed to include the greater community. The Institute has been created as the vehicle to promote the idea of label-free learning, encouraging academic excellence both in and out of the classroom and celebrating the uniqueness of every mind and potential of every student. The Institute is the coordinating body for existing and new campus academic support services and the primary source for student support outside of classroom instruction. All students have access to the Institute, which includes the following resources and programs:

- The Diagnostic Center for Educational Assessment: The Institute's diagnostic branch exists to further illuminate student strengths and weaknesses. Recommendations for students are made in the form of compensatory strategies, i.e., building on students' strengths not remediating weaknesses. Services are open to all Lynn University students.
- Lynn University Institute for Achievement and Learning Tutoring Program: The program is designed to assist all Lynn University students with course work by offering individual and content-area tutoring and use of the Institute staffed writing center. All tutors and writing

center staff hold advanced degrees, including many who have terminal degrees in their respective fields.

- The Comprehensive Support Program component of the Institute is a fee-based program that requires students to submit documentation of their learning difference at the time of their application to Lynn. The program is designed to provide structure, support, and accountability for LU students. The services include coaching, tutoring, and registration into Institute Fellows courses. These services are staffed by experts in the field of working with students with learning challenges.
- ADA Office: Available to students who qualify for special accommodations for learning and testing.

Services

The Institute's services offer students an extraordinary opportunity to achieve at the college level. Programs provide motivated students with learning challenges support services to assist in their academic journey at the post-secondary level while fostering academic independence.

Students enrolled in the Comprehensive Support Program component of the Institute are provided with academic coaching, a separate testing area, specialized Dialogue courses with a low pupil-to-teacher ratio taught by Faculty Institute Fellows and tutorials in most subject areas.

Institute Fellow courses are taught by professors who have been trained in learning style differences, classroom management techniques and assessment strategies, in addition to having expertise in their academic field. Institute Fellows certification demonstrates that the faculty member has achieved competency in understanding Institute for Achievement and Learning pedagogy,

utilization of motivational strategies in the classroom, implementation of metacognitive strategies, use of multiple approaches for assessing student learning, and the utilization of classroom technology

The Wayser Family Tutoring Center is located in the Institute for Achievement and Learning. Tutoring sessions are scheduled through the Tutoring Center coordinator. The center offers individual tutoring. Tutoring sessions are available by appointment or on a walk-in basis. In the event that a student cannot attend a scheduled appointment, he or she must notify the Lynn tutoring staff within 24 hours or be charged the normal fee. The meetings between the center staff and students are face-to-face, and tutoring is provided for most Lynn University courses. The Institute supports writing across the curriculum, serving both day and evening students. The Tutoring Center is open five days a week as is the accompanying Writing Center. All tutors hold advanced degrees, including many who have terminal degrees in their respective fields.

The Testing Center is located in the Institute for Achievement and Learning. Testing Center hours are Monday through Thursday, 8 a.m. to 6 p.m. and Friday 8 a.m. to 4 p.m.

The Institute uses a diagnostic coaching model to address behavioral issues specific to college students with ADHD or executive functioning deficits. Organizational skills, prioritizing of assignments and daily activities, strategies for procrastination issues, time management skills, coping with impulsivity, strategies to aid with focus and attention in and out of the classroom, and study skills are some of the topics covered during coaching. Most coaches hold a coaching certification through the International Coaching Federation (ICF).

The Diagnostic Center for Educational Assessment offers intelligence and achievement assessments for enrolled students who may be struggling academically. Students receive psychoeducational testing, face-to-face meetings to discuss academic strengths and areas for improvement, recommendations for increasing academic skills, and follow up meetings to ensure an understanding of the assessments and recommendations. A licensed psychologist administers these assessments. Hours are Monday through Friday, 8:30 a.m. to 4:30 p.m.

American Disabilities Act (ADA) Accommodations

In accordance with the university's mission as well as applicable federal and state laws, Lynn University is committed to providing equal access and participation educational opportunities for all, qualified students with documented disabilities through the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act.

Procedures for Obtaining Accommodations:

Eligible students who are seeking ADA accommodations must register with the ADA Coordinator by providing appropriate documentation including, but not limited to, psychological-educational evaluations, neuropsychological evaluations, or medical documentation by a treating physician. Please note that additional documentation may be requested at the student's expense.

It is the student's responsibility to provide appropriate documentation and to self-disclose. Accommodations are granted on a case-by-case basis and can be sought at any point throughout the academic year, but must be renewed each term accommodations are desired. However, it is encouraged to disclose early in order to best accommodate the student.

Hannifan Center for Career Connections

The Hannifan Center for Career Connections is a one-stop career center, serving all students of Lynn University. The center is located

on the first floor of Eugene M. and Christine E Lynn Library. Its overall purpose is to ensure students are gainfully employed post-graduation, as well as preparing them for the real world work force.

The team of the Hannifan Center for Career Connections assists students with their career selection and job search in group sessions and/or by private appointment. Workshops on a variety of topics are provided: résumé development, interview skills, how to dress for success, and launching a job search. An annual Career Fair and Internship Fair provides students with access to a large number of recruiters from a variety of employers. A variety of services are provided to students by appointment: career counseling, career and personality assessments and resume reviews. Mock interviews with employers are conducted monthly on campus and students must register to participate. Alumni shadowing opportunities are available upon request.

Center for Learning Abroad

The Center for Learning Abroad (CLA) is responsible for creating opportunities so that every Lynn University student has the chance to study abroad during their degree, whether the program is during January Term, the summer, for a semester or for an academic year.

Lynn University fully recognizes that our students live in a globally interconnected world, both socially and economically, and that study abroad opportunities can be an important part of the overall collegiate learning experience. There is a wide variety of programs available to Lynn University students including those led by Lynn University faculty. The CLA pre-approves all programs before they are made available to Lynn University students in terms of their academic rigor; for health, safety and security; and in terms of student life and support services.

Lynn-Approved Programs

Carefully selected by the CLA staff for their academic relevance, overall quality and service to students, Lynn-Approved Programs are available in all regions of the world including Latin America, Europe, Asia, Africa, and Oceania. These short-term, semester and year-long programs offer coursework in all majors and are available in English. Programs heavily focused on language acquisition for those trying to acquire advanced language skills are also available. Programs are open to all Lynn University students subject to individual program requirements.

Students participating on Lynn-Approved short-term programs are billed directly by Lynn University or by the study abroad provider administering the program. Program fees are an additional cost to the student and vary per program.

Students participating on Lynn-Approved semester and year-long programs are billed directly by Lynn University and will pay applicable Lynn fees including tuition, room and board. Students receiving financial aid may apply their aid towards the cost of the program. Students must make an appointment with their Financial Aid Counselor to review their financial aid package and discuss how it will be apply.

Lynn Faculty-Led Programs

In collaboration with the Lynn faculty, the CLA staff helps to design, develop and implement short-term programs for students to enhance their learning through off-campus courses. Available during the January Term and the summer, these faculty-led programs take students beyond the classroom and provide them with firsthand experiences through travel, cultural immersion, professional interaction, field work and career development.

Students participating on Lynn Faculty-Led Programs are billed directly by Lynn University. Program fees are an additional cost to the student and vary per program.

Counseling Center

The Counseling Center, located on the first floor of E.M. Lynn Residence Hall, offers a variety of mental health services, including individual and group counseling for students dealing with emotional, psychological, behavioral and social issues. These services are strictly confidential and free of charge to all registered Lynn University students. Psychiatric evaluations for medication may be arranged on campus or be directed to qualified, off-campus, private practitioners. Hours of operation are Monday through Thursday from 8 a.m. to 7 p.m. and on Fridays from 9 a.m. to 5 p.m.

Lynn University's Three Year Degree Scholars Program

Students invited into the Lynn Three Year Degree Program must enroll in at least 15 credits per semester (Fall and Spring) each of the three years. Lynn Three Year Degree Program participants are allowed to take an additional 24 credits any time during their three years at Lynn (including the first three years of summer sessions and all 3 J-Terms). There is no additional tuition cost for these 24 credit hours. Any overloads that exceed the 24 credit hour maximum will be billed at the overload rate of \$995 per credit hour. This excludes graduate level courses not applicable to the undergraduate degree program.

Requirements:

- Eligibility based upon work at Lynn or High school
- Program available in all majors except Education & Music
- Summer term "Dialogues Institute" focus is 200 level DOL: allows students to stay on track with Core while focusing major field and upper level course work in 2nd and 3rd years
- Students accepted into the program must maintain satisfactory progress towards their degree
- The Vice President for Academic Affairs, in consultation with the Director of the Three Year Degree Program and the deans of the college, will make all academic decisions regarding admission and participation in the three year degree program.

Benefits

Eligibility and Application Procedure

1. Save an estimated \$48,290 (tuition and fees, room and board, books, transportation, and personal expenses) over the cost of a 4 year degree.
2. Priority course registration, ensuring you'll get the courses you need.
3. Ability to design your own course of study, with strict guidelines from the dean.
4. No additional charges for required summer courses and accelerated course loads. There is a limit of 24 credit hours during the three years and students can only enroll in the first three summers and the first six semesters to qualify.
5. If living on campus during the required summer school session, room and board charges are the responsibility of the student.
6. Accelerated entry into graduate school or the job market.

Information Technology

The Information Technology (IT) Department aims to fulfill the department's mission "to provide Lynn University and its community with leadership and excellence in the design, implementation, support and facilitation of learning through the creative and effective use of technology". This team's approach to technological excellence equips students and faculty for the emerging application of technology in the classroom and affords an opportunity to develop distance learning modalities parallel to traditional instruction. IT provides resources for satisfying the computing needs of students and faculty. In so doing, IT professionals assist with the use of hardware and software available to faculty, students and staff, while improving administrative effectiveness and efficiency through the innovative use of sophisticated approaches to institutional management.

The Information Technology Department is comprised of several divisions, which include: Network and Support Services, Information Services, Campus Card Office, Institutional Research, Planning and Assessment, and Library.

Computer Laboratories

Computer laboratories are available in the library, the International Business Center and the Assaf Academic Center. Computer stations are available with Windows and the latest versions of Microsoft Office Suite. The library is also equipped with Apple computers. Apple computers are also available in ASSAF Academic Center and the third floor of the library. Internet is available throughout campus. The campus also has a significant wireless network, which is available in 90 percent of the buildings. The wired and wireless networks have been recently enhanced due to hosting of the Presidential Debate which took place on October 2012. An additional 100-plus computers are available within the Lynn Library during regular library hours for access to research databases, the Internet and selected Windows applications.

Internship Program

An internship is an opportunity to integrate career related experience into an undergraduate and/or graduate education by participating in planned, supervised work. Internships are an initiative at Lynn University to support and prepare students for their prospective careers and life after Lynn. The program is designed to help students realize their full potential by identifying their areas of strength and development needs. The program builds on those strengths and addresses development needs by providing the necessary tools and resources to turn development areas into opportunities for growth, and areas of strength into competitive advantages which ultimately serve them in the job market post-graduation.

Internship requirements vary by college or major within the university. In general, however, students who wish to register for an internship must:

- meet with the Internship Coordinator in the Hannifan Center for Career Connections.
- if an F-1 international student, see the Designated School Official (DSO) at the International Student Services Office -for authorization of Curricular Practical Training (CPT). The F-1 student may not begin the internship until the student sees the DSO and receives the DSO's CPT approval.

Eugene M. and Christine E. Lynn Library

The mission of the Lynn University Library is to partner with the Lynn community to pursue lifelong learning and discovery. Within a dynamic, student-centered and collaborative environment, our information experts provide both innovative and traditional resources, technologies, and educational services.

The library's vision is to be a leader in the realization of the 21st century academic library. As the intellectual and physical nucleus of our University, we will proactively meet the information needs of our diverse communities, at any time and in any place. We will prepare students for success in life as information-savvy, global citizens.

The library's learning resources include a collection of approximately 100,000 physical items, including books, journals, magazines, CDs, music scores and DVDs. We also have a textbook collection, which includes at least one copy of every textbook required for courses, available for 3-hour loan. The library's large collection of popular DVDs, known as The Lynn Parents and Families Collection of Great Movies can be checked out for personal viewing. And the library has at least one copy of every required textbook for Lynn courses, available for 3-hour loan. The library's electronic resources are vast. A carefully selected collection of research databases contains more than 100,000 e-journal titles, biographical information, market and company research, reference e-books, statistics, images, and more, and is accessible through the library Web site. The library also has more than 185,000 e-books that are accessible via the Web. All e-resources are available on- or off-campus, 24 hours a day.

The library has about 70 PC and Mac workstations, several high-speed scanner/printers, and wireless access is available throughout the building. There is a Music Library, primarily serving students and faculty of the Conservatory of Music, with thousands of scores, books, CDs, and streaming music. The music library has 2 computer workstations equipped with a MIDI ready keyboard to accommodate musical composition activities. The Perper Coffee House, located just inside the main entrance to the right, is open seven days a week and offers a variety of refreshments and snacks.

In addition to the library's services and learning resources, the building is home to the offices of the President Emeritus, the Vice President for Academic Affairs, the Chief Information Officer, Information Technology Support Services Desk, Eugene and Christine E. Lynn College of International Communication and the Center for Instructional Innovation..

Additional resources are available through Lynn Library's membership in SEFLIN (Southeast Florida Library Information Network), providing students with direct access and borrowing privileges in dozens of regional academic and public libraries. Request a SEFLIN card at the Lynn Library Information Desk.

Borrowing Privileges

Lynn University faculty, staff, students and alumni may borrow materials from the library using your Lynn University ID card or alumni card. A university identification card grants you access to all of our print and electronic resources, computer, printer and

network access; course reserves and e-reserves, and interlibrary loan privileges.

Student and Alumni Loans

- The undergraduate student loan period for books is one month; graduate students have a one semester loan period for books.
- Unlimited check-outs for books.
- The loan period for music scores is 4 weeks.
- The student loan period for CDs / DVDs is 7 days.
- Maximum 3CDs / DVDs per check-out period.

Faculty and Staff Loans

- The faculty/staff loan period for books is one semester.
- Unlimited check-outs for books.
- The loan period for music scores is 4 weeks.
- The faculty/staff loan period for CDs / DVDs is 7 days.
- Maximum 15 CDs / DVDs per check-out period.

Overdues

Lynn Library sends overdue notices to users' Lynn email accounts. Students and non-Lynn patrons are expected to return any materials within a week of receiving the notice. If materials are not returned, they are considered lost after a maximum of six months, and students will be charged the replacement cost and processing fee(s). The library notifies the business office with charges. Course grades and transcripts may be withheld until all fees are paid.

Interlibrary Loan Items

Materials requested through interlibrary loan have varying loan periods. These loan periods are set by the lending library. For more information about borrowing from other libraries, go to <http://lynn-library.libguides.com/ILL>, or contact Jared Wellman at 561-237-7073 or jwellman@lynn.edu.

Course Reserves

Books, DVDs and other materials may be placed on limited loan/reserve at the request of the faculty, either in print format or electronically. You may search our reserve and e-reserve system at our website, www.lynn.edu/library. All physical reserve materials are located at the circulation desk and may be checked out for use only within the library. A Lynn University ID card is required to borrow reserve materials. All reserve materials may be used for 3 hours and then must be returned. Audio/Visual materials must be viewed within the library.

Library Visitors

Students from other institutions and libraries and the general public are welcome to visit the library. Visitors from SEFLIN institutions (regional colleges, universities, and public libraries in the Southeast Florida Library & Information Network) may borrow materials from the library by presenting a SEFLIN card, which they can get from their home institution. Visitors do not have access to the computers, the network, or digital materials.

International Student Services

The International Student Services (ISS) Office is located on the first floor of Trinity Hall and provides the following services:

- Advising on immigration matters including, but not limited to: travel, employment, enrollment requirements.
- Issuance of immigration documents, employment authorizations and certification letters
- Orientation, employment, tax and travel workshops
- Cultural and social activities on and off-campus

The ISS Office supports internationalization at Lynn University by providing comprehensive and specialized services for the international student body and by encouraging intercultural understanding and acceptance among the students, faculty and staff. Serving as the principal point of contact for all international students, the ISS office strives to provide timely, accurate and effective advising and assistance while remaining in compliance with U.S. federal immigration laws and regulations.

Pregnant and Parenting Students

Title IX prohibits discrimination upon the basis of sex which includes pregnancy, parenting and any related conditions. Lynn University prohibits discrimination based upon pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery from any of these conditions. The following accommodations and services are available to pregnant and parenting students to assist them with their ability to fully enjoy the benefits of their education at the University.

Absences related to pregnancy, childbirth, or related conditions will be excused for as long as the student's treating physician deems medically necessary. Upon return to the institution, the student is guaranteed to return to the same academic and extracurricular status as prior to the excused leave. This includes allowing the student the opportunity to make up any missed course work or by allowing reasonable alternatives to make up missed course work. Excused absences related to pregnancy, childbirth, or related conditions will not impact any aspect of a student's grade that may

be based upon class participation or attendance.

Pregnant or parenting students will be afforded the same rights and accommodations afforded to students with temporary medical conditions.

If you feel that you have been discriminated against upon the basis of pregnancy or pregnancy related status, please contact the Title IX Coordinator. For more information, please review the Sexual and Gender-Based Misconduct Policy.

Non Academic Assistance

Students requiring non-academic assistance should contact the Office of Compliance. Students needing specific accommodations within the residence halls should contact the Director of Residence Life or the Office of Compliance. Staff from these areas address students' requests and, if required, meet with a University standing committee that reviews specific circumstances or requirements. If it is deemed that the student's request is reasonable and will better accommodate that student, the appropriate staff will carry out those specific needs. Because some programs are provided off campus, students who are unable to utilize University transportation will be provided with transportation that can accommodate their needs. The student must inform the student activities staff 72 hours prior to the activity that he/she wishes to attend.

Chapter VIII.

Educational Programs

Definitions of Majors, Minors and Specializations

Definition of a Major

A major consists of a minimum of 30 credits within a well-defined discipline or group of disciplines. The major allows students to develop a significant degree of expertise in an area of study. The exact courses, credit requirements, prerequisites and electives for each major will vary. An outline of these requirements is included in the departmental program areas in the university catalog. In some majors, the opportunity for a concentration in the discipline is accommodated via a specialization (see below).

Definition of a Dual Major

Students must meet the following criteria in order to receive a dual major:

- both majors must be completed simultaneously (a degree will be conferred upon the completion of both major requirements).
- earn a minimum of 30 credit hours beyond those required for the first baccalaureate degree, or a minimum of at least 150 credits.
- notify the Office of the Registrar.

Students will earn only one degree (ie: if one major is part of a BS degree, and the other major is part of a BA degree, the student will only receive either a BS or a BA). A diploma lists only the one degree earned, and the official transcript will list both majors.

Definition of a Minor

A minor consists of a minimum of 15 credit hours outside of the major. The minor enables a student to develop a secondary degree of expertise in an area of study in addition to his or her major academic program of study. While a minor program is intended to enable students to develop some degree of expertise in one area of study, it may be interdisciplinary. The completion of a minor is optional. The minor may be chosen to support the major, to offer greater job opportunities to the student on graduation or to provide recognition of study in a second academic area.

To receive a minor, a student must also complete the requirements of a major of a baccalaureate degree concurrently from the university. Course work must include a minimum of nine upper divisional level (300+) credits and students must complete courses as indicated in the catalog. The student's transcript shall indicate the minor.

Definition of a Specialization

Some majors may include an area of specialization. A specialization consists of a sequence of a minimum of 15 credit hours of course work within the major. Course work must include a

minimum of nine upper divisional level (300+) credits and students must complete courses as indicated in the catalog. Where appropriate, the transcript shall indicate the major and the specialization.

Degrees

The following degrees are offered by Lynn University upon completion of degree requirements:

Associate Degrees

Associate of Arts (A.A.) in Advertising and Public Relations, Applied Sciences, Aviation, Behavioral Sciences, and Elementary Education.

Associate of Science (A.S.) in Elementary Education

Bachelor's Degrees

Bachelor of Arts (B.A.) in Criminal Justice, Drama, Political Science, Advertising and Public Relations, Communication and Media (iLynn only), Communication and Emerging Media, Media Studies and Practice, Film and Television and Multimedia Journalism.

Bachelor of Science (B.S.) in Aviation Operations, Aviation Security, Air Traffic Control, Professional Pilot, Biology, Environmental Studies, Forensic Investigations, Psychology, Business Administration (iLynn only), Hospitality Management, Sports Management, Aviation Management (iLynn), Entrepreneurship, Entrepreneurship (iLynn), Event Management, Fashion and Retail, International Business Management (iLynn), International Business Management, Investment Management, Marketing, Elementary Education Grades K-6, Early Childhood Education and Digital Art and Design.

Bachelor of Music (B.M.) in Performance and Composition.

Graduate Degrees

Master of Business (M.B.A.) in Business Administration.

Master of Education (M.Ed.) in Educational Leadership and Exceptional Student Education.

Master of Science (M.S.) in Criminal Justice, Psychology, Clinical Mental Health Counseling, Communication and Media.

Master of Music (M.M.) in Performance, Instrumental Collaborative Piano and Composition.

Doctoral Degrees

Doctorate of Education (Ed.D.) Educational Leadership.

Amani Institute Program

Amani Institute and Lynn University are collaborating to offer a new MBA specialization in Social Innovation Management. The program provides an intensive global experience with cross-boundary work and will provide nine credits toward a Lynn University MBA degree. The curriculum includes topics such as design thinking as a change agent, creating and managing a social venture and the process of social innovation.

The Amani institute is an innovative non-profit based in Nairobi, Kenya and Sao Paulo, Brazil, that focuses on developing leaders with the knowledge insight and skills needed to drive positive social change. The locations were selected to push students outside of their comfort zone and encourage them to live the institute's core value: courage.

General Assembly

General Assembly, in collaboration with Lynn University, now offers its students an immersive technology (minor) design program. The curriculum is designed to supplement the education they receive with industry specific skills. General Assembly offers immersive technology design programs in New York, London, San Francisco and Sydney. Student will learn to understand issues from a user's perspective, to improve marketing performance by developing high impact content and master technological vocabulary in order to communicate ideas clearly.

Students will participate in 16-week semester long programs and may apply up to 15 credits towards their Lynn University degree. Students who participate in the 10-day program will earn 2 credits. Topics include product management, user experience and web development. The 10-day program takes place in Sydney, London, San Francisco and New York City. The 16-week programs take place in San Francisco and New York City.

St. Thomas University (3+3) Law Program

Lynn University students are able to obtain a bachelor's degree and a Juris Doctor (J.D.) within six years via a partnership with the St. Thomas University School of Law. The accelerated program allows for three years towards the bachelor's degree program at Lynn University and an additional three years at St. Thomas University School of Law to obtain the J.D. Twenty-nine credits (29) earned during the first year at St. Thomas University School of Law will be applied towards the completion of a bachelor's degree at Lynn University. Students must apply to and be accepted by St. Thomas University School of Law in their junior year at Lynn.

Watson University

Lynn University and Boulder, Colorado based Watson University via a partnership will enable Watson students to earn a Bachelor's degree in Entrepreneurship at Lynn University. The program will allow Watson students to engage in courses at Watson and at Lynn University via iTunesU simultaneously.

Wyncode MBA Program

Wyncode and Lynn University are collaborating to offer a new MBA specialization in Web Development. The program will allow students to combine management skills with the "full stack web application" that is provided by Wyncode and will provide nine credits toward a Lynn University MBA degree. Students will acquire the skills needed to create and present their own web application. The curriculum includes, Ruby on rails, Object Orientated Programming, Web Development, Understanding Databases, and Project and Product Management.

Wyncode M.S. Program

Wyncode and Lynn University are collaborating to offer a new M.S. in Communication and Media specialization in Design Strategies for Web Development Management. The program will allow students to gain skills in both back-end and front end design with the "full stack web application" that is provided by Wyncode and will provide nine credits from Wyncode in combination with nine credits from Lynn University toward the specialization in Design Strategies for Web Development Management. The curriculum includes, Ruby on rails, Object Orientated Programming, Web Development, Understanding Databases, and Project and Product Management.

Academic Organization

Below are the academic units administered through the Office of Academic Affairs. These units (disciplines) are responsible for the associated course, program and degree offerings.

Note: In addition to the degree programs, pilot certificate programs are available through the Burton D. Morgan [College](#) of Aeronautics; FLDOE Teacher Recertification for Exceptional Student Education is available through the Donald E. and Helen L. Ross College of Education; graduate certificate is available in Digital Media through the Eugene M. and Christine E. Lynn College of International Communication; and the Professional Performance Certificate is available through the Conservatory of Music.

Undeclared Major Tracks

Lynn University recognizes that many students will begin their academic career without declaring a specific major. To that end, incoming students who have not declared a major are well supported and prepared for success by the University's strong core curriculum, The Dialogues, and emphasis on career exploration and preparation. An undeclared major track may be appropriate for undergraduate students who have narrowed their interests to a specific area but who are uncertain of a career focus. Students may select an undeclared major track with their academic advisors in the following areas: Communication, Business and Management, Natural and Applied Sciences, or Social Sciences. Students who have not narrowed their interests to a specific area may follow an Undeclared – Exploratory Studies track. The Undeclared – Exploratory Studies track will survey each of the general tracks.

UNDECLARED – BUSINESS AND MANAGEMENT

This track is designed for undergraduate students interested in a broad range of subjects related to business (e.g., Aviation Management, Entrepreneurship, Event Management, Fashion and Retail, Hospitality Management, International Business Management, Investment Management, Marketing, and Sports Management). The first-year curriculum is designed to encourage exploration of the perspectives, theories and methodologies of the disciplines that comprise study in the areas of Business and Management.

Undergraduate Day Division

Undergraduate Curriculum

GENERAL EDUCATION AND STUDY IN THE MAJOR

Perspectives and Academic Skills

The university believes that a liberal arts education is an essential foundation for, and complement to, its many career-oriented programs. General education and study in the major contribute to achieving the university's overall educational purpose: To produce graduates who possess knowledge, confidence, competencies and ethical consciousness to assume positions of responsibility and leadership as productive, global citizens prepared for lifelong learning.

General education knowledge and academic skills are developed within a diverse learning community of students and faculty in order to foster diversity of thought and provide the opportunity to integrate varied perspectives, experiences and breadth of learning. The major provides in-depth learning within a discipline or group of disciplines and further develops perspectives and academic skills. General education and education in the major contribute to students attaining the following baccalaureate degree competencies:

Perspectives

- Acquisition of an outlook that shows reflective respect for individual differences, diversity of opinion and thought, multicultural and global awareness, and breadth and depth of learning.
- Ability to cultivate the development of values and ethical consciousness for responsible participation in a complex, changing society.
- Awareness of and appreciation for people, cultures and contemporary issues in preparation for participation in global transformations.
- Breadth of learning in a variety of disciplines that informs judgments and encourages inquiry.
- Depth and application of learning in a discipline or group of disciplines (mastery of specialized knowledge) to effectively serve and lead in a chosen profession.
- Preparation for positions of responsibility and leadership as productive global citizens who value lifelong learning.

Academic Skills

- Communication: Reading, writing, speaking and interpersonal/relationship skills.
- Mathematical Computation: Computing, interpreting and drawing conclusions from quantitative data.
- Computer Technology: Using computing hardware and software applications as tools in personal and professional environments.
- Information Literacy: Identifying, locating, evaluating and using relevant information.
- Intellectual Strategies: Problem-solving, critical and creative thinking, and inquiry.

THE DIALOGUES OF LEARNING

Core Curriculum for Full Time Undergraduate Program

As an institution that excels in interactive learning and innovative pedagogies, Lynn University's core curriculum, the *Dialogues*, offers students the opportunity to develop the skills, knowledge and perspective essential to their intellectual, personal and professional education. The *Dialogues* offers an innovative approach to general education that integrates liberal and professional study, knowledge and skills acquisition, and multidisciplinary perspectives and methods within a four-year developmental and outcomes-based curriculum.

The origin of all learning is questioning; thinking, asking, and wondering why. Whether talking to ourselves or to others, dialogue is the medium through which we all learn, create, acquire and understand. At a time when the sheer volume of information is ever increasing, the essential skills of reasoning, analysis, reflection and the art of discourse remain essential. In the aesthetic dimensions of human imagination and creation, curiosity, wonderment and inspiration arise from sensory interactions and dialogues of self-expression. In addition, for every known fact or accepted truth, there is always a need to question, to constantly ask why, or else we surrender not only our capacity to think, but also our ability to learn, change and grow.

In that spirit, Lynn University's core curriculum views dialogue, philosophically and pedagogically, as the basis for all learning. Using a thematic approach to the perennial questions and goals of liberal education, the core centers on three comprehensive domains of human thought, expression and action:

Dialogues of Self and Society
Dialogues of Belief and Reason
Dialogues of Justice and Civic Life

Additionally, students are also required to take courses in *Dialogues of Quantitative Reasoning* and *Dialogues of Scientific Literacy*. These two core knowledge areas are essential to engaged and informed citizenship in the 21st century. These courses are designed to give students the ability to understand and analyze quantitative information and scientific knowledge. In their content and pedagogy, the seminars within the *Dialogues of Learning*:

- Engage students in conversations exploring the richness of human thought historically, cross-culturally and across disciplinary boundaries.
- Create a culture of inquiry, reflection, commitment and action by requiring that every course be taught in a seminar format utilizing collaborative and interactive pedagogies.
- Foster an understanding of both the United States and global community from a historical and contemporary perspective.
- Integrate critical thinking and communication skills, information literacy, and technological literacy into every course.
- Structure the acquisition of both skills and knowledge in a four year progressively challenging and sequential schema that includes course work in the major and general education.

Courses in the three main Dialogue areas (Belief and Reason; Justice and Civic Life; and Self and Society), are offered from both the American perspective and Global perspective.

American Perspective

Courses within the American perspective place value on the history and development of American society. This knowledge is inherent for informed and engaged citizenship. Courses within this perspective provide students with the opportunity to gather knowledge about American culture, history, politics, society and economics, relevant to our globalizing society. These courses also demonstrate an appreciation of and respect for American institutions and values through course content and assignments. Coursework reflects the processes, conditions and implications of American citizenship, providing an understanding of the role of the nation in global affairs. In order to achieve this goal the Dialogues of Belief and Reason, Justice and Civic Life, and Self and Society at the 100 level are taught from the American perspective.

Global Perspective

Courses within the Global perspective place value on the interconnectedness and inherent value of any culture, country or locale. These seminars furnish the opportunity for students to gather knowledge about cultures, histories, languages, politics, societies and economies, relevant to our globalizing society. Courses within the Global perspective demonstrate an appreciation of and respect for diverse global cultures through course content and assignments. Coursework reflects the processes, conditions and implications of cross- and inter-cultural interactions, providing an understanding of global citizenship. In order to achieve this goal the Dialogues of Belief and Reason, Justice and Civic Life, and Self and Society at the 200 level are taught from the Global perspective.

Writing

Courses in the three main Dialogue areas (Belief and Reason; Justice and Civic Life; and Self and Society) place strong emphasis on the enhancement of students writing skills. Through writing exercises, editing, and revisions students will learn the writing process and amplify their skills. An importance on proper format, grammar, style and form will be placed. All Dialogues courses at the 100-level in Justice and Civic Life, and at the 200-level in Belief and Reason focus on the conventions of writing.

Structure and Requirements

The Dialogues of Learning include student learning outcomes in critical thinking, communications skills, information literacy and technological literacy. These outcomes are defined and measured based upon institutional-wide rubrics for each skill area that are developmental, requiring increasing levels of competency and ability.

During the first two years, the Dialogues engage students in common and core principles, ideas, people, concepts, great works, etc. that we believe are essential to a liberal education. Seminars are structured for coherency and interdisciplinary perspectives through a combination of a common curricula and special topics; at least 50 percent of the course will contain common material and the remaining 50 percent will examine how these core principles and knowledge are applied in a diversity of disciplines.

In the third and fourth years, the Dialogue courses become increasingly integrated with the major fields of study with higher levels of skills acquisition and application with more in-depth content and focus. Students must complete two courses, one at the 300-level, and one at the 400-level, in all five Dialogue areas (Belief and Reason; Justice and Civic Life; Self and Society; Quantitative Reasoning; and Scientific Literacy).

The January Term

To accentuate and foster the spirit of innovation that distinguishes the Lynn experience, the core curriculum includes one additional requirement: a specially-designed educational component, the January Term (J-Term). Students are responsible for taking one Citizenship Project, one Career Preparation, and one Language and Culture J-Term course throughout their time at Lynn University.

The Citizenship Project

During the January Term, all first year students will take a course in our inaugural program, The Citizenship Project. Courses in The Citizenship Project focus on a civic issue, problem or topic and will engage in experiential learning opportunities and community service work with local, community-based partners. Thematic areas for the courses include homelessness, environmental sustainability and urban renewal. Failure to complete this requirement by the end of the student's first year will result in dismissal from the university.

Language and Culture

Language and Culture courses will emphasize either: language acquisition with some reference to cultural matters; or a broader cultural survey of the target society with some “survival language” training included. Students will use an online language program. This platform is designed to reinforce conversation practice provided by native speakers. These courses provide some basic conversational language capabilities, nested in a study of, and experience of, the music, art, food, social relationships, politics, etc. of the target culture.

Career Preparation

Within the Career Preparation theme, there are two tracks. The first involves directly preparing students for post-graduation employment; and the second prepares students to apply for, and enter, more advanced studies. Courses in Career Preparation for the workplace may include, are but not limited to, resume and cover letter preparation; interviewing skills; personality profile; work/business etiquette; and “dress for success” training. Additionally, they may include site visits, and guest speakers, from the chosen career field. Courses in Career Preparation for post-baccalaureate education may include, but are not limited to, preparation for the GRE, MCAT or LSAT exams; matching career goals and expectations to graduate programs; the importance of the application timeline; and CV, letter of introduction and interviewing protocol.

Listed below are examples of the types of courses offered within the *Dialogues of Learning*:

The Garden of Good and Evil
Justice and Genocide in Global Context
Give Me Liberty and Give Me Justice
Clashing Issues in the Formation of the U.S., 1607-1865
What Will Become of the Children: Social Location and Life Chance

BURTON D. MORGAN COLLEGE OF AERONAUTICS

MISSION STATEMENT

The Burton D. Morgan College of Aeronautics is a world-class aviation academy with a state-of-the-art training facility designed to help fulfill the educational needs of the vast, dynamic, global aviation profession. The college offers a variety of programs designed to provide students with the education and training needed to successfully enter the aviation profession. These programs provide a wide range of educational and experiential opportunities for students to advance into a career in the aviation field. Programs for aircrew training, ground personnel and aviation commerce are offered.

UNDERGRADUATE PROGRAM

The Bachelor of Science (B.S.) for aviation majors requires the completion of 120 credit hours. A summary of the credits is as follows:

University Non-Embedded Core Requirements	46
College Core and Major Requirements	57 (59 for Professional Pilot major)
Elective Hours	<u>17</u> (15 for Professional Pilot major)
Total Hours	120

The Burton D. Morgan College of Aeronautics offers majors for the Bachelor of Science degree in the following areas:

- Aviation Operations
- Air Traffic Control
- Aviation Security
- Professional Pilot

The Burton D. Morgan College of Aeronautics offers an Associate of Arts degree in:

- Aviation Operations

The requirements for majors in aviation aim to provide students with the foundational knowledge and skills to enter the aviation profession.

Note: In addition to the Aviation Operations courses, students may take the following flight training elective courses to attain the licenses and ratings required to enter the aerospace industry as a professional pilot.

FLIGHT TRAINING ELECTIVES

___ AVF 120	PRIMARY FLIGHT THEORY AND TRAINING, SOLO	3
___ AVF 121	PRIMARY FLIGHT THEORY AND TRAINING, PPL	3

___ AVF 475	B-737 PILOT SIMULATOR FAMILIARIZATION	3
___ AVF 476	B-747 PILOT FAMILIARIZATION	3
___ AVF 477	AIRLINE TRANSPORT PILOT (ATP) CERTIFICATE	3

** If a student elects to obtain the Flight Instructor rating, AVF 310 substitutes for 482, provided the student passes the FAA written and practical exams.

*** Simulator courses are taught in the same semester as the familiarization ground school as a lab and culminate with a check-ride to ensure basic handling objectives are met. These courses have a corresponding lab fee. Students may obtain a total of 6.0 hours of academic credit from one aircraft type training (i.e., 727 ground and simulator familiarization or 737 ground and simulator familiarization only). If the student takes AVMF 477, he or she may not receive credit for any familiarization or simulator course. AVF 471, Airline Emergency Cabin Training, is separate from this, and may result in an additional three semester hours of credit.

UNDERGRADUATE AVIATION CERTIFICATE PROGRAMS

The undergraduate aviation certificate programs offered by the Burton D. Morgan School of Aeronautics prepare students for ground and flight examinations for various FAA flight licenses and ratings. The flight certificate programs are delivered in accordance with CFR Part 141 under Lynn University's CFR Part 141 certificate. The simulator certificate programs are offered in accordance with CFR Part 142. All flight courses and the ATP certificate program culminate with a ground oral examination and a check ride with a FAA Designated Pilot Examiner. Successfully completing the ground examination and the check ride will result in the FAA issuing the appropriate license or rating. The various certificate programs and the associated course work are as follows:

COLLEGE OF ARTS AND SCIENCES

MISSION STATEMENT

The mission of the College of Arts and Sciences embraces the time-honored traditions of a liberal arts education by providing both depth and breadth of academic study. The University's innovative core curriculum, The Dialogues of Learning, exemplifies this goal in its ability to acquaint students with the great works of fiction and non-fiction from the ancient times to the contemporary world. Equally essential to the Dialogues of Learning and to the mission of the College is to provide students with the skills in critical thinking, writing, oral expression and research methodology that will prepare them to become lifelong learners in both their academic careers and beyond. The diversity of the majors of the College also reflects its vision. From Environmental Studies and Political Science to Biology, Criminal Justice, Forensic Investigations, and Psychology, the College offers students opportunities to explore these majors and their prospective careers through traditional classroom settings, as well as experientially through field trips, guest speakers, internships, and study tours. In all its programs and curricula, the College seeks to support the University's international and multicultural perspectives, thereby preparing students for responsible living in the twenty-first century.

UNDERGRADUATE PROGRAM

The following undergraduate degree programs are offered: Associate of Arts (A.A.) with a major in Applied Sciences; Associate of Arts (A.A.) with a major in Behavioral Sciences; Bachelor of Arts (B.A.) with a major in Criminal Justice; Bachelor of Arts (B.A.) with a major in Drama; Bachelor of Arts (B.A.) with a major in Political Science, Bachelor of Science (B.S.) with a major in Biology (with optional Forensic Science concentration), Bachelor of Science (B.S.) with a major in Environmental Studies, Bachelor of Science (B.S.) with a major in Forensic Investigations and Bachelor of Science (B.S.) with a major in Psychology.

The Criminal Justice degree is an interdisciplinary degree that introduces students to the study of agencies, personnel, philosophies, procedures and methods that comprise the criminal justice system in the United States. The Criminal Justice program is designed to expose students to various aspects of existing law enforcement systems, judicial systems and correctional systems within an ethical and constitutional context.

It provides a curriculum that focuses on interpreting norms, mores, laws and rules that govern behavior in a civil society and helps students develop a general understanding of a systems process within criminal justice. The program introduces students to diverse crime and causation theories and emphasizes the critical examination and evaluation of the ethical implications of various societal issues.

Through the Criminal Justice program, students examine the agencies and processes involved in criminal justice administration; explain the Bill of Rights and its impact on criminal defendants; the nature, extent, etiology and control of law-breaking behavior; and compare and contrast the law enforcement systems of countries throughout the world. Students learn to describe the structure and process of the American judicial system from a local, state and federal perspective; explain how gender affects women as offenders, victims and professionals in the criminal justice system; and analyze diverse ethical issues encountered in the criminal justice profession. Graduates of the Criminal Justice program are able to apply ethical values in a diverse, complex and interconnected society and leave Lynn University with the knowledge, confidence, competencies and ethical consciousness to assume positions of responsibility and leadership.

BACHELOR OF ARTS (B.A.)

MAJOR: DRAMA

The dramatic arts affect the lives of nearly every human being on a daily basis. The expressive arts surround and infuse themselves in our lives. They teach citizens about the world and society in which they live. They entertain and bring joy and emotional connection. They motivate individuals to seek further understanding of the self and look critically at how the global community communicates. The dramatic arts are the platforms of truth and expression, and the dramatic industry is the medium that brings these works to the world.

The program in Drama promotes the understanding and practice of the entirety of the dramatic arts. It provides students the opportunity to learn all the facets of dramatic production. Through interdisciplinary educational approaches, the Drama major provides students with the opportunity to acquire the skills necessary to meet the demands of an ever-evolving technological and international marketplace.

The Drama major is intended for students who are interested in positions within the dramatic arts, whether in performance, creation, or production. A student who majors in Drama is someone who seeks to become a complete artist with all the skills necessary to perform across a wide range of media within the dramatic industry.

BACHELOR OF ARTS (B.A.)

MAJOR: POLITICAL SCIENCE

The Political Science program at Lynn University is rooted in the liberal arts and offers students a course of study that has both depth and breadth. Coursework in the major encompasses the traditional areas of Political Science but, unlike some Political Science programs the major entails an integrated approach that does not isolate the subfields from each other or from those of other disciplines. The mission of the program is also to offer substantive areas of study that are complimented by a strong emphasis on critical and independent thinking about politics, history, international affairs, and public life among our majors and the student body in general.

The Political Science program also serves a central role in the larger mission of the university to prepare all students to contribute to the local, national, and global communities in positive ways. The Political Science faculty members are not only committed to this mission but to offering a student-oriented, personalized, innovative, and challenging program. Political Science majors at Lynn University will gain knowledge and exposure to politics through courses that integrate lectures, classic and contemporary readings, dialogues, technology, and experiential learning in the form of field research, study tours, the Model UN, guest lecturers, role-playing simulations, and internships.

MAJOR: ENVIRONMENTAL STUDIES

Human modification of the environment has been evident since the beginning of Civilization and has proceeded at an accelerating rate from the Industrial Revolution to the present day. Human activities (i.e. anthropogenic activities) worsened by over population of the planet have affected the soil, water, vegetation, climate, animal life, as well as the surface of the earth itself. An awareness of environmental deterioration has forced us to seek remedies in an effort to make an environmentally sustainable future. Thus, there is a need for women and men trained to recognize, quantify, and seek solutions to environmental problems. Currently, the study of local and global environmental problems is one that is interdisciplinary with scholars and practitioners representing all Natural and Social Sciences and most of the Humanities.

The proposed major in Environmental Studies is designed to provide students with a broad interdisciplinary foundation in the fundamentals of both the science and policy of the environment and its bi-directional impacts on humanity. With this background in hand, the student can tailor the major to her/his interests and career goals through the formal academic advising process. After graduation, majors will be trained to pursue graduate study in an environment-related field or seek employment in government agencies or industry. The major is also excellent preparation for a career in education, law, or the health sciences.

BACHELOR OF SCIENCE (B.S.)

MAJOR: FORENSIC INVESTIGATIONS

The Bachelor of Science in Forensic Investigations is an interdisciplinary major in the College of Arts and Sciences. It draws on the strengths of not only the varied physical sciences available at Lynn University, but also on the resources of the social and behavioral sciences, such as Criminal Justice, Anthropology and Psychology. Crime is a form of human behavior, and as such, it leaves behind physical evidence of particular types, and in particular spatial arrays. Students in this major will learn the principles of evidence recognition, collection, and preservation, forensic chemistry, forensic pathology, forensic anthropology, microscopy, ethics, and courtroom presentations. The physical evidence and its pattern of dispersal in three-dimensional space, unlike victims, perpetrators and witnesses, will never lose its memory, and will never change its mind. The major provides students with a broad, well-rounded education, in the best tradition of the liberal arts and sciences, preparing them for careers in local, county, state, or federal crime CSI units, or in a growing number of private forensic laboratories, and investigative units with law firms or private investigative agencies. Alternatively, the forensic investigations major will equip students with critical thinking skills to make them attractive candidates for graduate or professional school programs, such as law and allied health.

COLLEGE OF BUSINESS AND MANAGEMENT

MISSION STATEMENT

Lynn University's College of Business and Management empowers students to thrive in the dynamic world of business.

The College of Business & Management strives to realize Lynn University's vision to be recognized as one of the most innovative, international and individualized small universities in America.

The core values of the College of Business and Management:

1. **Students:** We view our students as our "clients" and our principle core value. In addition to their academic training, we will teach a commitment to community service, honesty and integrity in preparation for a successful career.
2. **Parents:** We recognize parents as key "stakeholders" in the success of their students and the College of Business and Management overall. As such, we will seek their advice, counsel and support in our strategy, direction and initiatives.
3. **Academic Excellence:** Outstanding faculty and staff combined with small class sizes and an emphasis on experiential education will be the cornerstone of a collaborative, diverse, effective and modern education.
4. **Global Competency:** A global learning experience and international student body will reflect our commitment and belief that a high quality education and excellent student preparation for the business world can only come from a worldwide perspective and cultural knowledge.
5. **Business Partnerships:** Integrated learning through internships with businesses and corporations that share our values will provide students with unique opportunities to build business skills and understanding to propel them to successful in their "life after Lynn".
6. **Entrepreneurship and Innovation:** We will encourage and teach students to embrace new ideas, challenges and opportunities that expose them to all possible career options.
7. **Lynn University:** We acknowledge and embrace the Lynn University community and mission statement as the cornerstone of the College of Business and Management. We will welcome advice, resources and best practices for synergistic excellence and success.

UNDERGRADUATE PROGRAM

The Bachelor of Science (B.S.) for business majors requires the completion of 120 credit hours. A summary of the credits is as follows:

University Non-Embedded Core Requirements	40
College Core and Major Requirements	51
J-Term Requirements	6
Elective Hours	23
Total Hours	120

The College of Business and Management offers majors for the undergraduate degree in the following areas:

- Aviation Management
- Entrepreneurship
- Event Management
- Fashion and Retail
- Hospitality Management
- International Business Management
- Investment Management
- Marketing
- Sports Management

The requirements for majors in business aim to provide breadth of knowledge in the discipline of business and its context, as well as learning activities that promote the integration of business knowledge. The majors provide in-depth study in an area of business. A minor in another academic discipline and the course work customized to personal preference provide students with the opportunity to explore areas of learning outside of the business discipline for the purpose of complementing the knowledge acquired in the major requirements. All candidates for the B.S. should work closely with their academic advisors to ensure that their programs of study have met the established guidelines for the degrees.

Note: General Assembly in collaboration with Lynn University now offers its students an immersive technology (minor) design. The curriculum is designed to supplement the education they receive with industry specific skills. General Assembly offers immersive technology design programs in New York, London, San Francisco and Sydney. Students will learn to understand issues from a user's perspective, to improve marketing performance by developing high impact content and master technological vocabulary, in order to communicate ideas clearly.

Students will participate in a 16 week semester long programs and may apply up to 15 credits towards their Lynn University degree. Students who participate in the 10 day program will earn 2 credits. Topics include, product management, user experience and web development. The 10 day program takes place in Sydney, London, San Francisco and New York City. The 16 week programs take place in San Francisco and New York City.

BACHELOR OF SCIENCE (B.S.)

MAJOR: AVIATION MANAGEMENT

MAJOR DESCRIPTION: Designed to help fulfill the educational needs of the vast dynamic global air transportation industry, the college provides students with the education and training needed to successfully enter the aviation industry. In addition to the Aviation Management courses, students can also pursue flight training elective courses to attain the licenses and ratings required to enter the industry as a professional pilot through the Burton D. DONALD E. AND HELEN L. ROSS COLLEGE OF EDUCATION

Mission Statement

The Donald E. and Helen L. Ross College of Education's programs are delivered via experiential learning, and therefore bring research to practice. These programs challenge students to develop intellectually and personally to their fullest potential, ensuring that they are equipped with the knowledge, skills and competencies required of successful educators to meet the needs of all learners in today's diverse society.

UNDERGRADUATE PROGRAM

Admission and Graduation Requirements

Admission to Lynn University does not admit the student to the Ross College of Education. For students interested in teaching education, the Ross College of Education has a state of Florida-approved teacher preparation program leading to certification in Elementary K-6 Education. In accordance with Florida Statute 1004.04 public accountability and state approval for teacher preparation programs, students are required to meet the following prerequisites for admission into the Ross College of Education teacher preparation program prior to the set deadline:

1. Maintain a grade point average of 2.0 or higher for all level Dialogue courses.
2. Demonstrate mastery of general knowledge, by passing all four (4) sections of the General Knowledge Florida Teacher Certification Examination by 60 credits and practicum.
3. Maintain a grade point average of 2.0 or higher in all education courses, with no grade lower than a C.
4. Submit a portfolio; including a completed application for admittance, within Live Text to the Ross College of Education. The Ross College of Education will review the candidate's documentation to determine the status of admission to the state-approved teacher education programs.

Candidates for graduation must:

1. Complete all major requirements with a grade point average of 2.0 or higher with no grade lower than a C.
2. Demonstrate mastery of subject area and professional education knowledge by passing the Professional Skills and a Subject Area portion of the Florida Teacher Certification Examination.

The State of Florida may require additional courses in the field for certification prior to issuing the five-year certificate. Program requirements may change in order to comply with any changes made by the State of Florida Department of Education. Grandfather provisions do not apply when such program changes are made.

Note: Credits and degrees earned from colleges within the State of Florida that are licensed by the State Board of Independent Colleges and Universities do not automatically qualify an individual for a Florida Teaching Certificate. The established procedure requires the Florida Department of Education to review and recognize the credentials of the individual and the accreditation of the college granting the degrees prior to approving teacher certification. Any student interested in obtaining a Florida Teaching Certificate should contact the Florida Department of Education, Bureau of Educator Certification, Suite 201, Turlington Building, 325 West Gaines St., Tallahassee, FL 32399-0400.

Noncitizens: A noncitizen may be issued an Official Statement of Status of Eligibility or a certificate as specified below:

An Official Statement of Status of Eligibility shall be issued when the applicant meets requirements specified in Section 1012.56(1), Florida Statutes.

The certificate may be issued when the applicant meets requirements specified in Rule 6A-4.004, F.A.C., and an official of the employing Florida public, state supported, or nonpublic school submits documentation of appropriate immigration status. The documentation shall be a photocopy of the completed United States Immigration and Naturalization Form I-9, Employment Eligibility Verification, accepted for employment in compliance with the United States Immigration Reform and Control Act of 1986.

ESOL AND READING

Successful completion of the program will earn the student Florida teaching certification in Grades K-6, and the following Florida State Endorsements:

ESOL K-12 Endorsement

Reading K-12 Endorsement

MAJOR: EARLY CHILDHOOD EDUCATION

The Early Childhood Education major prepares students to teach from birth through age 3. Students will be prepared to work in an early childhood setting such as a daycare center or preschool and experience aspects of early life. The early childhood educator will learn early literacy development, combine theory with practical applications and learn innovative iPad techniques for instructional strategies and assessments. Early childhood students will be versed in the physical and emotional development of babies, toddlers and preschoolers and be encouraged to recognize and appreciate the diversity of today's children. This degree contains 100 hours of practicum experience.

Students majoring in Early Childhood Education must fulfill the following core and major courses to meet certification requirements:

MINOR IN ELEMENTARY EDUCATION

The Ross College of Education offers an undergraduate minor in the field of Elementary Education. The minor is structured to provide a substantial introduction to education through a broad-based and focused study of educational research, theory and practice.

During their sophomore year students interested in pursuing an undergraduate minor in Elementary Education need to declare the minor and contact the Elementary Education Program Coordinator.

The minor requires five core courses to ensure coverage of the disciplines of the field, while allowing flexibility for students wanting to pursue specific interests within Education.

EUGENE M. AND CHRISTINE E. LYNN

COLLEGE OF INTERNATIONAL COMMUNICATION

MISSION STATEMENT

The Lynn University College of International Communication (CIC) provides students an opportunity to acquire the knowledge, skills and experience necessary to build successful communication careers in the global media marketplace.

The college is committed to blending a strong liberal arts concentration with professional programs in communication that offer “hands-on” educational opportunities in film and television directing, writing, camera work, lighting, set design and digital editing; journalism, advertising and public relations; studies in traditional and emerging media; and digital art and design, including the study of photography, animation and graphic design.

The unique combination of theory, practice and internships offers students an opportunity to build a solid foundation for success in the competitive fields of communication. The college’s innovative approach to collaborative education enables students to participate in integrated learning projects that simulate media industries and promote the transition to professional positions in communication and media.

FACILITIES

State-of-the-art digital facilities house broadcast and cinema production and post-production centers, digital art and design labs with 3D printing and motion capture animation studios that enable students to develop professional skills and an advanced understanding of studio, field and news production, as well as digital post-production and editing. Instructional facilities for new media promote the early adoption of developing technologies into the mass media mix, including social and mobile media, web design, audio/video streaming, interactive business presentations and emerging media.

UNDERGRADUATE PROGRAM

The Lynn College of International Communication offers courses leading to an Associate of Arts in one area:

- Advertising and Public Relations

The Lynn College of International Communication offers courses leading to a Bachelor of Arts in five areas:

- Advertising and Public Relations
- Communication and Emerging Media
- Film and Television
- Media Studies and Practice
- Multimedia Journalism

A Bachelor of Science is available in:

- Digital Art and Design

All major programs in the Lynn College of International Communication are designed for students who seek career-building or graduate school preparation. They offer a foundation in the process of communication and the flow of information through traditional, emerging and interpersonal/social media. Students have an opportunity to achieve a level of professional competency in their specific major. Several majors, such as Film and Television, Digital Art and Design and Multimedia Journalism have a strong production emphasis. Others, including Advertising and Public Relations, and Communication and Emerging Media place greater emphasis on strategy and theory. Additionally, the college facilitates the placement of students in both domestic and international internship positions.

With a faculty composed of teacher-scholars and academically trained media practitioners, the college seeks to prepare students for successful careers in a rapidly changing global community. Students majoring in a program complete the following requirements:

- A university core curriculum of 67 credits (core credits required may be embedded within the major).
- A CIC core curriculum of 12 credits.
- A major curriculum of 33 credits.
- Additional elective credits (depending on the major) that may include courses toward a minor, general electives from other university programs, or additional courses in the Lynn College of International Communication.
- A total of 120 credits required for graduation.

POLICY REGARDING TRANSFER OF CREDITS

Students must earn a minimum of 21 credits in the College of International Communication.

BACHELOR OF ARTS (B.A.)

MAJOR: ADVERTISING AND PUBLIC RELATIONS

Advertising and public relations are multi-billion dollar industries that affect our lives on a daily basis. For example, the average American views thousands of commercial messages per day. Moreover, these fields are continuing to grow domestically as well as globally. Advertising and public relations clearly impact business, political and social arenas.

The Advertising and Public Relations (APR) program is designed to prepare students for competitive success within a dynamic advertising/public relations environment by offering students an opportunity to develop skills to assess both domestic and international perspectives, develop innovative approaches and implement creative designs.

The APR program is intended for students who are interested in positions such as copywriters, art directors, media planners, social media designers, account executives, public relations specialists and strategic planners. The Advertising/Public Relations major may also lead to careers in business, marketing and non-profit fields.

MAJOR: COMMUNICATION AND EMERGING MEDIA

Excellence in communication contributes to success in all aspects of personal, professional and civic life. Citizens of the 21st century need to understand the communication opportunities, obligations and risks that emerge in an era of cultural diversity and conflict. Leaders, consultants, activists, and indeed all citizens, use communication to affect public opinion, mobilize interest groups, negotiate policy and maintain relations with people within their own and other cultures.

In the last few years, new technologies have changed the way people communicate. The change to date is just the beginning. To fully understand and engage in the practice of communication, the communication scholar and practitioner has to comprehend and appreciate the effect of how soon-to-be-developed technologies will influence and transform communication delivery systems and the evolving media in society.

The academic major in Communication and Emerging Media ties the traditional study of communication to the exploration of newly developing technologies as they are introduced into the media environment. The program promotes the knowledge, analysis and practical application of communication strategies in developing content for traditional, new and emerging media.

MAJOR: FILM AND TELEVISION

The Film and Television program is designed to provide students with the knowledge, skills and experience necessary to build successful careers in film, television and video media. Citizens of the 21st century will be empowered and employable as they develop fluency in visual storytelling and production.

The Film and Television program emphasizes the creative, technical and theoretical study of the cinema, television and video media. Pre-production, production and post-production skill-sets taught in the major include: screenwriting, shot selection, cinematography, casting and collaborating with actors and TV journalists, script supervising, sound recording, and non-linear video editing with a multi-layered sound track. Students work collaboratively and have an opportunity to master their technical competency with state-of-the-art technology.

The Film and Television program is intended for students who are interested in positions in the wide ranging industries of film, television, video and Internet-delivered media, whether they are located in Hollywood, New York or smaller film production centers that produce entertainment, information and corporate films and video.

MAJOR: MEDIA STUDIES AND PRACTICE

Media Studies and Practice provides an opportunity for students to design a major that more closely meets their professional and career objectives by selecting multiple areas of concentration. The major is composed of (1) a set of four common courses that provides foundational knowledge in communication media, (2) one upper-level communication elective and (3) two specializations (minors) from the following list:

Advertising
Communication
Digital Art and Design
Emerging Media
Film
Multimedia Journalism
Photography
Public Relations
Social Media
Television

Media Studies and Practice is intended for students who are interested in identifying and organizing media-related specialties in new and innovative ways and who seek to create unique programs of study in communication and media.

As with all undergraduate students who select a major in the College of International Communication, they may also choose to declare a minor program of study. Accordingly, Media Studies and Practice students have the option of concentrating in three academic areas: two specializations and one minor.

MAJOR: MULTIMEDIA JOURNALISM

The Multimedia Journalism program emphasizes the “hands on” practice of journalism across all media with a curriculum that recognizes the field’s expansion beyond its traditional boundaries. Journalism in the 21st century embraces new and emerging media technologies, expanded opportunities for nonfiction storytelling, and developing reporting techniques and concepts. Interactivity, user-provided content, mobile devices and evolving media including blogs, Google News, YouTube, Instagram, Periscope, Facebook and Twitter continue to alter accepted notions of news cycle and coverage.

The Multimedia Journalism curriculum offers students an opportunity for training and practical experience in news, investigative and feature reporting in a variety of forms. The program is designed to equip students with the skills necessary to provide content in written and visual forms for use in broadcast, print and Internet-delivered media, as well as performance technique.

Students interested in using the communication media to find and tell stories of importance and engage the audience in the development of history will find the Multimedia Journalism major an opportunity to enter a vital profession with a global reach and a worthy goal: an informed citizenry.

MAJOR: DIGITAL ART AND DESIGN

BACHELOR OF SCIENCE (B.S.)

The 21st century is witnessing a transformational shift throughout society toward digital and visual media. In the years ahead, Digital Art and Design – a comprehensive program that includes the traditional fields of graphic design, photography and animation, along with the new areas of motion capture, virtual reality and 3D printing – offers students the opportunity to develop the necessary digitally-based skill-sets for successful careers in the visually dominant art and design communities, as well as the visual side of the entertainment and information industries.

The Digital Art and Design program combines foundational and advanced instruction and practice in a wide variety of visual design fields across a broad range of media. Utilizing the new and emerging design tools merged with traditional graphic design principles, creative still and motion photography, digital animation and 3D design along with historical 2D design principles enhance opportunities for groundbreaking visual designs.

CONSERVATORY OF MUSIC

MISSION STATEMENT

The mission of the Conservatory of Music at Lynn University is to provide high-quality professional education for gifted young musicians and set a superior standard for music education worldwide. Primary among the goals of the Conservatory is the nurture and education of the student body with a thorough attention to musicianship, artistry and skills needed to be competitive in the field of music performance. The aim is to train instrumental music students of high achievement through intensive programs of study in order to prepare them for performance careers. In addition, the Conservatory of Music offers a major in music composition. The Conservatory faculty forms a community of exceptionally accomplished and dedicated individuals striving toward similar goals. The artist-faculty maintain active performance careers and bring their experience and expertise to the aspiring student body.

The Conservatory offers baccalaureate and post-baccalaureate level programs of study to music students who have previous extensive preparation in musical performance and/or composition. The program focuses on rigorous, professional instruction and offers a full and progressive curriculum leading to the Bachelor of Music degree, Professional Performance Certificate or Master of Music degree. Students are selected for enrollment from across the United States and globally through a stringent audition process. Artistic talent and ability, along with potential for growth, are the primary criteria for admission. Following are the requirements for obtaining degrees from the Conservatory:

Recognizing the unique learning needs and previous educational and professional experiences of adult and non-traditional learners the iLynn Division offers students the opportunity to complete their undergraduate education in a curriculum and delivery model designed to meet their specific needs.

Undergraduate Curriculum

GENERAL EDUCATION AND STUDY IN THE MAJOR

Perspectives and Academic Skills

The university believes that a liberal arts education is an essential foundation for, and complement to, its many career-oriented programs. General education and study in the major contribute to achieving the university's overall educational purpose: To produce graduates who possess knowledge, confidence, competencies and ethical consciousness to assume positions of responsibility and leadership as productive, global citizens prepared for lifelong learning.

General education knowledge and academic skills are developed within a diverse learning community of students and faculty in order to foster diversity of thought and provide the opportunity to integrate varied perspectives, experiences and breadth of learning. The major provides in-depth learning within a discipline or group of disciplines and further develops perspectives and academic skills. General education and education in the major contribute to students attaining the following baccalaureate degree competencies:

Perspectives

- Acquisition of an outlook that shows reflective respect for individual differences, diversity of opinion and thought, multicultural and global awareness, and breadth and depth of learning.
- Ability to cultivate the development of values and ethical consciousness for responsible participation in a complex, changing society.
- Awareness of and appreciation for people, cultures and contemporary issues in preparation for participation in global transformations.
- Breadth of learning in a variety of disciplines that informs judgments and encourages inquiry.
- Depth and application of learning in a discipline or group of disciplines (mastery of specialized knowledge) to effectively serve and lead in a chosen profession.
- Preparation for positions of responsibility and leadership as productive global citizens who value lifelong learning.

Academic Skills

- Communication: Reading, writing, speaking and interpersonal/relationship skills.
- Mathematical Computation: Computing, interpreting and drawing conclusions from quantitative data.
- Computer Technology: Using computing hardware and software applications as tools in personal and professional environments.
- Information Literacy: Identifying, locating, evaluating and using relevant information.
- Intellectual Strategies: Problem-solving, critical and creative thinking, and inquiry.

COLLEGE OF ARTS AND SCIENCES

BACHELOR OF ARTS (B.A.) MAJOR: CRIMINAL JUSTICE

The Criminal Justice degree is an interdisciplinary degree that introduces students to the study of agencies, personnel, philosophies, procedures and methods that comprise the criminal justice system in the United States. The Criminal Justice program is designed to expose students to various aspects of existing law enforcement systems, judicial systems and correctional systems within an ethical and constitutional context.

The Criminal Justice program is designed to provide a curriculum that focuses on interpreting norms, mores, laws and rules that govern behavior in a civil society and that helps students develop a general understanding of a systems process within criminal justice. The program introduces students to diverse crime and causation theories, emphasizes the critical examination and evaluation of the ethical implications of various societal issues, and enhances effective written and oral communication skills as well as mathematical computations, quantitative reasoning, information literacy, intellectual strategies and computer use.

The Criminal Justice program is consistent with the vision and mission of Lynn University in that its academic programs reflect the importance of global transformation, multicultural awareness and international exchange and include the breadth and depth that are a basis for competencies in all programs.

Through the Criminal Justice program, students become able to describe the agencies and processes involved in criminal justice administration; explain the Bill of Rights and the impact on criminal justice system defendants; describe the nature, extent, etiology and control of law-breaking behavior; and compare and contrast the law enforcement systems of countries throughout the world.

Criminal Justice students learn to describe the structure and process of the American judicial system from a local, state and federal perspective; explain how gender affects women as offenders, victims and professionals in the criminal justice system; and analyze diverse ethical issues encountered in the criminal justice profession. These issues include discretion, affirmative action, use of deadly force, misconduct, civil disobedience, undercover operations and privacy. The program also helps students develop independent research study in the criminal justice field.

Graduates of the Criminal Justice program are able to apply ethical values in a diverse, complex and interconnected society and leave Lynn University with the knowledge, confidence, competencies and ethical consciousness to assume positions of responsibility and leadership.

EUGENE M. AND CHRISTINE E. LYNN COLLEGE OF INTERNATIONAL COMMUNICATION

Excellence in communication contributes to success in all aspects of personal, professional and civic life. Citizens of the 21st century have a growing need to understand the communication opportunities, obligations and risks that emerge in an era of expanding media. Society's leaders, consultants, activists, and indeed all citizens, use communication and media to influence others on a professional level and personal level, affect public opinion, mobilize interest groups and maintain relations with people from other cultures.

The Bachelor of Arts in Communication and Media promotes the knowledge, criticism and practical application of communication by offering students both the theoretical foundation necessary for understanding the role of communication in a diverse society and intensive practice in "storytelling" across traditional and emerging media and to a variety of audiences.

The major in Communication and Media is intended for students who are interested in communication-related services, advertising and public relations, general media production, and business communication. The program also prepares students for graduate studies in communication and media.

Graduate Division

GRADUATE PROGRAM ACADEMIC AND RECORDS INFORMATION

The Mission of the Graduate Programs of Lynn University

Lynn University provides an intellectually stimulating environment where students gain knowledge and competencies necessary to become global leaders and lifelong learners. Lynn University attracts students from a variety of backgrounds who aim to become leaders in their fields. Lynn University seeks to enhance the career advancement of working professionals.

The overall mission of Lynn University is to provide its graduates with the knowledge, competencies and skills needed for leadership in the 21st century. In order to achieve these purposes, the curricula of the university's graduate degree and certificate programs are reviewed on a regular basis to assure the academic quality and relevance of course offerings. The university is committed to individualized student attention and mentoring. Faculty members foster and help learners realize the development of their innate leadership talents and intellectual abilities.

Degrees, Programs and Certificates

Degrees

The Graduate Programs at Lynn University offer five types of degrees: the Master of Business Administration (M.B.A.), Master of Education (M.Ed.), Master of Science (M.S.), Master of Music (M.M.), and Doctorate of Education (Ed.D.), as well as two Certificate Programs.

The 37-credit M.B.A. is available with specializations in Aviation Management, Entrepreneurial Management, Financial Valuation and Investment Management, Hospitality Management, Human Resource Management, International Business Management, Marketing, Media Management, Social Innovation Management (with Amani Institute), Sports Management, and Web Development (with Wyncode Academy). Students may also choose to participate in optional internships.

The two M.Ed. programs include a minimum 40-credit practitioner-oriented degree in Exceptional Student Education and a 37-credit Educational Leadership degree which focuses on leadership-related theory, knowledge and clinical experiences in the field, as well as practical application of theory and knowledge.

The 37-credit Master of Science (M.S.) is available in Criminal Justice and Psychology.

The 37-credit M.S. in Communication and Media offers specializations in Digital Media, Media Studies and Practice and Strategies for Web Development (with Wyncode Academy).

There is also a 61-credit Master of Science (M.S.) in Clinical Mental Health Counseling.

The 37-credit M.M. is available with specializations in performance, instrumental collaborative piano and composition. The M.M. in performance is offered with two variations designed for "pianists" or "strings, winds, brass and percussion."

Certificates

A certificate in Digital Media is offered through the Eugene M. and Christine E. Lynn College of International Communication.

A post-baccalaureate diploma course of study, known as the Professional Performance Certificate, is available through the Conservatory of Music at Lynn University. This two-year program's primary focus is advanced music performance education.

Graduate Policies

Policy and Procedures for Failing Grades

Students who receive a grade of F are in serious academic jeopardy. When this happens, their advisor(s) conducts a thorough review of the student's academic progress, in order to determine whether or not and under what circumstances the student(s) will be allowed to remain in the program. In turn, the advisor shares the review results with the dean of the appropriate college, where a final determination is made. The student is informed of the decision in writing either to: (a) remain in the program with a plan for remediation; or (b) be dismissed from their program and the university. For those who remain in the program, the failed course must be repeated the next term the course is offered.

Student Participation in Sports

Many of our graduate students are interested in participating in athletics. With the changes outlined in the 1998-1999 2007-08 NCAA manual, graduate students may now compete using the transfer exception, which follows.

Graduate Student or Post-Baccalaureate Participation: A student-athlete who is enrolled in a graduate or professional school of the institution he or she previously attended as an undergraduate (regardless of whether the individual has received a United States baccalaureate degree or its equivalent), a student-athlete who is enrolled and seeking a second baccalaureate or equivalent degree at the same institution, or a student-athlete who has graduated and is continuing as a full-time student at the same institution while taking course work that would lead to the equivalent of another major or degree as defined and documented by the institution, may participate in intercollegiate athletics, provided the student has eligibility remaining and such participation occurs within the applicable five-year or 10-semester period set forth in 14.2.

Transfer Exception: A student who transfers and enrolls in a graduate program, professional school or second baccalaureate or equivalent degree program at an institution other than the institution he or she previously attended as an undergraduate may participate in intercollegiate athletics, provided the student has eligibility remaining. (Adopted: 1/9/96 effective 8/1/96 for those student-athletes who transfer to the certifying institution on or after 8/1/96, Revised: 1/8/07 effective 8/1/07).

GRADUATE PROGRAM

Graduate Admission Standards for (M.S.) Programs

Students are required to meet the following prerequisites for admission:

1. A bachelor's degree from an accredited institution.
2. Undergraduate GPA 3.0 or higher.
3. Official undergraduate transcripts.
4. Two letters of recommendation from academic or professional sources.
5. A writing sample demonstrating the capacity to perform at the graduate level.
6. For international students who have not graduated from an accredited undergraduate institution in the United States, a satisfactory TOEFL score (550 paper-based, 213 computer-based or 80 internet-based) along with an International Transcript Evaluation and a course equivalency report must be provided. International applicants must provide official TOEFL/IELTS/-PTE Academic scores if English is not the applicant's first language. Applicants with a minimum TOEFL score of 80 (Internet-based), a minimum IELTS score of 6.5 or a minimum PTE Academic score of 55 will be considered. Consideration may be given to students who fall slightly below Lynn University's TOEFL/IELTS/PTE Academic English requirement. These cases will be reviewed on an individual basis by the Office of Admission.

MASTER OF SCIENCE (M.S.) IN CRIMINAL JUSTICE

The Master of Science in Criminal Justice prepares students for roles in a variety of fields within criminal justice. Despite the broad spectrum of careers within the profession, success and leadership is predicated on an individual's verbal and written mastery of the concepts, principles and functions involved in criminal justice. This degree focuses on preparing the student with dynamic and innovative approaches to issues facing the criminal justice professional. Lynn University's South Florida location typifies the experiences of modern criminal justice agencies in diverse, densely populated urban centers. Using this laboratory for learning, expert faculty challenge graduate students to examine a broad spectrum of issues confronting individuals in the modern criminal justice environment. The program is offered exclusively online.

M.S. Degree in Criminal Justice Completion Requirements

Students must:

1. Complete the degree curriculum in four calendar years from the date of the initial registration or be held to any new degree requirements.
2. Maintain a cumulative 3.0 GPA and achieve a C (2.0) grade or higher in each course.

MASTER OF SCIENCE (M.S.) IN PSYCHOLOGY

Lynn University offers students an environment focused on the enhancement of educational goals and practical application of knowledge in preparation for lifelong learning. In keeping with the university's mission, the M.S. in Psychology provides students with the training and necessary course work to pursue professional and educational goals in the field of Psychology. The primary objective of this program is to inform students of the principles and techniques of psychological research and human behavior to prepare them for careers in the field of psychology. This program is offered both online and in the classroom.

Students who enroll in the M.S. in Psychology earn an academically rigorous degree. Through intensive research, thesis and fieldwork experience, students become specialists in their desired field. The M.S. in Psychology provides a strong graduate foundation in research and human behavior for those interested in further education towards a terminal degree. The program provides enhanced knowledge and increased skills in research, scientific writing, and information literacy, understanding human behavior, the scientific bases of behavior, and working with diverse populations. Students graduating from this program gain the knowledge, awareness and skills to work in many psychology fields plus additional fields outside of psychology.

M.S. Degree in Psychology Completion Requirements

Students must:

1. Complete the required course curriculum. Satisfactory completion of these courses must be in compliance with University Academic Standards for Graduate Work.
2. Satisfactorily complete the experiential components of their curriculum.
3. Complete a scholarly research thesis commensurate with all program expectations and policies. No graduate degree will be conferred without the satisfactory completion of this thesis project.

MASTER OF SCIENCE (M.S.) IN CLINICAL MENTAL HEALTH COUNSELING

Lynn University offers an M.S. in Clinical Mental Health Counseling. Students enrolled in the M.S. in Clinical Mental Health Counseling (CMHC) can earn their 61-credit degree in two years of coursework taken year round during the fall, spring and summer semesters. Entry into this program is annually in the fall semester. Full-time enrollment in this program is defined by a minimum of 9-credits per semester.

Admission into the program is competitive and requires an interview with the Clinical Mental Health Counseling program admissions committee which is comprised of program faculty. Students will be evaluated and admitted based upon their: Aptitude for graduate-level study; relevance of career goals; potential for developing effective counseling relationships; respect for cultural differences and all prior academic performance. The Clinical Mental Health Counseling program makes continuous and systematic efforts to attract and enroll a diverse body of students.

The program and its faculty have primary responsibility for the preparation of the students in the program. The program provides various opportunities to meet student needs and to foster an environment of inclusivity through faculty-student research projects, scholarly endeavors, attaining sites with varying specializations, and mindful admissions decisions. Students enrolled in the Master's in Clinical Mental Health Counseling are provided with a faculty mentor and an academic advisor. Mentors, advisors, and students have direct access to the Coordinator of the Graduate Program and the Practicum and Internship Coordinator. Students are taught, primarily, by Core faculty with the assistance of experts in the fields of research, individual assessment, neuroscience, experimental psychology, developmental psychology, cognitive psychology and personality psychology.

During the second year of the program, students enroll in three full semesters of fieldwork experience at which time they have the opportunity to train as counselors in community mental health agencies. Substantial resources are invested in enhancing the learning environment and improving professional skills development. The program's faculty and students have a multitude of teaching and learning resources at their disposal specific to the field and related specialties.

As is true of Lynn University, the program in Clinical Mental Health Counseling employs cutting edge technology for training and learning purposes, which are used to enhance their learning experience.

Students accepted to the graduate program in Clinical Mental Health Counseling have the opportunity to apply for graduate assistantships within the department and throughout the University.

Students in the program may have the ability to become a Licensed Mental Health Counselor in the State of Florida. Students interested in pursuing licensure or postgraduate employment are responsible for researching the specific requirements to attain these outcomes. As employment requirements and licensing requirements may change, it is incumbent upon students to be aware of their specific academic needs.

In the State of Florida, the current requirements and process for licensure as a Mental Health Counselor may include:

1. Students must graduate with a 60-credit Master's degree that includes 1,000 hours of fieldwork at an approved site.
2. Upon graduation, students register as a Mental Health Intern with the State of Florida. This is post-Master's and must be completed by the Student. Part of this process includes verification of practicum and internship hours through a letter generated by the Registrar's Office at the university.
3. Students may need copies of their syllabi or course descriptions from the Academic Catalog. This may be true when attempting to become licensed in other states as well.
4. In the State of Florida, once students are Registered Mental Health Interns, they must complete a minimum of two years post graduate work under appropriate supervision. Students must check with the Licensing Board for details and specifics on these requirements.
5. During this two-year post-Master's clinical experience, students will have the opportunity to sit for the state approved licensing exam.
6. Upon successful completion of all licensing requirements, students may be approved by the State Board and offered a license as a Mental Health Counselor.

The title, requirements and procedures in other states may differ from Florida and students need to explore this information prior to beginning their academic preparation. International students on an F-1 visa are eligible to work in the U.S. for up to 12 months after they complete their degree through Optional Practical Training (OPT). Currently, the length of OPT cannot be extended past 12 months for international students in this degree program.

M.S. in Clinical Mental Health Counseling Completion Requirements

1. Students must complete the required course curriculum. Satisfactory completion of these courses must be in compliance with University Academic Standards for Graduate Work as well as Program Competency Standards (See Statement of Competence).
2. In order to move on to Practicum/Internship students will need to have the endorsement of the faculty and appropriate evaluations on the Professional Performance Evaluation instrument and successfully complete the Practicum Entrance Exam.
3. Students must satisfactorily complete the experiential components of their curriculum based upon the standards outlined in the CMHC Student Handbook, the Practicum/Internship Handbook, and the University Academic Standards for Graduate Work.
4. Students must satisfactorily complete a standardized exit exam and skills-based exit exam commensurate with all program expectations and policies. No graduate degree will be conferred without the satisfactory completion of the exit exams.

STATEMENT OF COMPETENCE: In graduate work, the grade earned in a course not only represents a grade but is also a symbol of mastery of the work and competence in the field. It is for this reason that the Master's in Clinical Mental Health Counseling has instituted a competence requirement for satisfactory completion of a course. This requirement is stated as achieving a grade consistent with knowledge at the 80 percent threshold (on a 100 percent scale) or higher in a course. This competency requirement applies to a course deemed essential for counseling professionals. Students who do not achieve this level of mastery are considered to be lacking in the necessary competency for this course and are required to retake the course until they can document appropriate competence (defined as at least a grade of 80 percent). The courses to which this competency requirement applies are:

COLLEGE OF BUSINESS AND MANAGEMENT

MISSION STATEMENT

Lynn University's College of Business & Management empowers students to thrive in the dynamic world of business.

The College of Business & Management strives to realize Lynn University's vision to be recognized as one of the most innovative, international and individualized small universities in America.

The core values of the College of Business and Management:

1. **Students:** We view our students as our “clients” and our principle core value. In addition to their academic training, we will teach a commitment to community service, honesty and integrity in preparation for a successful career.
2. **Parents:** We recognize parents as key “stakeholders” in the success of their students and the College of Business and Management overall. As such, we will seek their advice, counsel and support in our strategy, direction and initiatives.
3. **Academic Excellence:** Outstanding faculty and staff combined with small class sizes and an emphasis on experiential education will be the cornerstone of a collaborative, diverse, effective and modern education.
4. **Global Competency:** A global learning experience and international student body will reflect our commitment and belief that a high quality education and excellent student preparation for the business world can only come from a worldwide perspective and cultural knowledge.
5. **Business Partnerships:** Integrated learning through internships with businesses and corporations that share our values will provide students with unique opportunities to build business skills and understanding to propel them to success in their “life after Lynn”.
6. **Entrepreneurship and Innovation:** We will encourage and teach students to embrace new ideas, challenges and opportunities that expose them to all possible career options.
7. **Lynn University:** We acknowledge and embrace the Lynn University community and mission statement as the cornerstone of the College of Business and Management. We will welcome advice, resources and best practices for synergistic excellence and success.

GRADUATE PROGRAM

MASTER OF BUSINESS ADMINISTRATION (M.B.A.)

The modern business enterprise is constantly transforming as it responds to technological innovations linking local communities with the global marketplace. The Lynn University M.B.A., delivered on ground and online, is an advanced degree designed to prepare and equip managers with the knowledge and competencies needed to administer controllable forces within their organizations in order to successfully adapt to variables and changes in an uncontrollable environment. Practitioners develop skills for deciphering and forecasting external forces and in the process become effective leader managers in the increasingly multicultural, multinational environment of the 21st century.

Additionally, Lynn University offers a professional MBA program, graduate evening education for business professionals without work interruption. The professional MBA is a hybrid program with a combination of online and in person classes. Courses are held at the Greater Delray Beach Chamber of Commerce in the heart of downtown Delray Beach, Fl. Lynn University in collaboration with the Delray Beach Chamber of Commerce created a program for aspiring entrepreneurs and marketers to expand their business acumen and network with local professionals. Chamber leaders lend their professional network to complement coursework as expert guests and executive mentors.

Located at the crossroads of world trade, Lynn University offers an unparalleled laboratory for learning. The university's expert faculty challenge graduate students, many with international backgrounds, to examine a broad spectrum of issues confronting modern business managers.

The 37 credit M.B.A. program comprises one credit orientation course and 12 three-credit courses, of which six are foundation courses (18 credits) for the Business Administration major, three are specialization courses (9 credits) and three are elective courses (9 credits). Specializations Offered entirely through Lynn University are available in Aviation Management, Entrepreneurial Management, Financial Valuation and Investment Management, Hospitality Management, Human Resource Management, International Business Management, Marketing, Media Management, Sports Management. In addition to the above specializations, students may choose to complete specializations with the Amani Institute or Wyncode Academy. Students are required to select a specialization.

The highly competitive professional MBA program enables working professionals to obtain a Master of Business Administration in marketing or entrepreneurial management specializations in 12 months.

Lynn University, in collaboration with Amani Institute, offers an MBA specialization in Social Innovation Management. The program provides an intensive global experience with cross-boundary work and will provide nine credits toward a Lynn University MBA degree. The curriculum includes topics such as design thinking as a change agent, creating and managing a social venture and the process of social innovation.

Lynn University, in collaboration with Wyncode Academy, offers a new MBA specialization in Web Development. The program will allow students to combine management skills with the “full stack web application” that is provided by Wyncode. Students will acquire the skills needed to create and present their own web application.

The Lynn University M.B.A. Program is designed to prepare qualified students for middle and upper-level management leadership responsibilities in business, not-for-profit and governmental organizations. Using a general management focus and strategic approach, students demonstrate: (1) broad and integrated knowledge of business functions; (2) analytical, problem-solving, and critical thinking skills and the use of technology for decision-making; (3) core business knowledge and tools for developing and implementing strategy, while assuring ethical behavior and (4) essential skills for building a competitive edge and successful business career.

DONALD E. AND HELEN L. ROSS COLLEGE OF EDUCATION

The Donald E. and Helen L. Ross College of Education's (RCOE) programs are delivered via experiential learning, and therefore bring research into practice. These programs challenge students to develop intellectually and personally to their fullest potential, ensuring that they are equipped with the knowledge, skills and competencies required of successful educators to meet the needs of all learners in today's diverse society.

GRADUATE PROGRAMS

In the Donald E. and Helen L. Ross College of Education, Lynn University, the primary aim in all programs, is to provide students the knowledge, dispositions, skills and understanding necessary to exercise visionary leadership in diverse and dynamic environments. The professional preparation provided by the RCOE stresses strategic planning, collaborative problem solving, interpersonal and inter-group functioning, technological proficiency and effective communication. In our view, the ultimate mission of the department is to prepare students who will create organizational cultures that lead with the head, hand and heart.

I. MASTER OF EDUCATION IN EXCEPTIONAL STUDENT EDUCATION (ESE)

The M.Ed. in ESE program provides students with the skills needed to work with diverse learners, especially those with disabilities in a K-12 setting. The courses focus on providing high leverage, evidence based practices, pedagogical content theory, knowledge and clinical experiences in the field as well as practical application. The intent is to produce graduates who, as teachers, are able to address the needs of the increasingly diverse student population in our schools today and who can display effective teacher leadership skills that create innovative programs to better serve students with disabilities.

Graduate Admission Standards for M.Ed. Program in ESE

Students are required to meet the following prerequisites for admission to the program:

1. A bachelor's degree from an accredited institution.
2. Undergraduate GPA of 3.0 or higher.
3. Official undergraduate and graduate transcripts of all academic coursework attempted.
4. Current résumé.
5. Statement of professional goals and a writing sample demonstrating the capacity to perform at the graduate level.
6. Two recent letters of recommendation; these can be from professional or academic sources but must be interactions that occurred within the last six months.
7. For international students who have not graduated from an accredited undergraduate institution in the United States, a satisfactory TOEFL score (550 paper-based, 213 computer-based or 80 internet-based) along with an International Transcript Evaluation and a course equivalency report must be provided. International applicants must provide official TOEFL/IELTS/-PTE Academic scores if English is not the applicant's first language. Applicants with a minimum TOEFL score of 80 (Internet-based), a minimum IELTS score of 6.5 or a minimum PTE Academic score of 55 will be considered. Consideration may be given to students who fall slightly below Lynn University's TOEFL/IELTS/PTE Academic English requirement. These cases will be reviewed on an individual basis by the Office of Admission.

M.Ed. in ESE Degree Completion Requirements

1. Complete the degree in a maximum of four calendar years from the date on a student's initial registration or be held to any new degree requirements.
2. Maintain a cumulative 3.0 GPA and achieve a B grade or higher in each course.
3. Complete GSR 501, Graduate Orientation Seminar (one credit).
4. Complete a minimum of 40 credits.
5. Pass FTCE Exceptional Student Education (ESE) K-12 certification subject area examination.

Program goals

The goals of the program are to provide a curriculum that:

- Introduces students to a body of diverse theory regarding exceptional student education.
- Focuses on the interpretation of laws and rules that govern public educational institutions.
- Enhances the development of effective skills in written and oral communication, informational literacy, research-based intervention strategies and the use of technology.
- Emphasizes the critical examination and evaluation of ethical issues and implications in today's educational establishment as they relate to students and adults with disabilities.

Expected outcomes

Upon completion of the ESE master's degree program, students will be able to:

- Display knowledge of curriculum and instructional theories, concepts and best practices and apply them to K-12 exceptional student education settings.
- Demonstrate effective communication and interpersonal relationship skills.
- Compare and contrast the strategies used to plan, develop, implement and evaluate instructional programs for children with disabilities.
- Use abilities to assist the educational community in supporting students with disabilities in inclusive settings.
- Understand, analyze, and interpret the federal, state constitutional, statutory and regulatory provisions governing special education.
- Develop knowledge of policies and procedures for the appropriate use of technology in the field.
- Effectively implement high leverage and evidence based practices to assist students with disabilities in the least restrictive environment.

The Exceptional Student Education Program in the Donald E. and Helen L. Ross College of Education is a 40-credit hour program leading to the Master of Education degree in Exceptional Student Education and eligibility for Florida Teacher Certification in grades (K-12) with an endorsement in Autism Spectrum Disorder. The State of Florida may require additional courses in the field for certification, prior to issuing the five-year certificate.

- Enhances effective skills in written and oral communication, mathematical computation, information literacy, intellectual strategies and use of computers.
- Emphasizes the critical examination and evaluation of ethical issues and implications in today's educational establishment.
- Develops data analytical skills to drive decision making and school improvement.

Expected outcomes

Upon completing of the master's degree program in Educational Leadership, students should be able to:

- Master state educational leadership standards and competencies.
- Demonstrate content areas competencies and skills.
- Display knowledge of basic leadership theories and concepts and apply them to leadership behaviors.
- Understand the relationship between communication and interpersonal relationships.
- Compare and contrast the strategies for evaluating curricular and instructional innovations.

- Develop the ability to plan, develop, implement and evaluate the financial status of an educational institution.
- Analyze the federal, state constitutional, statutory and regulatory provisions governing educational systems.
- Analyze management policies and procedures for appropriate use of technology.
- Analyze federal, state and school data to ensure effective school improvement planning.

DOCTORATE OF EDUCATION: EDUCATIONAL LEADERSHIP (Ed.D.)

The Doctor of Education (Ed.D.) in the Donald E. and Helen L. Ross College of Education is a three-year degree program developed in partnership with the Carnegie Foundation. The Carnegie Project on the Educational Doctorate (CPED) equips scholar-practitioners with the skills needed to connect research with practice, lead high-performing organizations and contribute to students learning. The program is designed for working professionals, who want to be leaders in a variety of education systems and settings.

Instructional Delivery

Year round classes are delivered face-to-face in the classroom, one weekend a month (Friday, Saturday and Sunday). Every two months, students complete a class which equals 3 credits of course study.

Program Goals/Learning Outcomes

Graduates of the Ed.D. program in K-12 Educational Leadership will be:

- Scholar practitioners able to use self-analysis, inquiry and purposeful reflection to continually improve their own practice.
- Scholar practitioners, who ask engaging and important questions, formulate appropriate strategies for investigating these questions, conduct investigations with a high degree of competence, analyze and evaluate the results of the investigations, and communicate the results to others.
- Scholar practitioners who understand the dynamics of educational systems and are able to leverage those systems in coherent, aligned strategies for educational change by creating democratic learning communities that move school systems toward meeting student achievement goals.
- Scholar practitioners who possess the knowledge and ability to ensure that all students are producing high quality work and achieving at optimum levels by fostering effective curricular programs, student-centered learning environments and accountable school cultures that reflect high expectations for student outcomes.
- Scholar practitioners who are culturally competent and advocate purposefully for equity in a diverse metropolitan society.
- Scholar practitioners who inspired shared vision and commitment to high student achievement informed by best practices by developing structures and processes fostering collaboration and inquiry for continuous instructional improvement.
- Scholar practitioners who are practitioner-researchers who purposefully engage in inquiry and construct knowledge that promotes equity in diverse metropolitan areas advancing the public good.
- Scholar practitioners who value the application of theory in practice and conduct systemic institutional inquiry, identifying critical issues using data to drive decision-making.

Program of Study

The Ed.D. at Lynn University in the Ross College of Education is a 52-credit program:

- Leadership theory and practice – 6 courses (18 credit hours)
- Leadership applied to K-12 settings – 4 courses (12 credit hours)
- Research methods – 4 courses (12 credit hours)
- Capstone/Dissertation research – 3 courses (9 credit hours)
- Complete GSR 501, Graduate Orientation Seminar (one credit).

TOTAL CREDITS 52

There are four program themes

- Leadership
- Accountability
- Equity and Diversity
- Learning and Instruction

Students enrolled in the Ed.D. program must maintain a cumulative 3.25 GPA and achieve a B grade or higher in each course.

Review Criteria

The candidate must comply with all academic rules, regulations, and time lines set forth by the College of Education. These include, but are not limited to, maintaining an acceptable degree plan and cumulative grade point average (GPA), completing required course work, passing the mid-program performance review and Scholarly Practitioner Portfolio Presentation (end of sixth semester), approval of dissertation in practice proposal, and successful completion, presentation, and defense of the dissertation in practice.

Performance Reviews

Performance in the program will be assessed in several ways. Conventional individual course performance measures (such as grades) are coupled with the mid-program review by program faculty who additionally provide performance feedback on candidate's presentation of their electronic Scholarly Practitioner Portfolio. In addition, each candidate must complete a minimum of two critical assignments per class and a culminating original research study, referred to as the Dissertation in Practice (DiP). The former serves to display mastery, synthesis, and application of knowledge and skills gained during the Ed.D. program. The latter serves as an opportunity to integrate and use skills gained during the program of study.

A candidate who has committed academic misconduct must complete the remedial actions required of the misconduct review process. These are all required actions.

Mid-Program Review

Students who are admitted to the doctoral program will have their mid-program review during their fifth semester. Students may be strongly encouraged to continue in the program, recommended to remain in the program, placed on probation, or asked to leave the program as a consequence of this review. This review considers the whole of the student's work to date, including attendance, participation, comprehension, and writing as well as any other factors deemed important by the faculty. The review assesses the student's potential for success at the dissertation in practice stage.

All students will be notified by letter of the results of this review; every student so reviewed may make an appointment with the Director of the Ed.D. Program in Educational Leadership to discuss the results. Students who do not pass the review will be dismissed from the program, effective at the end of the academic year (or the semester in which the review results are reported to the student).

Improvement Process

The improvement process includes the following steps:

5. The student should develop a performance improvement plan with their identified mentor. This plan must include steps and a time line for achieving satisfactory progress over the remaining four semesters.
6. The performance improvement plan should be submitted to the Director of the Ed.D. Program in Educational Leadership.
7. After the performance improvement plan is approved by the Director of the Ed.D. Program in Educational Leadership, the student and mentor will meet with the Director of the Ed.D. Program in Educational Leadership and the Dean of the College of Education to discuss the student's performance and the plans for improving it.
8. The Dean of the College of Education will decide whether and when all tasks in the improvement plan have been successfully completed. The recommendation by the mentor will be taken into account for this decision.

Appeals Procedure

Students who are asked to leave the program at mid-program review may appeal the procedure by notifying the Dean of the College of Education in writing within two weeks of the date on the letter of notification. The letter should state the grounds of the appeal. If new information is forthcoming, it must be given to the Dean of the College of Education. The Director of the Ed.D. Program in Educational Leadership will reconvene the Review Committee to consider the appeal within one week of the date on the letter of notification, and the final decision will be conveyed to the student within a reasonable period of time thereafter.

EUGENE M. AND CHRISTINE E. LYNN COLLEGE OF INTERNATIONAL COMMUNICATION

MISSION STATEMENT

The Lynn University College of International Communication (CIC) provides students an opportunity to acquire the knowledge, skills and experience necessary to build successful communication careers in the global media marketplace.

The college is committed to blending a strong liberal arts concentration with professional programs in communication that offer “hands-on” educational opportunities in film and television directing, writing, camera work, lighting, set design and digital editing; journalism, advertising and public relations; studies in traditional and emerging media; and digital art and design, including the study of photography, animation and graphic design.

The unique combination of theory, practice and internships offers students an opportunity to build a solid foundation for success in the competitive fields of communication. The college’s innovative approach to collaborative education enables students to participate in integrated learning projects that simulate media industries and promote the transition to professional positions in communication and media.

FACILITIES

State-of-the-art digital facilities house broadcast and cinema production and post-production centers, digital art and design labs with 3D printing and motion capture animation studios that enable students to develop professional skills and an advanced understanding of studio, field and news production, as well as digital post-production and editing. Instructional facilities for new media promote the early adoption of developing technologies into the mass media mix, including social and mobile media, web design, audio/video streaming, interactive business presentations and emerging media.

GRADUATE PROGRAM

MASTER OF SCIENCE IN COMMUNICATION AND MEDIA (M.S.)

The Master of Science in Communication and Media is an advanced degree designed for media professionals and recent baccalaureate graduates who plan careers as media scholars and/or practitioners. The program emphasizes the application of technology and new media delivery systems in the evolving media environment.

Graduate Admission Standards for M.S. in Communication and Media

Students are required to meet the following prerequisites for admission to the program:

1. A bachelor’s degree from an accredited institution.
2. Undergraduate GPA 3.0 or higher.
3. Official undergraduate transcripts.
4. A letter of recommendation from an academic or professional source.
5. A writing sample demonstrating the capacity to perform at the graduate level.
6. For international students who have not graduated from an accredited undergraduate institution in the United States, a satisfactory TOEFL score (550 paper-based, 213 computer-based or 80 internet-based) along with an International Transcript Evaluation and a course equivalency report must be provided. International applicants must provide official TOEFL/IELTS/-PTE Academic scores if English is not the applicant’s first language. Applicants with a minimum TOEFL score of 80 (Internet-based), a minimum IELTS score of 6.5 or a minimum PTE Academic score of 55 will be considered. Consideration may be given to students who fall slightly below Lynn University’s TOEFL/IELTS/PTE Academic English requirement. These cases will be reviewed on an individual basis by the Office of Admission.

Completion Requirements

1. Complete the degree in four calendar years from the date of a student’s initial registration or be held to any new degree requirements.
2. Maintain a cumulative 3.0 GPA and achieve a C (2.0) grade or higher in each course.
3. Complete GSR 501, Graduate Orientation Seminar (one credit).
4. Complete 36 graduate credits of foundation and specialization* course work, and a one-credit orientation seminar. Students completing the Digital Media specialization are required to submit a digital portfolio at the conclusion of their studies.

* In the Media Studies and Practice specialization, a creative project or thesis may be substituted for COM 540 and COM 545..

Curriculum

The curriculum seeks a balance of theory and practice by incorporating a substantive foundation of communication and media theory, research, law and history with multiple layers of practical application in content production and delivery.

The interdisciplinary nature of the degree permits students who have undergraduate degrees in a variety of majors to enter the program without penalty.

The M.S. in Communication and Media is composed of two sets of courses: eighteen (18) credits of foundation courses and eighteen (18) credits of specialization courses. There is also a one- (1) credit orientation course.

Students in the Media Studies and Practice specialization may elect to complete an optional creative project or thesis that is evaluated by a graduate committee. Students in the Digital Media specialization complete a digital portfolio in the final term.

Digital Portfolio

Following successful completion of 18 credits in the Digital Media and the Design Strategies for Web Development specializations, students are required to submit two copies of a digital portfolio composed of course assignments in COM and GVC courses for review by a committee of three members of the college faculty. The Digital Portfolio is not required for students in the Media Studies and Practice specialization.

Creative Project/Thesis

The creative project is an option available to candidates in the Media Studies and Practice specialization: it provides the opportunity to demonstrate the acquisition, mastery and integration of appropriate knowledge and skills in the field. Students electing this option are expected to select a creative project that fits professional and career objectives. The creative project is not an option for students in the Digital Media or Design Strategies for Web Development specializations.

The thesis is an original work conducted with scholarly rigor. The work must demonstrate the mastery of research skills and be theoretically significant. Students who wish to pursue doctoral studies are encouraged to choose the thesis option.

Grading of the Optional Creative Project/Thesis

If the optional project or thesis is selected, it must be completed within one year of the date of the accepted proposal. The creative project/thesis culminates in a public presentation and an oral defense. The optional creative project/thesis is graded on a pass/fail basis. In the event of a failing grade, students may resubmit their work within 90 days of the decision.

Students who select the optional creative project or thesis are required to enroll in COM 595 for 3 credits in the term following successful completion of COM 590. Students who fail to successfully complete COM 595 – CREATIVE PROJECT/THESIS SEMINAR II in the term following completion of COM 590 – CREATIVE PROJECT/THESIS SEMINAR I must reenroll in COM 595 for one credit in consecutive terms.

Completion of the Creative Project/Thesis

Upon successful completion of the optional creative project/thesis, students must submit two copies, one for the university library and one for the College of International Communication.

GRADUATE CERTIFICATE IN DIGITAL MEDIA

The Graduate Certificate in Digital Media consists of 18 credits of graduate course work that comprise theories, concepts and practices of digital media. The required courses correspond to courses in the Digital Media specialization in the M.S. in Communication and Media. Students enrolled in the Media Studies and Practice specialization in the M.S. in Communication and Media program or who have completed the latter are eligible to enroll in the Graduate Certificate in Digital Media program. Students who hold master’s degrees in other academic areas and/or students who hold a bachelor’s degree from an accredited institution must meet the graduate admission standards for the M.S. in Communication and Media.

Following successful completion of 18 credits in the Digital Media specialization, students are required to submit two copies of a digital portfolio composed of course assignments in GVC courses for review by a committee of three members of the college faculty.

CONSERVATORY OF MUSIC

MISSION STATEMENT

The mission of the Conservatory of Music at Lynn University is to provide high-quality professional education for gifted young musicians and set a superior standard for music education worldwide. Primary among the goals of the Conservatory is the nurture and education of the student body with a thorough attention to musicianship, artistry and skills needed to be competitive in the field of music performance. The aim is to train instrumental music students of high achievement through intensive programs of study in order to prepare them for performance careers. In addition, the Conservatory of Music offers a major in music composition. The Conservatory faculty forms a community of exceptionally accomplished and dedicated individuals striving toward similar goals. The artist-faculty maintain active performance careers and bring their experience and expertise to the aspiring student body.

The Conservatory offers baccalaureate and post-baccalaureate level programs of study to music students who have previous extensive preparation in musical performance and/or composition. The program focuses on rigorous, professional instruction and offers a full and progressive curriculum leading to the Bachelor of Music degree, Professional Performance Certificate or Master of Music degree. Students are selected for enrollment from across the United States and globally through a stringent audition process. Artistic talent and ability, along with potential for growth, are the primary criteria for admission. Following are the requirements for obtaining post-baccalaureate degrees from the Conservatory:

GRADUATE PROGRAM

MASTER OF MUSIC (M.M.)

Graduate Admission Standards for M.M. in Music

Students are required to meet the following prerequisites for admission to the program:

1. A bachelor's degree from an accredited institution.
2. Official undergraduate transcripts.
3. Two Conservatory recommendation forms.

AFS 401 NATIONAL SECURITY POLICY

A continuation of AFS 400. Prerequisite AFS 400. Offered: Spring.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: AFS 400

AVS 102 AVIATION HISTORY

A survey of the entire spectrum of aviation—its evolution from balloons to supersonic transports and space travel, its contemporary situation and problems, as well as its potential.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

AVF 120 PRIMARY FLIGHT THEORY AND TRAINING, SOLO

Provides the student with the theoretical knowledge and practical skills to meet all FAA requirements for solo flight under FAR Part 141 in a single-engine, land class airplane.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: None

AVF 121 PRIMARY FLIGHT THEORY AND TRAINING, PPL

Provides the student with the theoretical knowledge and practical skill to complete all FAA written, oral and flight training requirements for the award of the Private Pilot License for single-engine, land class aircraft as required under FAR Part 141.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: AVM 120

AVF 123 AVIATION FLIGHT THEORY STUDIES

This course will account for the supplemental self-study required to accomplish all FAA required training for the various flight licenses and ratings offered by the School of Aeronautics.

Credits: 0
Offered: Fall, Spring, Summer
Lab Fee: None
Pre-Reqs: None

AVF 125 PRIMARY HELICOPTER –SOLO XC

Provides the student the theoretical knowledge and practical skills all FAA written, oral and flight training requirements to perform solo cross country-helicopter as required under FAR Part 141.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: None

AVF 126 PRIMARY HELICOPTER-PPL

Provides the student with the theoretical knowledge and practical skills to meet all FAA requirements for the award of the Private Pilot License-helicopter under FAR Part 141.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: AVM 125

AVF 220 INSTRUMENT FLIGHT THEORY AND TRAINING, BASIC

Instrument flight theory and training accomplished in compliance with FAR Part 141 that prepares the student to accomplish a ground and flight progress check covering basic attitude instrument flying and basic instrument navigation.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: AVM 121

AVF 221 INSTRUMENT FLIGHT THEORY AND TRAINING, ADVANCED

Advanced instrument flight theory and training accomplished in compliance with FAR Part 141 that prepares the student for the FAA written, oral and flight training leading to the instrument rating.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: AVM 220

AVF 226 AVIATION WEATHER

A study of atmospheric phenomena, weather principles, forecasting techniques and weather information dissemination as they relate to and impact flight operations.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

AVF 230 COMMERCIAL FLIGHT THEORY

Provides the required flight theory and prepares the student for the FAA written and oral tests for the commercial pilot certificate.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: AVM 221, or instrument rating

AVF 231 COMMERCIAL FLIGHT TRAINING

Completes the required flight knowledge and skills and prepares the student for the FAA flight test leading to the commercial pilot certificate.

Credits: 1
Offered: Fall, Spring
Lab Fee: None
Pre-Reqs: AVM 230, or instrument rating

AVF 232 COMMERCIAL HELICOPTER ADD ON

Provides the student with the aeronautical knowledge to meet all FAA requirements for the practical examination for adding a rotorcraft category and helicopter class rating at the commercial pilot level to their pilot certificate under FAR Part 141.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: FAA Commercial Rating-Airplane

AVF 233 COMMERCIAL HELICOPTER ADD ON

Provides the student with the knowledge, skill, and aeronautical experience to meet all FAA requirements for adding a helicopter class rating at the commercial pilot level to their fixed wing pilot certificate under FAR Part 141.

Credits: 1
Offered: Fall, Spring
Lab Fee: \$100
Pre-Reqs: AVM 232

AVS 250 AVIATION SAFETY AND HUMAN FACTORS

A study of the physiological, psychological and physical factors that directly affect air operations and flight safety. Included are reviews and discussions of safety parameters and aircraft accidents and incidents that reflect human factor involvement.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

AVF 310 FLIGHT INSTRUCTION METHODS AND PROCEDURES

Methodology and requirements of flight instruction that prepare the student for the FAA flight instructor's examination. Flight training and successful completion of all training requirements for the commercial flight instructor's ratings are involved.

Credits: 4
Offered: As Needed
Lab Fee: \$30
Pre-Reqs: None

AVS 341 AIRPORT OPERATIONS

A detailed study of operating an airport, principally viewed from the public sector standpoint. Included are the operator's functions and responsibilities, applicable local, state, and national regulatory requirements, together with preparation of an airport's master plan.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

AVS 346 FIXED-BASE OPERATIONS

An analysis of all aspects of fixed-base operations, including flight training, charters and rentals, contract services, transient flight operations, and community relations. Study also will include an overview of the contemporary air transportation industry, both domestic and foreign, including the industry's evolution, structure, regulation, administration and its aircraft.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

AVS 347 AVIATION OPERATIONS

This course is an analysis of the application of contemporary operations techniques of the three pillars of the aviation industry: airlines, airports and fixed base operations. Included are operations functions, current issues, domestic and foreign operations, domestic and foreign regulations, aircraft selection, labor relations, airport master plans and strategic planning. The course will include a major student project. Offered: Fall.

Credits: 3
Offered: Fall, Spring
Lab Fee: None
Pre-Reqs: None

AVS 397 INDEPENDENT STUDY

Credits: 1-9
Offered: As needed
Lab Fee: None
Pre-Reqs: None

AVS 431 GLOBAL AVIATION REGULATIONS & LAW

A study of the evolution of aviation regulation and law from a global perspective. Included are certain sections of current Federal Aviation Regulations (FARs), International Civil Aviation Organization (ICAO) regulations, landmark court cases that have significantly impacted air travel, and various conventions and agreements by which domestic and international air transportation is governed.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

AVS 441 AIRLINE AND AIRPORT OPERATIONS

An analysis of the application of contemporary operations techniques of the airline and airport industries. Included are operations functions, current issues, domestic and foreign operations, domestic and foreign regulations, aircraft selection, labor relations, airport master plans and strategic planning. The course will include a major student project.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

AVS 471 AIRLINE EMERGENCY CABIN TRAINING

At the completion of this course, students will have a basic understanding of airline emergency situation procedures and demonstrate the ability to make appropriate responses. Includes 30 hours of classroom instruction and 15 hours of practical demonstration and practice on aircraft mockups and use of emergency equipment.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: Enrollment in the aviation program or approval of the department head

AVF 472 B-727 PILOT FAMILIARIZATION

At the completion of this course, students will have a basic understanding of major b-727 aircraft systems, including powerplant, pneumatic, electrical, hydraulic, flight control, fuel, avionics and instruments. They also will be familiar with preflight planning requirements, to include aircraft limitations and performance, weight and balance computations and use of the national airspace system. Students are instructed in the location, function and operation of major aircraft systems, including cockpit controls and indications. Includes 45 hours of classroom and part task mockup (ptm) instruction.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: AVM 471

AVF 473 B-727 PILOT SIMULATOR FAMILIARIZATION

At the completion of this course students will have basic knowledge and skills for the operation of primary and secondary cockpit controls of the B-727. They will be able to perform normal take-offs and landings, climbs and descents, and turns to headings. They will be able to control the aircraft in both visual and instrument flight conditions. In addition, they will practice and demonstrate basic understanding of steep turns, approach to stalls, emergency descents, instrument approaches and other advanced maneuvers. They also will experience abnormal and emergency flight situations and demonstrate a basic understanding of appropriate pilot responses. Includes 45 hours of instruction. Includes 20 hours in a full flight simulator (motion and visual). Ten hours will be pilot-in-command (PIC) instruction while occupying the captain position and 10 hours will be support duties from the first officer position, or as an observer. In addition, each four-hour simulator session will include a one-hour briefing and a one-hour debriefing.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: AVM 472

AVF 474 B-737 PILOT FAMILIARIZATION

At the completion of this course, students will have a basic understanding of major B-737 aircraft systems, including Powerplant, Pneumatic, Electrical, Hydraulic, Flight Control, Fuel, Avionics and Instruments. They also will be familiar with preflight planning requirements, to include aircraft limitations and performance, weight and balance computations and use of the National Airspace System. Includes 45 hours of classroom and part task mockup (PTM) instruction. Students are instructed in the location, function and operation of major aircraft systems, including cockpit controls and indications.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

AVF 475 B-737 PILOT SIMULATOR FAMILIARIZATION

At the completion of this course, students will have basic knowledge and skills for the operation of primary and secondary cockpit controls of the B-737. They will be able to perform normal take-offs and landings, climbs and descents and turns to headings. They will be able to control the aircraft in both visual and instrument flight conditions. In addition, they will practice and demonstrate basic understanding of steep turns, approach to stalls, emergency descents, instrument approaches and other advanced maneuvers. They also will experience abnormal and emergency flight situations and demonstrate a basic understanding of appropriate pilot responses. Includes 45 hours of instruction. Includes 20 hours in a full flight simulator (motion and visual). Ten hours will be pilot-in-command (PIC) instruction while occupying the captain position, and ten hours will be support duties from the first officer position, or as an observer. In addition, each four-hour simulator session will include a one-hour briefing and a one-hour debriefing.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: AVM 474

AVF 476 B-747 PILOT FAMILIARIZATION

At the completion of this course, students will have a basic understanding of major B-747 aircraft systems, including Powerplant, Pneumatic, Electrical, Hydraulic, Flight Control, Fuel, Avionics and Instruments. They also will be familiar with preflight planning requirements, to include aircraft limitations and performance, weight and balance computations and use of the National Airspace System. Includes 45 hours of classroom and part task mockup (PTM) instruction. Students are instructed in the location, function and operation of major aircraft systems, including cockpit controls and indications.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

AVF 477 AIRLINE TRANSPORT PILOT (ATP) CERTIFICATE

This course will result in attaining the Airline Transport Pilot (ATP) certificate. Lynn University is authorized under our FAR Part 142 certificate to provide ATP training. The syllabus is FAA approved. Lynn students will receive academic credit for this work. A student may take the ATP credit or the 737 familiarization credit, but not both.

Credits: 3
Offered: As Needed
Lab Fee: A lab fee is required
Pre-Reqs: FAA Commercial License and 1500 flying hours

AVS 481 AVIATION SEMINAR

A series of discussions and an analysis of contemporary management problems in aviation. Individual student research and reports are required.

Credits: 1-9
Offered: As Needed
Lab Fee: None
Pre-Reqs: Permission of advisor/dean

AVS 482 AIR TRAFFIC BASICS

Every day, thousands of Air Traffic Controllers across the country work tirelessly to ensure the safe flow of traffic throughout the National Airspace System. This course is designed to expose students to this dynamic and rewarding career path while simultaneously helping students prepare for any of the other wide ranging technical fields in the aviation industry. Upon completion of the course, students will be prepared to take the AT-SAT air traffic control entrance exam. The test is administered at various times throughout the year by the FAA. The review of aeronautical topics also is an excellent primer for students wishing to be flight instructors or professional pilots.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

AVS 483 AVIATION TECHNOLOGIES

This course is an analysis of the application of various technologies in the aerospace industry. Students will explore the application of technology in aircraft, planning, scheduling, dispatching, avionics, ATC aerodynamics and navigation systems. An understanding of multiple applications of technologies and the advantages of combining various technological advantages in varying segments of the aerospace industry and these effects on the efficiency of the industry is the ultimate goal of this course.

Credits: 3
Offered: Spring

ENV 250 ENVIRONMENTAL RISK AND PUBLIC HEALTH

This course will expose students to critical issues in global health, emphasizing an interdisciplinary approach to investigating global health problems. The concepts and issues of global health will be considered as well as emerging issues and future concerns. Selected critical global topics include the following: environmental health, chronic diseases, infectious diseases, nutrition, mental health, as well as common prevention and adaptation strategies employed worldwide. Assessment covers the principles and methods used in evaluating human health risks from environmental hazards, including quantitative and qualitative aspects of hazard identification, dose-response assessment, exposure assessment, and risk characterization.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ENV 310 ENVIRONMENTAL LAW

What are the legal mechanisms that affect the human-environment nexus and how do they work? This course begins by considering the historical development of environmental values, policies, and legal frameworks including a discussion of legal theory, economics and the environment, common law roots, various governance structures including approaches to federalism, and environmental justice. Such issues, associated laws and their consequences will be examined in a comparative manner; the U.S., other countries, regional and global contexts will be explicitly included. Case law, major statutes and customary law will inform discussions.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ENV 320 ENVIRONMENTAL ETHICS

This course addresses a variety of theoretical positions and applied topics in environmental ethics from both traditional and nontraditional perspectives. The positions include: traditional ethics concerning the environment that do not constitute an environmental ethic (or, ethic of the environment); utilitarian and rights-based animal welfarism; an ethics of respect; Leopold's Land Ethic, environmental pragmatism; continental environmental ethics; deep ecology; ecofeminist ethics; Black and Third World feminist positions on environmental ethics; and, indigenous and earth-based community perspectives in environmental ethics. The course will also consider the viability of these theoretical positions in applied, real-life contexts by considering such topics as: their implications for public policy; environmental ethics and environmentalism as a social justice movement, human overpopulation; pollution; globalization; colonialization; and grassroots activism. The ultimate objective is for each student to develop their own conceptually deep, theoretically grounded, and concrete environmental ethic.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ENV 330 WILDLIFE CONSERVATION

This course's central focus is an examination of conservation issues facing various species and an assessment of possible solutions. The course will look at both successful and unsuccessful conservation strategies in local, regional and global contexts and will appraise current initiatives to predict the success or failure of these projects. Dynamics to be considered include habitat loss due to human encroachment, biodiversity, contamination and the impact of climate change. Students will choose a predicament presently facing an animal species and draw up their own conservation strategy to confront the problem.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ENV 340 ENVIRONMENTAL STATISTICS

Environmental Statistics is meant to give students an introduction to the methods of analyzing and quantifying environmental data. Students will examine how to perform basic statistical tests on data sets relevant to environmental research. In addition, students will examine how this data is utilized in the field and will be able to identify its application in the current literature. Students will also have the opportunity to explore international databases of ecological data and understand their application.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ENV 368 PHYSICAL ANTHROPOLOGY

This course is an exploration of the human species and primate order in the biological context. The course will clearly define the field of physical anthropology and its relationship with the other fields of anthropology. Topics include human evolution, genetics, human variation, neural mechanisms and cognition, the biological basis of behavior, a non-human primate survey, non-human primate behavior, and functional morphology. Students will come away with an understanding of the human species place in the natural world.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

ENV 450 CAPSTONE IN ENVIRONMENTAL STUDIES

A seminar required of all majors in Interdisciplinary Environmental Studies during their senior year that will provide an integrative experience in which students will conduct an individual or group research project under the close supervision of the course instructor as well as those teaching in the major. The research goal is to study an environmental problem(s) which is/are local or global in nature and develop a practical solution to said problem.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

ENV 490 SEMINAR IN ENVIRONMENTAL STUDIES

This seminar course in Environmental Studies is a topic based course designed to expose students to a specific subject area within the field of Environmental Science. This course allows students to fully explore the intricate facets of the seminar topic, and develop a comprehensive understanding of the subject matter.

Credits: 3
Offered: Fall or Spring
Lab Fee: None
Pre-Reqs: None

ESE 100 PROACTIVE BEHAVIOR STRATEGIES FOR STUDENTS WITH DISABILITIES

This online course is intended to assist both general education and special education teachers with classroom management strategies that will create a proactive and effective classroom climate for both students with and without disabilities. Participants will develop a bank of strategies for future implementation within their own classrooms.

Credits: 1
Offered: Online
Fee: \$100
Pre-Reqs: Non-Matriculating; FLDOE Teacher Recertification Requirement

ESE 101 AUTISM: VISUALS FOR INSTRUCTION

This online course will focus on using visuals to enhance instruction for students with autism. Participants will understand the link between student behavior, communication, and the use of visual strategies in any classroom setting. Participants will create visuals to enrich the environment, promote communication opportunities, and improve understanding.

Credits: 1
Offered: Online
Fee: \$100
Pre-Reqs: Non-Matriculating; FLDOE Teacher Recertification Requirement

ESE 102 ASD SUPPORT IN SECONDARY CLASSROOMS

This online course will focus on supporting students with Asperger's and High Functioning Autism within secondary general education classroom settings. Participants will explore the "hidden curriculum", various differentiation methods, visual strategies and behavioral intervention techniques specific to the needs of ASD.

Credits: 1
Offered: Online
Fee: \$100
Pre-Reqs: Non-Matriculating; FLDOE Teacher Recertification Requirement

ESE 103 INSTRUCTIONAL LEADERSHIP FOR SPECIAL EDUCATION

This online course will enhance instructional leaders' capacity to provide SWD the appropriate access to the general education curriculum in the least restrictive environment with the appropriate supports for each. Leadership role definition learn how to develop flexible schedules, monitor implementation of accommodations and modification, progress monitor academic achievement of SWD and provide a culture of success driven instruction.

Credits: 1
Offered: Online
Fee: \$100
Pre-Reqs: Non-Matriculating; FLDOE Teacher Recertification Requirement

ESE 104 TECHNOLOGY FOR ACCESS AND INSTRUCTION

This online course will expand teacher capacity to integrate instructional technology into classroom daily lessons and activities. Participants will examine and become familiar with several instructional technologies that are designed to support SWD in gaining access to engaging in the general education curriculum along with the FL standards. Opportunities to practice and reflect on venues for the inclusive classroom.

Credits: 1
Offered: Online
Fee: \$100
Pre-Reqs: Non-Matriculating; FLDOE Teacher Recertification Requirement

ESE 105 INTRODUCTION TO SPECIAL EDUCATION

This course explores current knowledge about young children with disabilities within the context of human growth and development and learning expectations during the preschool years. Includes historical factors and legislation affecting service delivery.

Credits: 3
Offered: Fall and Spring
Fee: None
Pre-Reqs: None

ESE 251 EXCEPTIONAL PEOPLE

An introduction to persons with disabilities and other persons considered to be diverse within society, the school and the community. Students will explore causes of disabilities and services available for these individuals.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ESE 275 INCLUSIVE EDUCATION

Review of research based information on the identification and remediation of exceptional students in the general education classroom. Development of practical evidence based teaching strategies general educators need to respond effectively to exceptional students in general education classroom settings. Various teaching strategies including learning strategies, universal design, direct instruction, cooperative learning, and peer tutoring as well as how to make appropriate accommodations and modifications will be examined. Five hours of field observations required.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

ESE 460 CHILDREN AT RISK

A study of research-based information of the identification, resources and effective instructional practices for all children with special needs who are at risk of academic failure from age three through grade three. Procedures and intervention approaches for appropriate and effective family support are discussed.

Credits: 3
Offered: Fall, Spring
Lab Fee: None
Pre-Reqs: None

ESE 500 FOUNDATIONS OF EXCEPTIONAL STUDENT EDUCATION

An exploration and analysis of exceptional student education with a focus on government policy, particularly IDEIA 2004 and the ADA; topics contributing to the history of special education; legal and ethical issues in exceptional student education; and major theories associated with educating students with mild moderate and severe disabilities. A minimum of 10 hours of field experience required.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ESE 503 SPEECH LANGUAGE NEEDS FOR SWD

Gives a general overview of speech-language pathology, including incidence of communicative disorders, normal speech and language development and disorders. Principles of assessment of language disorders in preschool, school-age, and adolescent populations. Provides exposure to the area of augmentative/alternative communication (AAC). Topics will include functional dimensions of AAC systems; symbol systems; transmission techniques; and intervention strategies. A Field Observation experience of 10 hours is required here. This course completes the accreditation requirements for FLDOE approval. This course is considered for ASD endorsement.

Credits: 3
Offered: Summer
Lab Fee: None
Pre-Reqs: None

ESE 505 ASSESSMENT OF EXCEPTIONAL STUDENTS

The purpose of this course is to offer an advance set of skills in assessment as it applies to the characteristics and needs of the students with disabilities. The course will emphasize the basic considerations of assessment and measurement, as well as the actual assessment instruments, techniques and decisions which lead to appropriate educational programming for students with disabilities and emphasis on ASD. Both in the general education and special education classrooms. The course will also examine the use of informal methods used in special education classrooms; portfolio assessment, authentic assessment, observation, anecdotal and various recording methods will also be covered. A minimum of 10 hours of field experience required. This course is considered for ASD endorsement.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ESE 510 LITERACY FOR STUDENTS WITH DISABILITIES

This course presents the fundamentals of reading theory, instruction and assessment. Teaching strategies based on current special education methods and materials will be presented. Emphasis is placed on the development and utilization of a broad spectrum of pedagogical methodologies designed to foster reading literacy. Diagnostic, prescriptive and evaluative techniques appropriate to the child with disabilities are addressed. Critical assessment of commercial reading and other language arts programs/materials is included. A minimum of 10 hours of field experience required.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ESE 515 INSTRUCTIONAL METHODS IN CONTENT AREAS

An in-depth study of the characteristics and needs of students with disabilities along with the use of various evidence based teaching strategies and individual instructional methods such as differentiated instruction, and understanding by design. The course will examine the use of various learning strategies and inclusive practices for students with disabilities across content areas. A minimum of 10 hours of field experience required.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ESE 520 CLASSROOM BEHAVIOR MANAGEMENT

This course provides students with the fundamental principles of behavior management and application of these principles to solving classroom management problems. In addition, there will be specific focus on current practice and research on the evaluation and treatment services for students with disabilities. It is intended for behavior management and positive behavior supports for students with autism. A minimum of 10 hours of field experience required. This course is considered for ASD endorsement.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

ESE 521 SURVEY OF LEARNING DISABILITIES

This course provides a historical overview of services, assessment, theories of intervention strategies and classroom models for children with specific learning disorders. The etiology of learning disabilities and its prolific growth will be presented as well as what schools and teachers must do to accommodate these learners, including the RTI process. This course will also examine national organizations, definitions, discrepancy of potential and achievement and other identification issues for these learners. Minimum of 10 hours field experience required.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

ESE 525 TRANSITION PLANNING FOR STUDENTS WITH DISABILITIES

Comprehensive guide to collegiate, counseling, residential, social and vocational programs, and serving adolescents and young adults with disabilities. This course presents information to enable students to plan, implement, and evaluate programs for adolescents and young adults with disabilities so that they can lead a satisfactory and successful adult life. Principles in this course can be applied to the secondary school, residential, social and vocational, and counseling-based programs where students with disabilities are served. A minimum of 10 hours of field experience required.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

ESE 530 TECHNOLOGY AND EXCEPTIONAL STUDENTS

A practical course that builds on basic computer knowledge to increase teacher skill and student learning through technology supports. The course will focus on adaptations and modifications of technology (hardware and software) effective for students with disabilities. Application of email and web resources for instructing students with disabilities will be explored. Emphasis will be placed on technology for use with students with ASD. This course is considered for ASD endorsement. A minimum of 10 hours of field experience is required.

Credits: 3
Offered: Summer
Lab Fee: None
Pre-Reqs: None

ESE 531 INTRODUCTION TO AUTISM SPECTRUM DISORDERS AND THE NEEDS OF FAMILIES

This course to meets the requirements for the endorsement competencies for the nature of autism spectrum disorders (including student characteristics, appropriate learning goals, teaching approaches, environmental arrangements) and the field-based experience requirement with students with Autism Spectrum Disorders (ASD). The course will provide participants with a framework for understanding the definition and history of autism (prevalence/incidence). The medical and educational knowledge of treatment efforts to promote the appropriate education strategies and services for students with ASD will be discussed. The course will also focus on the evidence-based instructional strategies and classroom organization along with social and communication needs of children with ASD and their families. A minimum of 10 hours of field experience required. This course is considered for ASD endorsement.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

ESE 540 GRADUATE CAPSTONE RESEARCH PROJECT

The capstone is an action research project that is student-centered, student-directed and requires the command, analysis and of synthesis, knowledge and skills. Students will complete an individual action research project with supervision during their Practicum placement related to students with disabilities and a problem identified in the practicum classroom setting. Offered: This course will be aligned with the ESE 580 Practicum Course when offered.

Credits: 3
Offered: Fall, Spring
Lab Fee: None
Pre-Reqs: None

ESE 541 PRINCIPLES OF APPLIED BEHAVIORAL ANALYSIS

This course will focus on definitions, characteristics, principles, processes and concepts related to behavior analysis as well as introducing behavior change procedures and systems support, as well as functional behavior assessments and behavior intervention plans. Ten hours of field experience required. This course is considered for ASD endorsement.

Credits: 3
Offered: Summer
Lab Fee: None
Pre-Reqs: None

ESE 580 GRADUATE PRACTICUM IN EXCEPTIONAL STUDENT EDUCATION

The graduate practicum in ESE is designed to give graduate students the opportunity to gain a supervised teaching experience prior to their student teaching experience. During this experience, the students will practice and be evaluated on their ability to demonstrate beginning level teaching skills. A minimum of 70 hours of field experience required. This course will be aligned with the ESE 540 graduate Capstone Research Project.

Credits: 3
Offered: Spring, Fall
Lab Fee: None
Pre-Reqs: None

ESE 581 STUDENT TEACHING IN EXCEPTIONAL STUDENT EDUCATION

This course provides the opportunity for independent practice teaching in a diverse classroom in order to utilize the knowledge, attitudes, and skills necessary to demonstrate competency in the Florida Educator Accomplished Practices. Besides attending their assigned placements, student teachers are also required to participate in bi-weekly seminars designed to assist in transferring the knowledge and skills learned in the university classroom and during field placements. A minimum of 525 hours of field experience required.

Credits: 3
Offered: Fall, Spring
Lab Fee: None
Pre-Reqs: None

ESL 300 SECOND LANGUAGE AND LITERACY DEVELOPMENT FOR ENGLISH LANGUAGE LEARNERS

This course examines current linguistic theories and principles of second language acquisition and literacy development. It presents the application of best practices for the development of social and academic English recognizing the influence of culture to guide teachers in instructional practice with English language learners. Eight hours of field observation are required.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

ESL 310 SHELTERED CONTENT INSTRUCTION FOR ENGLISH LANGUAGE LEARNERS

This course is a comprehensive overview of instructional methods and strategies for English language/literacy development and content instruction to English language learners enrolled in a various program models. The course is designed to help teachers make applications from research findings to practice in their classrooms with an understanding of culture and its relationship to academic achievement. Eight hours of field observation required.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: ESL 300

ESL 330 CROSS CULTURAL COMMUNICATIONS

This course is designed to provide students with a general understanding of the characteristics of individuals from diverse populations. This course identifies cultural issues related to communication, classroom interaction, academic content, as well as parental and community involvement. This course is designed to help provide background on the diversity of the nation's students, explore the social and educational issues faced by teachers in diverse classrooms, and guide teachers to think critically and reflectively about their decisions as a teacher in a multi-cultural educational classroom. Eight hours of field observations are required.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

FOR 130 INTRODUCTION TO FORENSIC SCIENCE

An introduction to the uses and methods of forensic science. This course will examine the types of evidence that result from scientific analysis of a crime scene, the methods used to evaluate this evidence, the limits of these techniques, and the role of the forensic scientist in criminal investigation.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

FOR 220 COMPUTER FORENSICS

Computers have become very important in forensic crime investigations, as they have in all other walks of life. Computers, and digital storage devices, can become involved in virtually every type of crime. This course teaches the identification, acquisition, preservation and analysis of digital data. Today, the typical PC is only part of an investigation that can include digital cameras, cell phones, iPads, and flash drives. Data recovered from deleted files may make a major contribution to the solution of a criminal investigation.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

FOR 230 CRIMINALISTICS & LAB

This course is about how to handle crime scenes, from the initial notes of the first responders, to the final delivery and storage of the last piece of evidence at the forensic laboratory. Criminalistics focuses in detail on the processing of the crime scene itself. This includes the recognition of physical evidence, the documentation of it, the preservation of evidence, the process of individualization, the relationship of pieces of evidence to each other, and ultimately, the construction of hypotheses about what kind of human behavior would produce the specific array of evidence recovered.

Credits: 4
Offered: As Needed
Lab Fee: \$30
Pre-Reqs: None

FOR 330 FINANCIAL INVESTIGATIONS

Investigation of financial crime uses accounting, auditing, and often analytical skills as part of an ongoing criminal case. Some examples of financial crime investigation would be the examination of employee theft, embezzlement, securities fraud, insurance fraud, and illegal kickbacks and bribes. Forensic accountants may work for such entities as insurance companies, governmental organizations, law enforcement agencies, and banks. The final product of the financial investigation must be a presentation of the sometimes extremely complex financial evidence in a case, in a form that is comprehensible for the average juror in a court of law, and in keeping with legal concepts and procedures.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

FOR 340 TRACE EVIDENCE AND MICROSCOPY

Trace evidence makes up much of the transfer evidence left behind by contact at a crime scene. The course instructs students in the analysis of trace evidence typically found in forensic investigations such as hair, fibers, gunshot residue, glass and paint. The course focuses on the use of the light microscope, polarized light microscope, color testing and infrared spectroscopy as analytical tools. Students will also receive instruction in instrumental and wet chemical methods for the analysis of trace evidence, inorganic ions, explosives and drugs.

Credits: 4
Offered: As Needed
Fee: None
Pre-Reqs: SCI 130 and FOR 230

FOR 350 FORENSIC MOLECULAR BIOLOGY

This course will present current methods in body fluid stain identification and modern DNA typing methods used in forensic biology. The process of DNA analysis will be covered from obtaining a sample, extraction, and emphasis on PCR technology and STR fragment analysis. This course will also expose students to newer techniques such as mitochondrial DNA typing and Y-Chromosome typing. Students will also receive instruction, in the use and calculation of population statistics.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: SCI 110, 111 and 290.

FOR 430 FORENSIC CHEMISTRY

This course will present chemical principles as they are applied to forensic science specifically analytical chemistry. Topics will include analytical chemistry topics such as, data evaluation, quantitation, sampling and uncertainty of quantitative data. This course instructs student in the chemical analysis of different type of forensic evidence typically found in forensic investigations such as controlled substances, fine debris, explosives, gunshot residue and paint. Students will receive instruction in instrumental methods of quantitation of such evidence.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: SCI 130 and 131

FOR 440 FORENSIC PATHOLOGY

This forensic pathology course is designed to introduce to students those aspects involved with the determination of the cause of death or injury to a victim. The course discusses the procedures necessary to identify the victim, and the mechanism and manner of death, from natural causes to accidental, suicide and homicide. It also discusses the collection and evaluation of biological evidence surrounding the death, including environmental and toxicological impacts. Finally, the course discusses the medico-legal responsibilities and expert testimony concerning the death.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: SCI 130

FOR 450 FORENSIC CASE STUDIES

This course will use selected case studies to explore the clinical aspects of psychological disorders as they relate to criminal behavior. By focusing on the issue s of sanity and competence, the course will take a practical approach to understanding psychological disorders and how they impact people in ways that lead to various kinds of criminal behavior. The course will also explore how the legal system attempts to process individuals with psychological disorders. Topics will include the implications for law enforcement in dealing with psychologically impaired criminals. The course will examine the current practice, techniques and applications of interviewing and interrogation in forensic settings. Students will learn current and relevant systemic influences for the solicitation of information which are the most accepted by the scientific and legal community. Ethical and reliability issues regarding torture and adverse conditioning factors will be explored. Specific areas to be covered include interpretation of verbal and physical behavior, causes of denial, deception and defensiveness as related to psychopathology, memory enhancement, recovered memory, psychological theoretical models of confession, false confessions, critical analysis of interrogator intuitive judgments and ethical considerations involved with interviewing and interrogation. Profiling will be discussed.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

FOR 490 SEMINAR IN FORENSIC SCIENCE

This seminar course in Forensic Science is a topic based course designed to expose students to a specific subject area within the field of Forensic Science. This course allows the student to fully explore the intricate facets of the seminar topic, and develop a comprehensive understanding of the subject matter.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

FOR 495 CAPSTONE IN FORENSIC SCIENCE

In this course, the students, in small groups, will create and solve a crime of their own choosing. They should bring in as much of their acquired skills and knowledge as possible, including all the basics of crime scene search, analysis, preservation and processing. They should move on to demonstrate more advanced investigative techniques, such as forensic psychology, forensic chemistry, computer forensics, forensic pathology, forensic anthropology, and forensic accounting. The culmination of the course will be the "courtroom" presentation of their evidence, revealing constructions of guilt or innocence.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

GVC 122 DRAWING AND DESIGN

This introductory course offers students the opportunity to build a foundation in basic drawing and design. Assigned projects will explore the application of drawing and design principles and visual elements such as line, form, texture and value. Emphasis will be placed on the creation of conceptual and aesthetic compositions.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$40
Pre-Reqs: None

GVC 165 DIGITAL PHOTOGRAPHY

This course is an introduction to digital photography. A combination of lectures/discussions, demonstrations, photographic and editing assignments and critiques are used to discuss photography fundamentals such as proper use of digital camera equipment, composition, digital image enhancement and high-resolution printing.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$40
Pre-Reqs: None

GVC 220 DIGITAL LAYOUT AND DESIGN

This course provides an overview of visual design practices that integrate design principles, digital photography, typography and graphics in preparation for use in print and web publications such as flyers, brochures, posters, magazines and web pages.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$40
Pre-Reqs: None

GVC 235 WEB DESIGN

This course is an introduction to the publishing and development of websites. Lectures and demonstrations are used to discuss web design fundamentals. Students have the opportunity to design and code web templates; develop web pages, image galleries and navigation menus using industry standard software.

Credits: 3
Offered: Fall, Spring
Lab Fee: \$40
Pre-Reqs: None

GVC 330 GRAPHICS II

Intermediate study of the materials and methods of graphic design.

Credits: 3
Offered: As needed
Lab Fee: None
Pre-Reqs: GVC 230

GVC 340 DIGITAL ILLUSTRATION

This course focuses on the use of computer-based drawing tools and vector-based graphics. Through a combination of lectures, demonstrations, assignments and critiques, students conceptualize and create digital illustrations that can be incorporated into a wide variety of media formats. Course content focuses on design, layout, typography, color theory and project preparation for print and Internet-delivered publications.

Credits: 3
Offered: Fall
Lab Fee: \$40
Pre-Reqs: GVC 122

GVC 342 APPLIED PHOTOGRAPHY

This course covers all digital components of the applied formats of photography. Students photograph and design layouts for magazines – both print and Internet-based – including cover designs. There is an emphasis on shooting photos for product design, fashion photo-shoots and a variety of sports-related still and video photography. Students apply industry-standard practices and protocols associated with online and print-related shoots.

Credits: 3
Offered: Spring
Lab Fee: \$40
Pre-Reqs: GVC 165

GVC 350 ADVERTISING, DESIGN AND PRODUCTION

This course concentrates on “real world” applications of design, principles and thought. Students study the management of projects for commercial printing and electronic applications. There is a focus on the creation and improvement of ads through verbal direction as well as the design and production components. Effective interactions with classmates are developed and employed as a resource in the conceptual and technical processes.

Credits: 3
Offered: Fall, Fall II, Spring, Spring II
Lab Fee: \$40
Pre-Reqs: None

GVC 360 DIGITAL IMAGING

This course focuses on the use of industry-standard digital image manipulation software and its application in visual communication. Through a series of assignments, students have the opportunity to learn key digital image manipulation tools and techniques such as making selections, blending of layers, color correction and masking. Emphasis is placed on the use of scanners, drawing tablets and digital cameras as tools to create visual content for a wide variety of media.

Credits: 3
Offered: Fall
Lab Fee: \$40
Pre-Reqs: None

GVC 365 COLOR PHOTOGRAPHY

Advanced study in the use of color in photography. Coordinated work with certain other art and fashion classes is required.

Credits: 3
Offered: As Needed
Lab Fee: \$30
Pre-Reqs: GVC 165

GVC 375 HISTORY OF PHOTOGRAPHY

A chronological survey of photography from the early technical developments to contemporary digital imaging with emphasis on conceptual and thematic aspects, as well as the impact on society.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

GVC 380 THREE-DIMENSIONAL DESIGN

Development of traditional and digital skills for creating three-dimensional, conceptual and presentation models of products, furniture and buildings using standard and 3D printing formats.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

GVC 390 TYPOGRAPHY

Typographical forms are studied as both visual and verbal means of communication.

Credits: 3
Offered: As Needed
Lab Fee: \$40
Pre-Reqs: GVC 330

GVC 395 VISUAL COMMUNICATION THEORY

This course explores the language of visual communication and theories of perception and attention as applied to print and electronic forms.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

GVC 399 ISSUES IN GRAPHIC AND VISUAL COMMUNICATION

A seminar with variable topics, dealing with issues in graphic and visual communication, such as: motion graphics, senior design studio, advanced computer graphics, computer animation, etc.

Credits: 1-9
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

GVC 405 DIGITAL COMPOSITING

This course is a project-based course exploring technique and aesthetic issues in the production of time-based imagery. Students use layer-based compositing software to combine a wide range of visual elements from various media formats such as digital video, animation and still imagery.

Credits: 3
Offered: Spring
Lab Fee: \$40
Pre-Reqs: GVC 360

GVC 430 GRAPHICS PRACTICUM

Students complete individual projects in advertising and graphic design; the instructor acts as client and critic. Students' progress from proposal and contract to final presentation.

Credits: 3
Offered: As Needed
Lab Fee: \$40
Pre-Reqs: Permission of instructor

GVC 442 ADVANCED DIGITAL ART

This course offers students the opportunity to explore the dynamic field of digital media through discussion of current issues, research and trends in digital art and design. Working with the instructor, each student focuses on career-related media and/or commercial practice.

Credits: 3
Offered: Spring
Lab Fee: \$40
Pre-Reqs: Senior standing or permission of the instructor

GVC 455 ADVANCED PHOTOGRAPHY

Advanced study of photography as an art form; includes use of color in photography, experimentation in composition and techniques in large format printing.

Credits: 3
Offered: As Needed
Lab Fee: \$40
Pre-Reqs: GVC 165

GVC 493 PROFESSIONAL PRACTICES

This course addresses the transition from student study to the professions of graphic design, photography and computer animation. Working in small groups, students design, prepare and present portfolios and resumes.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: 75 credits completed

GVC 498 INDEPENDENT STUDY IN GRAPHIC AND VISUAL COMMUNICATION

Opportunity for students to study areas of special interest in graphic and visual communication. Student registration dependent on approval of a written course proposal.

Credits: 1-9
Offered: As Needed
Lab Fee: None
Pre-Reqs: Permission of college dean

GVC 521 UNDERSTANDING OBJECT-ORIENTED PROGRAMMING (OOP) – WYNCODE

This course focuses on Object-Oriented Coding (OOP) and introduces students to a programming paradigm based on the concept of "objects" that have data fields, or attributes that describe them. Students familiarize themselves with this paradigm and its associated procedures or methods.

Credits: 1.5
Offered: Fall and Spring
Lab Fee: None
Pre-Reqs: None

GVC 530 AESTHETICS OF DIGITAL PHOTOGRAPHY

Providing an examination of photographic aesthetics, illustrative tenets, professional practices, photojournalism and the potential of visual storytelling, this course is a study of contemporary issues in digital photography. Students study sophisticated digital image manipulation, digital camera use, studio and natural lighting and visual interpretation. Aesthetic theories are examined and applied to the photographic process.

Credits: 3
Offered: Fall I, Spring I
Lab Fee: \$40
Pre-Reqs: None

GVC 535 DRAWING AND DESIGN THEORY AND PRACTICE

A comprehensive study of traditional and contemporary drawing and design techniques, using conventional materials and digital drawing technology to advance an understanding of visual imagery. The course explores advanced aesthetics and conceptual approaches in contemporary drawing and design practices. Students are encouraged to master technical skills to create visual imagery as a form of expression and visual storytelling.

Credits: 3
Offered: Fall II, Spring II
Lab Fee: \$40
Pre-Reqs: None

GVC 570 DIGITAL STORYTELLING

Tracking a fictitious or documentary digital production from the stages of preproduction through post-production editing, this course constitutes a thorough examination of the history, role and working practice of documentary, narrative or abstract digital filmmaking. By preparing scripts and filming and editing footage, students study and practice storytelling techniques derived from visual theory. Their individual or collaborative projects illustrate the impact of digital filmmaking on storytelling.

HUM 101 ART APPRECIATION

This course will concentrate on specific works of art, which are expressions of the cultural values held by people from nations around the world. While the focus of the course is on artistic monuments and works, they cannot be thoroughly comprehended without including material about the historical events, philosophy and intellectual ideas that inspired these works. The goal of this course is to enable students to increase their awareness through the study of art of the rich and vast numbers of cultures that have and currently make up our global world. It also will show how these cultures have interacted and contributed to the development of human civilization.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

HUM 107 WORLD PHILOSOPHY

This course introduces students to philosophical thinking by exposing them to the basic human questions that characterize the philosophy of all cultures. Emphasizing the relevance of philosophy to everyday life in many non-Western societies, students will read works of Buddhist, Taoist, African, Latin American and Middle Eastern origin, and consider a variety of perspectives, including the voices of women, indigenous people and philosophical fiction. Works will be placed in historical, cultural and geographic context to reveal how much of what is known about these cultures is governed by stereotypes and misleading distortions. Classic themes of the Western philosophical tradition will be addressed, while stressing the universality of the search for meaning in life that drives all philosophical reflection.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

HUM 301 CREATIVE THINKING

This course examines the nature of human creativity. Through readings of creative thinkers from diverse fields such as mathematics, music, science, poetry and art reflecting on their own creativity, students will study what makes creative individuals creative. Their insights into the process of creative thinking will provide a window into students' own minds, as they reflect on such issues as the nature of the creative process, where ideas come from, the role of dreams and the unconscious in creativity, the relation of creative individuals to society, and the idea of personal identity and style.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: Junior or Senior standing

HUM 335 WORLD RELIGIONS

A comparative study of the great religious traditions of the world which seeks to understand their place in history and their impact on the world today. Hinduism, Buddhism, Christianity, Islam, Taoism, Native American and African traditions will be discussed. The course will approach these traditions as living. It will invite students to enter into dialogue with them, observe them in their unique cultural contexts, and ultimately to learn how they enrich and challenge our lives.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

HUM 340 PHILOSOPHY AND POPULAR CULTURE

This course is designed to teach students that there is more to philosophy than the study of dusty, old philosophical texts. Philosophy is about life—about living an examined life and adopting a critical, reflective stance toward one's social and cultural environment. Rather than simply learn about philosophy and philosophers, in this class students will learn to think philosophically themselves by reflecting on the ideas that exist within familiar forms of contemporary culture, including films, television, music, art and politics. Students will read contemporary thinkers writing about the philosophy behind recent films, rap music and hip-hop culture, MTV and the cult of personality, pop art and the leveling of the divide between mass culture and avant-garde art, and the role of today's youth in politics. After reading contemporary articles on each of these topics, students will view or listen to the films or music or art and undertake reflections of their own.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

HUM 350 AMERICAN PHILOSOPHY

This course explores the tradition of ideas in America. The focal point of the course will be America's most distinctive contribution to the tradition of philosophy, the philosophy of pragmatism. America's attempt to express itself philosophically assumed many forms. Sources will be varied as students trace the development of common themes in the early religious thought of the Puritans, the American Enlightenment and the philosophy of the founding, Transcendentalism and the rise of democratic individuality, the abolitionist movement and women's rights and pragmatism itself.

HUM 420 ETHICAL DECISION MAKING

This course explores modern issues in ethics in a global context. Students will be asked critically and creatively to think about contemporary ethical issues as they intersect a variety of areas of academic study. After a theoretical foundation, students will synthesize their knowledge of ethics with contemporary issues to analyze and critically assess the ethical concepts embedded in such issues. Students will be expected to relate course material to their personal lives, academic interests and the world in which they live; they will be encouraged to develop self-awareness as moral agents in their own day-to-day environments. Historical contexts will be used to establish philosophical perspectives in order to identify, analyze, and ultimately critique contemporary ethical issues—in particular, those issues which are relevant to the student's chosen career paths and areas of special research interest.

IRPS 220 GLOBAL HUMAN RIGHTS

Global Human Rights focuses on the political aspects of human rights in a number of contexts: theoretical/philosophical, legal and public policy. Various geographic regions are studied to highlight specific cases of human rights protection and violations. Both Western and non-Western perceptions of human rights form the context for exploring topics pertaining to natural rights, economic/social/cultural rights, civil/political rights, individual and collective rights and the debate between cultural relativism and universal human rights. This course also surveys, through the use of documentaries and movies, some of the most critical and controversial human rights (e.g. self-determination, genocide/ethnocide, women's and children's rights and labor rights) and the relevant mechanisms and institutions for the successful implementation of human rights norms, standards and practices.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

IRPS 310 INTERNATIONAL LAW

This course explores the historical roots of international law, its various theoretical foundations and sources. Specific areas of law to be studied include human rights, law of the sea, environmental law, the use of force/warfare and international criminal law. Defining the legal concepts of sovereignty, intervention, jurisdiction, recognition and territoriality (among others) permits a thorough consideration of their theoretical and practical implications. An International Court of Justice simulation exercise provides the opportunity for students to "practice" international law. Course goals encompass skill set development including writing/editing, reading comprehension/ interpretation, critical thinking/analysis and oral presentation.

Credits: 3
Offered: As Needed
Lab Fee: None

IRPS 320 LATIN AMERICAN HISTORY AND POLITICS

Latin American History and Politics begins with an overview of the historical characteristics of the Caribbean, Central and South American regions. The course then examines political stability, democratization, development policies and the impact of civil-military relations. Consideration is given to the role of international organizations, regionalism and economic integration.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

IRPS 330 POLITICS OF DEVELOPMENT

This course examines divergent explanations for development and underdevelopment. Emphasized are the concepts and theories that highlight the political process and political actors involved in the politics of development. Attention is given to the role of international political and economic organizations in the development process. Where appropriate, country studies are examined to illustrate theoretical dimensions.

Credits: 3
Offered: As Needed
Lab Fee: None

IRPS 335 MIDDLE EAST HISTORY AND POLITICS

This course surveys the political, historical and cultural dynamics of the Middle East primarily since the 1920s. Particular attention is given to the topics of armed conflict, political stability, governance, regionalism and current interstate relations. Topics addressed include the impact of personal leadership styles, the Israeli-Palestinian conflict and natural resource dilemmas relevant to regional affairs.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

IRPS 360 POLITICS OF INDIGENOUS PEOPLES

The Politics of Indigenous Peoples course concentrates on the interactions between indigenous and non-indigenous participants in global relations. Grounded in international/global relations theories, the course's underlying premise is that aboriginal/indigenous peoples are distinct communities which exercise some form of self-determination, sovereignty or autonomy. While referencing historical events, this course focuses on contemporary indigenous peoples' political activity primarily in regional and global contexts. Considerable attention is given to the mechanisms through which indigenous peoples pursue their physical and cultural survival, including their discourses with states, the United Nations, regional organizations such as the European Union and non-governmental organizations. Course goals encompass skill set development including writing/editing, reading comprehension/interpretation, critical thinking/analysis and problem-solving.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

IRPS 380 THEORIES OF INTERNATIONAL RELATIONS

This course examines a wide range of theories and perspectives which offer divergent explanations for the various situations and events in the global arena. In doing so, Theories of International Relations distinguishes between theory and ideology. Each of six theoretical perspectives—Idealism, Realism, Neo-Realism, Pluralism, Globalism and Feminism—are compared and contrasted in terms of their descriptive and prescriptive elements. Core concepts such as power, sovereignty, primary actors and interdependence form the basis of this comparison. In addition, the level of analysis relied on by each theory—individuals, sub-state units, states, regions or the world—is addressed in explaining global participants and their actions. Course goals encompass skill set development including writing/editing, reading comprehension/ interpretation and critical thinking/analysis.

IRPS 450 COMPARATIVE FOREIGN POLICY

This course helps students acquire knowledge about theoretical and analytical structures for the comparative study of governments and their foreign policies. Comparative Foreign Policy takes a regional approach that highlights cultural, historical, economic and political features common to all or most of the states within a given geographic area. The course provides the basis for comparison of foreign policies between states and across regional boundaries. It documents the continuous transformation of actors and issues that comprise the ever-changing nature of foreign policy. How countries determine their foreign policies will be examined in depth. The following factors will be addressed: the end of the bipolar, superpower impasse generated by the Cold War; increased interdependence and globalization; ethnic tensions; and rising disparities and events post-September 11.

Lab Fee: None
Pre-Reqs: Placement exam

MUS 201 APPLIED INSTRUMENT: Fr-So

In this course, students strive to develop their individual musical performance ability to its fullest potential, both musically and technically. Students receive training through a broad variety of repertoire and develop independent thinking. Weekly studio classes present a performance workshop dealing with various topics such as technique, performance and pedagogy. Additionally, annual student progress is assessed through juries. Students are required to perform and/or teach in the community as assigned by their instructor.

Credits: 3
Offered: Every semester
Lab Fee: None
Pre-Reqs: Conservatory freshman and sophomore students only

MUS 311 SMALL ENSEMBLE

The chamber music program focuses on the process of coming together to achieve a successful musical experience while recognizing the substantial individual and collective responsibility required to that end. Regular coaching and rehearsals form the basis for developing the skill of musical interaction. Chamber groups are required to perform on campus and throughout the community as assigned by their instructor.

Credits: 1
Offered: Every semester
Lab Fee: None
Pre-Reqs: Conservatory students only; audition may be required

MUS 321 LARGE ENSEMBLE

This course provides students with an opportunity to learn and perform repertoire from a wide range of periods and styles in an orchestral setting. Rehearsals and concerts provide guided practical experience in all facets of music making.

Credits: 1
Offered: Every semester
Lab Fee: None
Pre-Reqs: Conservatory students only; audition may be required

MUS 323 WIND ENSEMBLE

This course offers the study and performance of the repertoire for ensembles of woodwinds, brass and percussion players in various combinations. Required of all undergraduate brass, wind and percussion conservatory students.

Credits: 0
Offered: As needed
Lab Fee: None
Pre-Reqs: Conservatory students only; audition may be required

MUS 325 ORCHESTRAL REPERTOIRE

This course focuses intensely on orchestral performance issues. Sections of the orchestra will split apart to study the vast orchestral repertoire as it applies specifically to their family of instruments. Required of all undergraduate conservatory wind, brass and percussion students.

Credits: 0
Offered: Every semester
Lab Fee: None
Pre-Reqs: Conservatory students only; audition may be required

MUT 150-251 EAR TRAINING I-IV

Essential skills are introduced to music students through the four levels of this course. Each skill is continually developed during the four-semester curriculum. In-class activity will include rhythmic drills, sight-singing exercises and dictation exercises. Material covered over the course of four semesters will include: diatonic melody and harmony; chromatic melody and harmony; chord progressions, including chromatic chords; four-part dictation; syncopation and irregular subdivisions; and 20th century materials. Placement exams will determine student level.

Credits: 1
Offered: MUT 150 & 250 offered fall semester, every year; MUT 151 & 251 offered spring semester, every year
Lab Fee: None
Pre-Reqs: Placement exam and permission of the instructor

MUT 200 FUNDAMENTALS OF MUSIC I: COUNTERPOINT/ELEMENTARY HARMONY

This course is divided into two parts. First, as a preparation for the study of tonal harmony, this course will be a study of strict species counterpoint in two voices (through all five species). The second half of the course will begin the study of the basic harmonic materials of "functional" tonal music of the Common-Practice period. Topics covered will include the structure of triads and Roman Numeral analysis, concepts of voice-leading, inversions of chords, harmonic progressions in four parts based on the Bach Chorales, the importance and creation of bass lines, the harmonization of bass lines, and figured bass. Written work will consist of one or two short assignments per week.

Credits: 3
Offered: Fall semester, every year
Lab Fee: None
Pre-Reqs: Placement exam and permission of the instructor

MUT 201 FUNDAMENTALS OF MUSIC II: ADVANCED HARMONY

This course is a continuation of the study begun in Fundamentals I of the basic materials of tonal music, using the four-part "chorale style" of J. S. Bach as the basis of study. Topics will include cadences, non-harmonic tones, triads in second inversion, the structure and treatment of seventh chords, the harmonization of melodies, secondary function chords, modulation and chromaticism. Written work will consist of one or two short assignments per week.

Credits: 3
Offered: Spring semester, every year
Lab Fee: None
Pre-Reqs: MUT 200 or placement exam and permission of the instructor

MUT 300 FUNDAMENTALS OF MUSIC III: TONAL ANALYSIS

This course is concerned with the analysis of selected movements and complete compositions from the Common-Practice period of functional tonal music and the development of the necessary analytical skills to achieve this goal. This will be accomplished in a number of ways: 1) the continued development and refinement of the student's ability to perform harmonic analysis, as begun in Fundamentals I and II; 2) the expansion of analytical techniques to include analysis of rhythm, meter, phrase structure, articulation, etc.; and 3) study of the principal forms from the Common-Practice period, with some consideration of their historical development. Weekly analysis assignments will be required.

Credits: 3
Offered: Fall semester, every year
Lab Fee: None
Pre-Reqs: MUT 201 or placement exam and permission of the instructor

MUT 301 FUNDAMENTALS OF MUSIC IV: TWENTIETH CENTURY THEORY

This course is concerned with the theoretical concepts of 20th century music and the compositional techniques used in this music. At the beginning of the course, there will also be an introduction to the analysis of Medieval and Renaissance music. This course will consist of a survey of a variety of different compositional and analytical techniques and will not be historical in nature. Weekly homework assignments will be required.

Credits: 3
Offered: Spring semester, every year
Lab Fee: None
Pre-Reqs: MUT 201 or placement exam and permission of the instructor

MUT 374 ADVANCED COUNTERPOINT AND FUGUE

The main goals of this course will be: through the writing of strict species counterpoint exercises in 18th century style to prepare the student to go on to more advanced stylistic exercises employing true 18th century forms, such as binary form "dance" suite movements, two- and three-part inventions, and chorale preludes and fugues; and to develop the student's ability to analyze, both in terms of harmony and form, contrapuntal compositions from the 18th century. The course will begin with strict species counterpoint and then move on to the specific style and techniques of 18th century counterpoint. Listening assignments of selected works by J. S. Bach will be required. This course fulfills the Music Theory elective.

Credits: 3
Offered: Fall semester, every other year (offered fall 2017)
Lab Fee: None
Pre-Reqs: MUT 300

MUT 375 TONAL COMPOSITION

This course involves the imitation of the basic forms of tonal music of the Classical and Romantic periods and focuses on the techniques of motivic transformation, melody, harmony and rhythm. Weekly assignments involving composition and analysis will be required and a composition in a longer form will also be required as a final project. This course fulfills the Music Theory elective.

Credits: 3
Offered: Fall semester, every other year (not offered fall 2017)
Lab Fee: None
Pre-Reqs: MUT 300

MUT 570 ANALYTICAL TECHNIQUES OF MUSIC

This course will concentrate on the development of a variety of analytical skills and will examine compositions from all historical periods. In addition to harmony and form, topics that will be discussed include: articulation and phrasing; accent, rhythm and meter; the analysis of structural pitches (Schenkerian Analysis); texture; timbre and instrumentation; and the concept of a "correct" stylistic interpretation.

Credits: 3
Offered: Spring semester, every other year (offered spring 2018)
Lab Fee: None
Pre-Reqs: Conservatory Master of Music students only

PSY 440 RESEARCH AND STATISTICS IN PSYCHOLOGY

A study of research design and qualitative and quantitative methods of data collection and analysis. The student selects and carries out independent library and/or empirical research, including a well-developed research paper and oral presentation of research project. Faculty supervision is provided on an individual basis.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

PSY 460 EXPERIMENTAL PSYCHOLOGY

Research designs commonly used in psychology: observational, experimental and quasi-experimental. Steps in conducting research including APA format for writing reports. Includes laboratory/discussion sessions.

Credits: 3
Offered: Fall
Lab Fee: None
Pre-Reqs: None

PSY 480 CROSS CULTURAL PSYCHOLOGY

A study of the ways in which cultural factors influence human behavior and how mental processes, including development, learning, emotion, and psychological disorders, are conceived differently around the world, including an emphasis on cross-cultural research methodology.

Credits: 3
Offered: Fall and Spring
Lab Fee: None
Pre-Reqs: None

PSY 481 INTERNSHIP IN PSYCHOLOGY

The experience involves applying the knowledge acquired in prerequisite psychology courses to the community through placement in a mental health clinic/community service agency. Supervision on-site and by practicum supervisor. Written report and evaluation of goals and objectives required.

Credits: 3-6
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

PSY 490 SEMINAR IN PSYCHOLOGY

Special topics course for Psychology, Behavioral Science or Criminal Justice majors. May serve as capstone course for Psychology majors.

Credits: 1-9
Offered: Spring
Lab Fee: None
Pre-Reqs: None

PSY 495 SENIOR SEMINAR: CAPSTONE IN PSYCHOLOGY

This capstone psychology course is designed to have students analyze, compare and contrast ethical issues related to the need for advocacy across the world. Students in this class will complete an extensive research paper and multiple projects that will target similarities, differences and cross cultural concerns related to psychological advocacy. Throughout the course, students will utilize critical thinking, oral communication, technological literacy and information literacy to disseminate knowledge for the need for global advocacy in psychology.

Credits: 3
Offered: As Needed

PSY 580 PSYCHOBIOLOGY

Psychobiology is the study of the biology of behavior. Because the production and regulation of behavior is largely the job of the nervous system, this course will involve a study of the central nervous system and how it works. This study of behavioral neuroscience will include the physiological bases of sensation, sex, learning and memory, motivation, cognition, and abnormal behavior. By its very nature, psychobiology is a multidisciplinary field which draws from the fields of biology, psychology, chemistry, mathematics and physics.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

PSY 600 THESIS AND ADVANCED STATISTICS

Each student will conduct an independent research study. Students will be involved in projects connected to research faculty members. The student's course instructor will supervise this independent study. Students will work closely with faculty to gain the skill set to develop and produce an applied research project. This course will provide the students with knowledge on scientific writing, instrument selection, use and evaluation, and all aspects of data collection, analysis and reporting. Students will be actively working on their individual thesis project working towards final completion during their Practicum in Applied Psychology course.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

PSY 699 PRACTICUM IN PSYCHOLOGY

This course requires students to work a specified number of hours in the field of psychology based on their specialization area. Students will meet in a classroom setting for group and peer supervision and with the course instructor for individual supervision. Site placement will include supervision with an emphasis in developing appropriate skills training in applied psychological settings. Students need to have completed all master's-level course work with a grade of B- or better to be eligible for placement in this course. Required clinical hours and supervision hours must be met for successful completion of this course. The culmination of this course is the final presentation of the master's thesis.

Credits: 1-6
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

PSY 700 INTERNSHIP IN COUNSELING

This course offers students an experiential component in their clinical program. Students will be working in the field of counseling while receiving clinical supervision from their academic and site supervisor. This course will inform students' thinking on issues related to professional behavior and advanced counseling skills. Students will be provided with group and individual supervision.

Pre-Reqs: None

SCI 110 THE BIOLOGICAL WORLD AND LAB

Introduction to the life-supported systems of nature, emphasizing the diversity and adaptations of organisms in the evolutionary perspective. This course meets three lecture hours and two lab hours per week.

Credits: 4
Offered: Fall
Lab Fee: \$30
Pre-Reqs: None

SCI 111 BIOLOGICAL PATTERN AND PROCESS AND LAB

Introduction to the operation of life-supported systems at various levels of organization, from biochemical to ecological. This course meets three lecture hours and two lab hours per week.

Credits: 4
Offered: Spring
Lab Fee: \$30
Pre-Reqs: None

SCI 130 GENERAL CHEMISTRY I AND LAB

This course provides a background in the basic concepts of chemistry. Topics include discussion of units of measurements, structure of atoms, stoichiometry, types of chemical reactions, concepts of bonding, ideal gases, atomic structure and periodicity and thermochemistry. This course meets three lecture hours and two lab hours per week.

Credits: 4
Offered: Fall, Spring
Lab Fee: \$30
Pre-Reqs: Prerequisite or corequisite: DQR 100 or permission from the Science Chair

SCI 131 GENERAL CHEMISTRY II AND LAB

This course continues from SCI 130 and presents an introduction to the properties of solutions, chemical kinetics, chemical equilibrium, acid-base chemistry, spontaneous processes and entropy and the chemistry of representative elements from the periodic table. This course meets three lecture hours and two lab hours per week.

Credits: 4
Offered: Spring
Lab Fee: \$30
Pre-Reqs: SCI 130

SCI 201 INTRODUCTION TO BIOLOGY AND LAB

A survey of the main principles of biology and the various forms of life on Earth. Subjects covered will include evolution, genetics, cellular processes, biodiversity and ecology. The material will stress the relevance of the subjects to everyday life and to social, economic, environmental and philosophical problems. The course meets three lecture hours and two lab hours per week.

Credits: 4
Offered: As Needed
Lab Fee: \$30
Pre-Reqs: None

SCI 215 MARINE BIOLOGY AND LAB

An introduction to marine organisms and their diversity, adaptations and ecological interrelationships. Laboratory and mandatory field trips. This course meets three lecture hours and two lab hours per week.

Credits: 4
Offered: As Needed
Lab Fee: \$30
Pre-Reqs: None

SCI 260 HUMAN ANATOMY AND PHYSIOLOGY AND LAB

This course is designed to provide sufficient knowledge of basic human anatomy and physiology in order to serve as a working basis for studies in the allied health professions and in related fields and/or as general knowledge and appreciation of the human body as an integrated whole. The course describes the cellular and tissue structure and function, skeletal, muscular, cardiovascular, digestive, nervous, respiratory, excretory, endocrine and reproductive systems. It also encompasses a survey of major human diseases, development, heredity and aging. This course meets three lecture hours and two lab hours per week.

Credits: 4
Offered: Fall
Lab Fee: \$30
Pre-Reqs: None

SCI 261 HUMAN ANATOMY AND PHYSIOLOGY II AND LAB

Exploration of basic human anatomy and physiology covering the nervous, respiratory, excretory, endocrine and reproductive systems. A survey of major human diseases, development, heredity and aging. This course meets three lecture hours and two lab hours per week.

Credits: 4
Offered: As Needed
Lab Fee: \$30
Pre-Reqs: SCI 260

SCI 265 COMPARATIVE VERTEBRATE ANATOMY & PHYSIOLOGY

This course is an exploration of basic anatomy and physiology of vertebrate animals, and how their evolutionary relationship leads to patterns of similarity of difference within the group. Special focus is placed on how human anatomy and physiology can be understood as a result of evolution from earlier forms.

Credits: 4
Offered: As Needed
Lab Fee: \$30
Pre-Reqs: None

SCI 290 MENDELIAN AND POPULATION GENETICS

This course focuses on Mendelian and Population Genetics. Starting with an overview of meiosis, to connect the inheritance of traits to DNA and chromosomes, the first third of the course will focus on Mendelian patterns of inheritance in detail, including pedigree analysis. The remainder of the course will cover Population Genetics, expanding on the concepts from Mendelian Genetics through use of the Hardy-Weinberg Theorem to model the evolution of populations.

Credits: 4
Offered: Spring
Lab Fee: \$30
Pre-Reqs: None

SCI 301 MEDICAL TERMINOLOGY

Exploration of the basic elements, meaning and pronunciation of specific medical terms, through an in-depth analysis of root words (Latin and Greek), combining forms, prefixes, suffixes and abbreviations, as well as its clinical applications. Students learn medical terminology by way of content organized by body system, through a unique combination of anatomy and physiology, word building principles, spelling and pronunciation. Clinical applications and pathologies are introduced at the beginning of the semester and covered in detail in conjunction with the various systems and related terminology. The course is designed for science and health care students/professionals who want to learn medical terminology and are pursuing a career in the field of health care or pharmaceutical industries.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: SCI 260

SCI 325 MICROBIOLOGY AND LAB

An introduction to the morphology, physiology, life history and ecology of microbes (chiefly bacterial) and viruses. This course meets three lecture hours and three lab hours per week.

Credits: 4
Offered: Fall
Lab Fee: \$30
Pre-Reqs: SCI 110, SCI 111, SCI 130 and SCI 131

SCI 350 PHYSICS I AND LAB

Exposition of the fundamental laws and phenomena of mechanics, fluids, heat, wave motion and sound. Emphasis is on the understanding of physical concepts. This course meets three lecture hours and three lab hours per week.

Credits: 4
Offered: Fall
Lab Fee: \$30
Pre-Reqs: MAT 110, DQR 100 or permission from the Science Chair. MAT 320 as a prerequisite or co-requisite is recommended.

SCI 351 PHYSICS II AND LAB

Exposition of the fundamental laws and phenomena of electricity, magnetism, optics, special relativity, and atomic and nuclear physics. Emphasis is on the understanding of physical concepts. This course meets three lecture hours and three lab hours per week.

Credits: 4
Offered: Spring
Lab Fee: \$30
Pre-Reqs: SCI 350

SCI 360 ECOLOGY AND LAB

An in-depth study of ecosystems at various levels of pattern and process, broadly emphasizing material/energy interrelationships in concept, time and space. This course meets three lecture hours and three lab hours per week. Laboratory and mandatory field trips.

Credits: 4
Offered: Fall, Spring
Lab Fee: \$30
Pre-Reqs: SCI 110 & MAT 110

SCI 390 ORGANIC CHEMISTRY I AND LAB

This course covers the fundamental topics of organic chemistry, including structure and bonding, bonding and molecular properties, the nature and stereochemistry of alkanes and cycloalkanes, structure and reactivity of alkenes, stereochemistry, mechanisms of the common type of organic reactions and the nomenclature of organic reactions. This course meets three lecture hours and three lab hours per week.

Credits: 4
Offered: Fall
Lab Fee: \$30
Pre-Reqs: SCI 131 or equivalent

SCI 391 ORGANIC CHEMISTRY II AND LAB

This course provides a detailed survey of the synthetic reactions of various organic functional groups. The main thrust of the course is the thorough mechanistic understanding of the organic reactions. This course meets three lecture hours and three lab hours per week.

Credits: 4
Offered: Spring
Lab Fee: \$30
Pre-Reqs: SCI 390

SCI 392 BIOCHEMISTRY AND LAB

A study of substances found in living organisms and the chemical reactions underlying life processes. The structure and behavior of biomolecules will be discussed with emphasis on carbohydrates, fats (Lipids), proteins and nucleic acids. Other biomolecules will be mentioned. This course meets three lecture hours and three lab hours per week.

Credits: 4
Offered: As Needed
Lab Fee: \$30
Pre-Reqs: SCI 390

SCI 397 INDEPENDENT STUDY

Credits: 1-9
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

SCI 460 MOLECULAR BIOLOGY AND LAB

In this course we examine the structure and function of nucleic acids in living cells, the use of nucleic acids in various fields of scientific inquiry, and the techniques of molecular biology and biotechnology. Some of the topics covered with include: the structure and replication of DNA, transcription and translation, genomics, epigenetics, and molecular phylogenetics. Some techniques that will be used in lab include: PCR, genetic sequencing, DNA electrophoresis, genetic cloning, and genetic transformation. This course is typically offered in the spring semester.

Credits: 4
Offered: Fall
Lab Fee: \$30
Pre-Reqs: None

SCI 485 BIOLOGY INTERNSHIP

Opportunity for biology majors to gain on-the-job experience through an internship placement.

Credits: 1-9
Offered: As Needed
Lab Fee: None
Pre-Reqs: Advisor/dean permission, 2.5 cumulative GPA in major and/or departmental approval

SCI 491 EVOLUTION

This course is an in-depth examination of the forces and processes in biological evolution, building partially on the concepts from both Population Genetics and Molecular Biology. This course is typically offered in the spring semester.

Credits: 3
Offered: Spring
Lab Fee: None
Pre-Reqs: None

SCI 495 SPECIAL TOPICS

This seminar course in Biology is a topic based course designed to expose the student to a specific subject area of within the field of Biology. This course allows the student to fully explore the intricate facets of the seminar topic, and develop a comprehensive understanding of the subject matter. In addition, this is a variable content course and may be offered with a different focus during the semesters offered.

Credits: 1-9
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

SOC 110 INTRODUCTION TO SOCIOLOGY

A survey course designed to introduce the student to the science of sociology. Students are introduced to the fundamental concepts of social relationships and group life. Culture, social institutions and deviance are discussed.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

SOC 200 RESEARCH METHODS

This course consists of a basic introduction to research design and qualitative and quantitative methods of data collection and analysis. Through review of research studies, students will learn to be informed consumers of social science research, and to apply their understanding of research to a critical analysis of contemporary social issues. The importance of evidence and bias will be emphasized, with a focus on application to social policy and a broad range of disciplinary practice. Students will be encouraged to seek out research studies of interest to them, and to critically analyze and interpret the ways findings inform their field.

Credits: 3
Offered: Fall, Spring
Lab Fee: None
Pre-Reqs: None

SOC 220 FAMILY AND SOCIETY

Study of the institutional character of the family, its history and its relationship to other institutions. Problems encompassing premarital concerns, internal dynamics of family life, children and divorce are discussed.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: SOC 110

SOC 335 CONTEMPORARY SOCIAL PROBLEMS

A presentation of methods of identifying social problems. Analysis of such problems as crime, drug abuse, discrimination and disadvantage, family disorganization, ecology, and armed conflict is discussed.

Credits: 3
Offered: Fall, Spring
Lab Fee: None
Pre-Reqs: None

SOC 397 INDEPENDENT STUDY

Credits: 1-9
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

SOC 450 RACE AND ETHNICITY

In this course students will use the sociological perspective to examine race and ethnicity. Topics include the historical conditions of various racial-ethnic groups in the United States, as well as challenges facing minorities today.

Credits: 3
Offered: As Needed
Lab Fee: None
Pre-Reqs: None

ZEDU 001 GENERAL KNOWLEDGE PREPARATION CLASS

This course reviews skills, competencies and strategies necessary for successfully completing the General Knowledge Exam. Math review includes arithmetic, algebra, geometry/measurement, probability/statistics and logical reasoning. Verbal preparation includes reading comprehension, English language skills and essay writing.

Credits: 0
Offered: Fall;
Lab Fee; Pre-Reqs: None
